THE MELBOURNE INTERNATIONAL EXHIBITION, 1880.

In accordance with a Commission issued under the great seal of the Colony of Victoria, and with the co-operation of the Imperial Government of Our Gracious Sovereign the Queen, an International Exhibition of Arts, Manufactures, and Agricultural and Industrial Products of all Nations will be opened at Melbourne on the 1st day of October, 1880, and will close on the 31st day of March, 1881.

The Exhibition will be held in buildings specially erected for the purpose in Carlton Gardens, centrally situated in the City of Melbourne, and the cost of erecting such buildings, and all expenses incidental to the Exhibition, will be defrayed out of funds voted by the Parliament of Victoria.

The Commissioners are empowered to invite the British, Foreign, and Colonial Governments to take part in this Exhibition, and they will be glad to learn that steps have been taken to provide for the representation of every country and colony thereat.

The fact that Australasia has been represented at all the great Exhibitions of the world since their inception in the year 1851, and the advance she has made in productive industry, the extent of her com-

mercial relations, and the high position to which her imports and exports have attained, indicate that she has now reached the period when she may profitably invite the great manufacturing countries to send the most complete products of their skilled industry to a people who are in a position to become not only good customers but generous competitors.

1. Applications for space, with full particulars, are invited as early as possible. Copies of the official form of entry can be obtained upon application to the Secretary to the Commissioners.

2. Excepting under the circumstances specified under Article 4, applications for space must be made through the representatives of the country or colony to which the applicants belong.

3. Governments intending to take part in this Exhibition are requested to forward an intimation to that effect not later than the 1st of June, 1879.

4. In the event of no representatives being appointed by the country or colony to which an intending exhibitor belongs, he can communicate direct with the Secretary.

5. Applications for space should be made not later than the 30th day of June, 1879.

6. British, Foreign and Colonial Governments, or Commissioners appointed by them, are requested to inform the Melbourne Commission not later than the 1st day of January, 1880, whether they require any increase or diminution of the space offered them, and the amount. They are also requested to state whether there will be any exhibits for which special space should be provided, together with a description showing their nature and quantity.

7. Before the 1st day of June, 1880, the representatives of countries or colonies should furnish approximate plans, showing the manner of allotting the space assigned to them, and lists of their exhibitors, and other information necessary for the production of the Official Catalogue.

8. Commissioners representing countries or colonies, and private exhibitors, may adopt one of three courses, viz:—

(*a*) They can ship their exhibits direct to Melbourne, and make their own arrangement for their shipment, reception, and exhibition.

(*b*) Or consign their exhibits to

"The Secretary International Exhibition 1880,
"Melbourne, Australia,"

with specific instructions as to what is desired.

(*c*) Or, having previously forwarded an entry to the Melbourne Commission, they can forward the goods, together with invoices and descriptions, to any of the following firms or companies:—

London—Messrs. James McEwan & Co., 27 Lombard-street; or to Messrs. M'Ilwraight, M'Eachran & Co., Leadenhall-street.
Liverpool—Messrs. John Swire & Sons.
Glasgow—Messrs. Aitken, Lilburne & Co.
Antwerp—Messrs. Jules Renard & Co.
New York—Messrs. R. W. Cameron & Co.
San Francisco—Pacific Mail Company.
All Ports where the Company has Agencies—The Peninsular and Oriental Company.

9. Packages forwarded from countries and colonies represented at the Exhibition should be addressed—

To the Commissioner for.....
at the International Exhibition of 1880,
Melbourne,
Victoria,
Australia,

and have two labels bearing the flag of the country to which the exhibitor belongs; or, where no representative has been appointed:—

To the Secretary
International Exhibition of 1880,
Melbourne,
Victoria,
Australia,

and two labels, affixed to different but not opposite sides of the package, giving the following information:—(1) The country from which it comes. (2) Name or firm of exhibitor. (3) Residence of the exhibitor. (4) Group and class to which exhibits belong. (5) Total number of packages sent by same exhibitor. (6) Serial number of that particular package. Each package must contain a list of the exhibits it contains.

Packages from foreign countries containing goods intended for the Exhibition must likewise have painted on them, as distinctive marks, the letters

M.I.E. surrounded by a circle

Packages from foreign countries must all be marked in such a way as to show distinctly whence they come, viz., with the colours and devices of their national flag. Foreign Commissioners are particularly requested to forward to the Melbourne Commission, as soon as possible, copies of the form of address and the distinguishing marks which they have severally adopted.

10. In cases where exhibits are forwarded to Melbourne through any of the above-named agents of the Commission, all expenses of freight, marine insurance, &c., should be prepaid by the exhibitor, but if that be inconvenient, the exhibits will be forwarded, and the charges and freight paid by the agents. The sum advanced by the agents will be regarded as a first charge upon the exhibits, to be deducted from the net proceeds, in the event of their being sold. Should such exhibits, however, not be sold, but be claimed by the exhibitor or his authorised agent, at the close of the Exhibition, then such sums as may have been disbursed by the Commission or any of its agents must be paid before such goods are delivered.

11. Customs entries, transportation, receiving, unpacking, and arranging the products for exhibition will, if required by the exhibitor, be undertaken by the Commission, at the expense of the exhibitor.

12. Arrangements will be made for transporting goods from the port of Melbourne, or the several railway stations, to the Exhibition grounds at a fixed rate of charges.

13. Exhibits will be admitted free of duty. The removal of goods, except under special circumstances, will not be permitted prior to the close of the Exhibition. Facilities will be given for the sale of exhibits, delivery to be made after the close of the Exhibition.

14. The protection of inventions capable of being patented and of designs is secured by the patent laws of Victoria.

15. The placing or fixing of heavy articles, requiring special foundations or adjustment, should begin by special arrangement as soon as the progress of the work upon the Exhibition Buildings will permit. The general reception of articles in the Exhibition Buildings will commence on 1st June, 1880, and no articles will be admitted after 31st August, 1880. The plans for the display and accommodation of such objects as may require either special arrangements or exceptional works for their erection must receive the approval of the Commission before they are executed, and the works must be carried out under the supervision of its agents. The special preparations of which mention has been made will be commenced as soon as the buildings and various annexes are sufficiently advanced. The works of general fitting-up must be commenced not later than the 1st of May, 1880, and must be ready to receive goods before the 15th day of July, 1880.

16. Space assigned to countries and colonies, and not occupied on the first day of September, 1880, will revert to the Commission, and will be subject to rearrangement.

17. If exhibits are not intended for competition it must be so stated by the Exhibitors, and they will be excluded from examination by the International Jurors.

18. An Official Catalogue will be published in English by the Commission, by which the sale of Catalogues is reserved. Every country and colony

will, however, have the right of producing at its own expense, but in its own language only, a special Catalogue of the objects exhibited in its section. No work of art, nor any article whatever, exhibited in the buildings, parks, or gardens, may be drawn, copied, or reproduced in any manner whatsoever, without the permission of the exhibitor. The Commission reserves the right of authorizing the production of general views.

19. The representatives of countries and colonies, when appointed, will be allowed to group their exhibits as they may think fit in that portion of the Exhibition Buildings allotted to the country or colony which they represent.

20. Exhibits, from any country or colony, whose Government is not represented will be grouped according to some one of the following classes. The same direction will be followed in the Catalogue :—

1. Works of art.
2. Education and instruction—Apparatus and processes of the liberal arts.
3. Furniture and accessories.
4. Textile fabrics, clothing and accessories.
5. Raw and manufactured products.
6. Machinery—Apparatus and processes used in the mechanical industries.
7. Alimentary products.
8. Agriculture.
9. Horticulture.
10. Mining industries—Machinery and products.

Each of these groups is divided into classes, according to the system of general classification annexed to these regulations (Appendix). This Appendix includes for each class a summary enumeration of the objects which it will comprise.

21. A limited quantity of steam and water power will be supplied gratuitously. The quantity of each will be settled definitely at the time of the allotment of space. The Commissioners desire to encourage the display of machinery in motion, and they will endeavor to provide adequate power to meet all reasonable demands. Any power required by the Exhibitor in excess of that allowed, will be furnished by the Commission at a moderate price. Demands for such excess of power must be settled prior to the 31st August, 1880.

22. By the introduction of steam power it is proposed to afford facilities for presenting not only the machinery for any given manufactures, but the manufactures themselves; and it is further intended that space shall be afforded for the production in the Exhibition of interesting objects by manual labor.

23. Exhibitors must provide at their own cost all show-cases, shelving, counters, fittings, &c., which they may require; and all shaftings, pulleys, belting, &c., for the traces and measures of power from the main shafts; but the Commission is prepared, if required, and upon being furnished with full particulars, to make arrangements for the construction of show-cases by contract at a price per cubic foot, the cost to be borne by the Exhibitor using the same. All artistic decorations and arrangements must be approved by the Commission.

24. The Commission reserves the right of rejecting or returning any proposed exhibit.

25. The following special regulations are framed for the reception and admission of works of art. The works admissible include the five classes mentioned below :—

1. Paintings.
2. Drawings, water-colors, crayon drawings, miniatures, enamels, porcelain, designs for stained glass windows (with the exception of those which merely represent subjects of ornamentation) and mosaic work.
3. Sculpture and die-sinking, and engraving on precious stones.
4. Architecture.
5. Engraving and lithography.

26. The following are excluded :—

1. Unframed pictures or drawings.
2. Sculpture in unbaked clay.

27. The duty of deciding upon the admission of works of art will devolve upon a special jury. Special and suitable rooms will be reserved for the exhibition of such ancient pictures and works of art as may be admitted by a special jury. Other regulations will give information as to the despatch and reception of works of art.

28. Facilities will be given, upon application to the Commission, for the erection of special constructions, whether in the buildings or grounds.

29. The Commission will take precautions for the safe preservation of all objects in the Exhibition, but will be in no way responsible for damage or loss of any kind, or accidents by fire or otherwise, however caused.

30. Facilities will be afforded the representatives of countries and colonies, and private exhibitors, for insuring their goods; and they may also employ watchmen of their own choice to guard their goods during the hours the Exhibition is open to the public. The appointment of such watchmen will be subject to the approval of the Commission. These persons shall wear a special dress or distinctive badge, and they will always have the power of calling the police to their aid.

31. Articles that are in any way dangerous or offensive, or injurious to public decency and morality, will not be admitted into the exhibition.

32. Sketches, drawings, photographs, or other reproductions of articles exhibited, will only be allowed upon the joint consent of the Exhibitor and the Commissioners; but views of portions of the building may be made, upon the sanction of the Commission alone.

33. The following is the system under which the awards will be made :—

The awards shall be based upon written reports adopted by the Jurors.

The Jurors shall be selected for their known qualifications and character, and shall be experts in the departments to which they are especially assigned; the British, Foreign, and Colonial Jurors shall be appointed by the representatives of each country or colony exhibiting. The Jurors for Victoria will be appointed by the Melbourne Commission.

Jurors will be reimbursed their personal expenses.

Reports and awards shall be based upon inherent and comparative merit, the elements of merit being held to include considerations relating to originality, invention, discovery, utility, quality, skill, workmanship, fitness for the purposes intended, adaptation to public wants, economy, and cost.

Each report shall be delivered to the Commission as soon as completed.

Awards shall consist of gold, silver, and bronze medals, and a certificate of honourable mention, together with a special report of the Jurors on the subject of the award.

Each Exhibitor shall have the right to produce and publish the report awarded to him, but the Commission reserves the right to publish and dispose of all reports in the manner it thinks best for public information, and to embody and distribute the reports as records of the Exhibition.

34. Immediately after the close of the Exhibition, exhibitors or their duly appointed agents shall remove their effects and complete such removal by the 1st June, 1881. Goods then remaining will be removed by the Commission, and sold by auction, or otherwise disposed of, under the direction of the Commission, and the net proceeds handed to the Exhibitors or their duly-appointed agents.

35. Every person who becomes an exhibitor thereby acknowledges, and undertakes to observe, the rules and regulations established for the government of the Exhibition.

36. The Commission reserves the right to alter, explain, amend, or add to these regulations whatever may be deemed necessary.

Information upon any question of details can be obtained upon application to

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

L'EXPOSITION INTERNATIONALE DE MELBOURNE, 1880.

Conformément à une Commission émanée sous le grand sceau de la Colonie de Victoria, et avec la coopération du gouvernement impérial de Notre Gracieuse Souveraine la Reine, une Exposition Internationale des Arts, des Manufactures et des Produits Agricoles et Industriels de toutes les Nations, sera ouverte à Melbourne le 1er jour d'Octobre, 1880, et sera close le 31e jour de Mars, 1881.

L'Exposition aura lieu dans des bâtiments érigés spécialement à cet effet aux Carlton Gardens, situés au centre de Melbourne, et les frais d'érection de ces bâtiments ainsi que toutes les dépenses incidentes de l'Exposition seront défrayés par un fonds voté par le Parlement de Victoria.

Les Commissaires sont autorisés à inviter les Gouvernements britanniques, étrangers et coloniaux à prendre part à cette Exposition, et ils seront heureux d'apprendre que des moyens ont été pris pour s'y assurer la représentation de tous les pays et colonies.

Le fait que l'Australie a été représentée à toutes les grandes Expositions du monde, depuis son commencement en l'année 1851, le progrès qu'elle a fait dans l'industrie productive, l'étendue de ses relations commerciales et la haute position à laquelle ses importations et ses exportations sont arrivées, indiquent qu'elle est arrivée au point où elle peut, avec profit, inviter les grands pays manufacturiers à envoyer les produits les plus complets de leur experte industrie à un peuple qui est en position de devenir non seulement une pratique précieuse, mais encore un généreux compétiteur.

1. Demandes pour espace, avec tous les détails, doivent être faites le plus tôt possible. Copies de formes officielles d'entrée peuvent être obtenues en s'adressant au Secrétaire des Commissaires.

2. Excepté sous les circonstances spécifiées dans l'Article 4, demandes pour espace doivent être faites par l'entremise des représentants du pays ou de la colonie auxquels les candidats appartiennent.

3. Les Gouvernements des pays ayant intention de prendre part à cette Exposition, sont requis de donner avis à cet effet d'ici au 1er juin 1879.

4. Si toutefois il n'y avait point de représentants de nommés par le pays ou la colonie où réside celui qui se propose d'exposer, il peut s'adresser directement au Secrétaire de la Commission.

5. Demandes pour espace ne doivent pas être faites après le 30e jour de juin 1879.

6. Si les Gouvernements britanniques, étrangers et coloniaux, ont besoin de plus ou moins d'espace que celui qui leur est offert, ils, ou les commissaires par eux nommés, sont requis d'en informer la Commission de Melbourne, d'ici au 1er jour de janvier 1880, en spécifiant ce qu'il leur en faut. Ils sont aussi requis de dire s'ils auront à exhiber des articles pour lesquels il faudra un espace spécial, et de donner une

description montrant la nature et la qualité de ses articles.

7. Avant le 1er jour de juin 1880, les représentants des pays ou colonies devront fournir des dessins approximatifs montrant la manière de partager l'espace qui leur est assigné, des listes de leurs exposants et autres informations nécessaires à la production du catalogue officiel.

8. Les commissaires représentant les pays ou les colonies, et les exposants particuliers, peuvent adopter un des trois procédés suivants, savoir :

(*a*) Ils peuvent expédier leurs effets par navire directement à Melbourne, et faire eux-mêmes leurs arrangements pour leur chargement, réception et exhibition.

(*b*) Ou consigner leurs effets
"To the Secretary International Exhibition, 1880,
Melbourne, Australia,"
avec les instructions ayant rapport à ce que désiré.

(*c*) Ou, ayant préalablement transmis une entrée à la Commission de Melbourne, ils peuvent expédier les effets, avec envois et descriptions, à n'importe quelles maisons ou compagnies dont les noms suivent :

Londres—Messrs. James McEwan & Co., 27 Lombard-street, ou à Messrs. McIlwraith, McEachran & Co., Leadenhall-street.
Liverpool—Messrs. John Swire & Sons.
Glasgow—Messrs. Aitken, Lilburne & Co.
Anvers—Messrs. Jules Renard & Co.
New-York—Messrs. R. W. Cameron & Co.
San Francisco—Pacific Mail Company.
Tous les ports où la compagnie a des agences—The Peninsular and Oriental Company.

9. Les ballots expédiés des pays et colonies représentés à l'Exhibition devront être adressés—
"To the Commissioner for.....
at the International Exhibition of 1880,
Melbourne,
Victoria,
Australia,"
et avoir deux étiquettes portant le pavillon du pays auquel l'exposant appartient : ou, s'il n'y a pas de représentant de nommé :—
"To the Secretary
International Exhibition of 1880,
Melbourne,
Victoria,
Australia,"
et deux étiquettes, fixées sur deux côtés du ballot, pourvu que ce ne soit point sur deux côtés correspondants, donnant l'information suivante :—(1) Le pays d'où il vient. (2) Le nom ou la maison de l'exposant. (3) La résidence de l'exposant. (4) Le groupe et la classe auxquels les effets appartiennent. (5) Le nombre total des ballots envoyés par le même exposant. (6) Le numéro de la série d'un ballot particulier. Chaque ballot devra renfermer une liste des effets qu'il contient.

Les ballots venant des pays étrangers contenant des effets destinés à l'Exposition devront porter, comme marques distinctives, les lettres M.I.E. entourées d'un cercle (M.I. E)

Les ballots venant des pays étrangers devront tous être marqués de manière à montrer distinctement d'où ils viennent, savoir: avec les couleurs et les devises de leur pavillon national. Les commissaires étrangers sont spécialement requis d'envoyer à la Commission de Melbourne, aussitôt que possible, copies de la forme de l'adresse et des marques distinctives qu'ils ont particulièrement adoptées.

10. Dans les cas où les effets seraient envoyés à Melbourne par l'entremise d'aucun des agents de la commission ci-devant mentionnés, toutes dépenses pour fret, assurance maritime, etc., devront être payées d'avance par l'exposant, mais si cela offrait quelqu'inconvénient, les effets pourraient être expédiés, et les dépenses et le fret seraient payés par les agents. La somme fournie par les agents sera regardée comme première charge à être déduite du produit net de la vente des effets, si toutefois ces effets sont vendus. Si, cependant, tels effets ne sont pas vendus, mais sont réclamés par l'exposant ou son agent autorisé, à la clôture de l'Exposition, alors les sommes déboursées par la commission ou aucun de ses agents devront être payées avant que ces effets soient délivrés.

11. Les entrées de douanes, le transport, la réception, le déballage et l'arrangement des produits à exposer seront, si l'exposant l'exige, entrepris par la commission, au dépens de l'exposant.

12. Des arrangements seront pris pour le transport des effets, du port de Melbourne, ou des différentes stations de chemins de fer, au terrain de l'Exposition, à un prix fixe.

13. Les effets seront admis sans payer de droit. Il ne sera pas permis d'enlever les effets exposés avant la fin de l'Exposition, excepté sous des circonstances spéciales. Des facilités seront données pour la vente des effets, et la livraison en sera faite après la clôture de l'Exposition.

14. La protection des inventions susceptibles d'être patentées ainsi que des dessins, est assurée par les lois de patentes de Victoria.

15. Le placement et l'ajustement des articles pesants, nécessitant des bases particulières, devront être commencés, d'après un arrangement spécial, aussitôt que les progrès de l'ouvrage des bâtiments de l'Exposition le permettront. La réception générale des articles dans les bâtisses de l'Exposition commencera le 1er juin 1880, et aucun article ne sera admis après le 31 août 1880. Les plans pour l'étalage et l'accommodation des objets dont l'érection nécessitera des arrangements spéciaux ou des travaux exceptionnels devront recevoir l'approbation de la commission avant d'être exécutés et le seront sous la surveillance d'agents de la commission. Les préparations spéciales mentionnées précédemment seront commencées aussitôt que les édifices et diverses annexes seront dans un état suffisamment avancé pour le permettre. Les travaux généraux d'aménagement devront être commencés pas plus tard que le 1er mai 1880, et tout devra être prêt pour la réception des effets avant le 15e jour de juillet 1880.

16. L'espace réservé aux pays et colonies, et non occupé le premier jour de septembre, 1880, sera de nouveau à la disposition de la commission, et sera sujet à un nouvel arrangement.

17. Si les effets ne sont pas destinés à la compétition, les exposants devront le mentionner, et ils ne seront point soumis à l'examen des jurés internationaux.

18. Un Catalogue Officiel sera publié en anglais par la commission, qui s'en réservera le droit de vente. Chaque pays et colonie auront cependant le droit de publier à leurs propres frais, mais dans leurs langues seulement, un catalogue spécial des objets qu'ils auront exposés. Aucun ouvrage d'art, ni aucun article que ce soit, exposé dans les édifices, les parcs ou les jardins, ne pourront être dessinés, copiés ou reproduits en aucune manière quelconque, sans la permission de l'exposant. La commission se réserve le droit de permettre la production des vues générales.

19. Les représentants des pays et colonies, quand ils seront nommés, seront libres de grouper leurs effets comme ils le jugeront à propos, dans la partie de la bâtisse de l'Exposition qui sera destinée au pays ou à la colonie qu'ils représentent.

20. Les effets, provenant d'aucun pays ou colonie, dont le gouvernement n'est pas représenté, seront groupés suivant l'ordre des classes suivantes. Le même ordre sera suivi dans le catalogue :—

1. Œuvres d'art.
2. Education et instruction. Appareils et procédés des arts libéraux.
3. Meubles et accessoires.
4. Tissus fabriqués, habillements et accessoires.
5. Produits bruts et manufacturés.
6. Mécanique. Appareils et procédés employés dans les industries mécaniques.
7. Produits alimentaires.
8. Agriculture.
9. Horticulture.
10. Industries minières. Mécanique et produits.

Chacun de ces groupes sera divisé en classes, d'après le système de classification générale annexé aux présents règlements (Annexe.) Cette annexe renferme pour chaque classe une énumération sommaire des objets qui doivent y entrer.

21. Une quantité limitée de vapeur et de pouvoir d'eau seront fournis gratuitement. La quantité qui pourra être fournie à chacun sera réglée définitivement au moment du partage de l'espace. Les Commissaires désirent encourager l'étalage de la mécanique en mouvement, et ils s'efforceront de procurer la force suffisante pour satisfaire toutes demandes raisonnables. Toute force motrice requise par l'exposant, excédant la quantité allouée, sera fournie par la commission à un prix raisonnable. Les demandes pour les surplus de pouvoir moteur devront être réglées avant le 31 août 1880.

22. Le but voulu, en introduisant le pouvoir à vapeur, n'est pas seulement de procurer les moyens de représenter uniquement la mécanique de certaines manufactures, mais de représenter les manufactures elles-mêmes ; et il sera de plus pourvu à un espace dans l'Exposition pour la production d'intéressants objets de travaux manuels.

23. Les exposants devront se procurer, à leurs propres frais, tous vitrages, tablettes, comptoirs, ajustements, etc., dont ils auront besoin ; et tous arbres de couche, poulies, courroies, etc, etc., appropriés à la force motrice dont ils auront besoin ; mais la commission est prête, si on le vent, et en lui fournissant tous les détails, à faire des arrangements pour la construction des vitrages, par contrat à tant du pied cube, le coût devant être à la charge de l'exposant qui s'en servira. Toutes décorations et arrangements artistiques devront être approuvés par la commission.

24. La commission se réserve le droit de ne pas accepter ou de renvoyer tout article proposé pour l'Exposition.

25. Les règlements spéciaux suivants sont réglés pour la réception et l'admission des œuvres d'art. Les œuvres admissibles comprendront les cinq classes ci-après mentionnées :—

1. Peintures.
2. Dessins, aquarelles, dessins au crayon, miniatures, émaux, porcelaine, dessins pour vitraux en verres coloriés (à l'exception de ceux qui représentent simplement des sujets d'ornementation), et l'ouvrage de mosaïque.
3. Sculpture et empreintes, et gravure sur pierres précieuses.
4. Architecture.
5. Gravures et lithographie.

26. Les suivantes sont exclues :—

1. Images ou dessins non encadrés.
2. Sculpture en terre non cuite.

27. Le devoir de décider l'admission des œuvres d'art sera confié à un juré spécial. Des appartements spéciaux convenables seront réservés pour l'exposition de telles anciennes peintures et œuvre d'art admises par le juré spécial. D'autres règlements donneront information pour ce qui a trait à l'envoi et à la réception des œuvres d'art.

28. Des facilités seront données, sur demande faite à la commission, pour l'érection des constructions spéciales, soit à l'intérieur ou à l'extérieur des bâtisses.

29. La commission prendra tout le soin possible des objets exposés, mais ne sera aucunement responsable des dommages ou pertes causés par le feu ou autrement.

30. On facilitera aux représentants des pays et colonies, et aux exposants particuliers, l'assurance de leurs effets ; et ils pourront aussi employer des gardiens pour surveiller leurs effets durant les heures que l'Exposition sera ouverte au public. La nomination de tels gardiens sera soumise à l'approbation de la commission. Ces personnes devront porter un habillement spécial ou une marque distinctive, et il leur sera toujours loisible d'appeler la police à leur aide.

31. Les articles dangereux ou offensifs, de quelque manière que ce soit, ou injurieux à la décence ou à la moralité publique, ne seront pas admis à l'Exposition.

32. La reproduction d'esquisses, dessins, photographies, ou autres articles exhibés, ne sera permise que du consentement mutuel de l'exposant et des commissaires ; mais des vues de parties quelconques de la bâtisse pourront être prises, avec la seule permission de la commission.

33. Voici de quelle manière les jugements seront rendus :—

Les jugements seront fondés sur des rapports écrits, adoptés par les jurés.

Les jurés seront choisis pour leur caractère et leurs qualifications connus, et devront être habiles dans ce qui regarde les départements qui leur seront spécialement assignés ; les jurés britanniques, étrangers et coloniaux seront nommés par les représentants de chaque pays ou colonie qui exhiberont.

Les jurés pour Victoria seront nommés par la Commission de Melbourne.

Les jurés seront remboursés de leurs dépenses particulières.

Les rapports et les jugements seront basés sur le mérite inhérent et relatif présent, en considération ce qui a rapport à l'originalité, l'invention, la découverte, l'utilité, la qualité, l'habileté, la main-d'œuvre, l'à-propos, l'adaptation aux besoins du public, l'économie et le coût des choses.

Chaque rapport sera délivré à la commission aussitôt que complété.

Des médailles d'or, d'argent et de bronze, des certificats de mentions honorables ainsi que des rapports spéciaux des jugements des jurés, se rapportant à la chose jugée, seront offerts en récompenses.

Chaque exposant aura le droit de produire et publier le rapport qui lui sera décerné, mais la commission se réserve le droit de publier et de disposer de tous les rapports de la manière qu'elle jugera être la plus favorable pour l'information du public, et pour rassembler et distribuer les dits rapports comme mémoires de l'Exposition.

34. Immédiatement après la clôture de l'Exposition, les exposants, ou leurs agents reconnus, devront enlever leurs effets—tel enlèvement devra être terminé au 1er juin 1881. Les articles non enlevés à cette date, seront vendus à l'encan ou autrement, sous la direction de la commission, et le prix en provenant remis aux exposants ou à leurs agents reconnus.

35. Toute personne exposant devra se conformer aux règles et règlements établis pour l'administration de l'Exposition.

36. La commission se réserve le droit de changer, d'expliquer, d'amender ou d'amplifier les présents règlements, si elle le juge nécessaire.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

ATTENDU que par l'acte passé dans la 35e année du règne de Sa Majesté intitulé : " Un acte pour amender un acte de la présente session et pour autoriser le Gouverneur en conseil à imposer un droit sur le thé et le café importés des Etats-Unis d'Amérique, dans les cas y mentionnés," il est décrété que si en aucun temps, il était exigé, aux Etats Unis, un

droit plus élevé que celui imposé sur le thé ou le café importé de tout autre pays, alors le Gouverneur en conseil pourra imposer sur le thé ou le café importé des Etats-Unis au Canada un droit égal au droit payable aux Etats-Unis sur le thé ou le café importé du Canada ; pourvu que le thé ou le café importé en Canada de tout autre pays que les Etats-Unis, mais passant en transit dans les Etats-Unis sera franc de droits ; et attendu que le thé et le café importés dans les Etats-Unis du Canada sont frappés d'un droit de dix pour cent *ad valorem*, tandis que le thé et le café importés des pays à l'est du Cap de Bonne-Espérance sont admis en franchise,—

Il a plu à Son Excellence en Conseil, sur la recommandation de l'honorable ministre des Finances, et en vertu de l'autorité susdite, d'ordonner, et il est par les présent ordonné, qu'un droit de dix pour cent sera imposé depuis et après ce second jour d'avril courant, et que ce droit sera prélevé sur le thé et le café importés au Canada des Etats-Unis d'Amérique depuis et après cette date.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Greffier du Sénat.

Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

(Circular.)

DOWNING STREET,
7th March, 1879.

SIR,

With reference to my Circular Despatch of the 24th of April last, enclosing regulations with regard to the interchange of visits between Officers of Her Majesty's Ships, and Governors, Lieutenant-Governors, Administrators, and Presidents of Colonies, I have the honor to state that questions having been raised respecting these regulations, it has been considered desirable to revise them, and I now transmit to you copies of the new rules for insertion in any volumes of the Colonial Regulations in use in the Colony under your Government.

2. You will observe that under the new regulations provision has been made for paying and returning visits in certain cases by deputy, and that it is provided that Officers acting temporarily in higher civil offices or commands are, in respect to visits, to be upon the same footing as if they were confirmed in such offices or commrands.

3. The Lords Commissioners of the Admiralty have stated in reply to a reference made to them on the subjects that the words "in command" in the regulations are used to designate all Officers who may be in command of any of Her Majesty's Ships, and are not intended to mean the Senior only of the Officers in command of vessels when two or more are present in Port at the same time.

I have the honour to be,
Sir,
Your most obedient, humble servant,

M. E. HICKS BEACH.

The officer administering
the Government of Canada.

4.— Return visits are to be paid within 24 hours, and in person, to all Flag Officers, Commodores, Lieutenant-Governors, Administrators, and Presidents ; but by an Aide-de-Camp or other Officer deputed by the Governor, Lieutenant-Governor, Administrator, or President, as the case may be, to all other Naval Officers.

5.—Should the Governor or any other Officer administering the Government of a Colony find that from indisposition or pressure of important business he is unable to pay or return these visits in person, he will depute his Aide-de-Camp or some other Officer to do so. In like manner should a Flag Officer or Commodore from indisposition or pressing occupation be precluded from paying or returning these visits, he will depute his Flag Lieutenant, or other Officer not below that rank, to do so. In each case the Officer failing to pay the required visit in person will report the circumstance, and assign the reasons which led to the omission, to the Department under which he is acting.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

7 mars 1879.

MONSIEUR,

Comme suite à ma dépêche circulaire en date du 24 avril dernier, renfermant des règlements au sujet de l'échange de visites entre les officiers des navires de Sa Majesté et les gouverneurs, lieutenants-gouverneurs, administrateurs et présidents de colonies, j'ai l'honneur de vous informer que des objections ayant été soulevées au sujet de ces règlements, on a cru désirable de les réviser, et je vous transmets maintenant des copies des nouveaux règlements pour être insérés dans les documents officiels, destinés aux règlements coloniaux, dans la colonie sous votre gouvernement.

2. Vous remarquerez qu'il a été pourvu par les règlements que les visites pourraient se faire ou se rendre par député, dans certains cas, et que les officiers qui occupent temporairement les plus hautes fonctions civiles ou ont des commandements sont sujets aux mêmes règlements, quant aux visites, que s'ils étaient confirmés dans telles fonctions ou commandements.

3. Les lords commissaires de l'amirauté ayant été consultés sur le sujet, ont répondu que les mots " en commandement " dans les règlements, doivent désigner tous les officiers qui pourront avoir le commandement d'aucun des navires de Sa Majesté, et ne doivent pas s'appliquer seulement au plus ancien des

officiers en commandement de navires quand deux ou trois se trouvent dans le port en même temps.

J'ai l'honneur d'être, monsieur,
Votre très humble et obéissant serviteur,

M. E. HICKS BEACH.

L'officier administrant
le gouvernement du Canada.

CHAPITRE XIX.

ECHANGE de visites entre les officiers des navires de Sa Majesté et les gouverneurs, lieutenants-gouverneurs, administrateurs et présidents de colonies.

§ 431. 1. Un gouverneur doit recevoir la première visite de tous les officiers de la marine en commandement.

2. Un lieutenant-gouverneur doit faire la première visite à un chef d'escadre ou à un commodore de première classe, étant un commandant en chef, mais il devra recevoir la visite de tous les autres officiers.

3. Un administrateur ou président doit faire la première visite à tous les chefs d'escadre ou commodores, mais il devra recevoir la première visite de tous les autres officiers.

4. Les visites doivent être rendues dans 24 heures, et en personne, à tous les chefs d'escadre, commodores, lieutenants-gouverneurs, administrateurs et présidents ; mais par un aide-de-camp ou autre officier député par le gouverneur, le lieutenant-gouverneur, l'administrateur ou le président, suivant le cas, à tous les autres officiers de marine.

5. Si le gouverneur ou tout autre officier administrant le gouvernement d'une colonie est, pour cause d'indisposition ou d'occupations pressantes, incapable de faire ou rendre ces visites en personne, il délèguera son aide-de-camp ou un autre officier dans ce but. De même si un chef d'escadre ou un commodore est incapable pour cause d'indisposition ou d'occupations pressantes de faire ou rendre ces visites, il délèguera son lieutenant d'escadre, ou un autre officier n'ayant pas un grade inférieur pour cette fin. Dans chaque cas, l'officier qui n'aura pas fait la visite requise en personne devra faire rapport du fait et faire connaître la cause qui l'a empêché de faire cette visite au département dont il dépend.

6. Les officiers occupant temporairement de hautes fonctions civiles ou des commandements sont sujets aux mêmes règlements, quant aux visites, que s'ils étaient confirmés dans leurs fonctions ou commandements.

7. Les officiers de marine les plus anciens feront préparer, quand cela sera nécessaire, des chaloupes convenables pour permettre aux gouverneurs, etc., de faire des visites officielles à bord de leurs navires, puis pour les reconduire sur terre quand ils en auront témoigné le désir. 42–2

ORDRES EN CONSEIL.

HOTEL DU GOUVERNEMENT, OTTAWA,
Mercredi, 2 avril 1879.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

ATTENDU que par l'acte passé dans la 35e année du règne de Sa Majesté intitulé : " Un acte pour amender un acte de la présente session et pour autoriser le Gouverneur en conseil à imposer un droit sur le thé et le café importés des Etats-Unis d'Amérique, dans les cas y mentionnés," il est décrété que si en aucun temps, il était exigé, aux Etats Unis, un droit plus élevé que celui imposé sur le thé ou le café importé de tout autre pays, alors le Gouverneur en conseil pourra imposer sur le thé ou le café importé des Etats-Unis au Canada un droit égal au droit payable aux Etats-Unis sur le thé ou le café importé du Canada ; pourvu que le thé ou le café importé en Canada de tout autre pays que les Etats-Unis, mais passant en transit dans les Etats-Unis sera franc de droits ; et attendu que le thé et le café importés dans les Etats-Unis du Canada sont frappés d'un droit de dix pour cent *ad valorem*, tandis que le thé et le café importés des pays à l'est du Cap de Bonne-Espérance sont admis en franchise,—

Il a plu à Son Excellence en Conseil, sur la recommandation de l'honorable ministre des Finances, et en vertu de l'autorité susdite, d'ordonner, et il est par les présent ordonné, qu'un droit de dix pour cent sera imposé depuis et après ce second jour d'avril courant, et que ce droit sera prélevé sur le thé et le café importés au Canada des Etats-Unis d'Amérique depuis et après cette date.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation ; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu ; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

(Circular.)

Downing Street,
7th March, 1879.

Sir,

With reference to my Circular Despatch of the 24th of April last, enclosing regulations with regard to the interchange of visits between Officers of Her Majesty's Ships, and Governors, Lieutenant-Governors, Administrators, and Presidents of Colonies, I have the honor to state that questions having been raised respecting these regulations, it has been considered desirable to revise them, and I now transmit to you copies of the new rules for insertion in any volumes of the Colonial Regulations in use in the Colony under your Government.

2. You will observe that under the new regulations provision has been made for paying and returning visits in certain cases by deputy, and that it is provided that Officers acting temporarily in higher civil offices or commands are, in respect to visits, to be upon the same footing as if they were confirmed in such offices or commands.

3. The Lords Commissioners of the Admiralty have stated in reply to a reference made to them on the subjects that the words "in command" in the regulations are used to designate all Officers who may be in command of any of Her Majesty's Ships, and are not intended to mean the Senior only of the Officers in command of vessels when two or more are present in Port at the same time.

I have the honour to be,
Sir,
Your most obedient, humble servant,

M. E. HICKS BEACH.

The officer administering
the Government of Canada.

CHAPTER XIX.

4.—Return visits are to be paid within 24 hours, and in person, to all Flag Officers, Commodores, Lieutenant-Governors, Administrators, and Presidents; but by an Aide-de-Camp or other Officer deputed by the Governor, Lieutenant-Governor, Administrator, or President, as the case may be, to all other Naval Officers.

5.—Should the Governor or any other Officer administering the Government of a Colony find that from indisposition or pressure of important business he is unable to pay or return these visits in person, he will depute his Aide-de-Camp or some other Officer to do so. In like manner should a Flag Officer or Commodore from indisposition or pressing occupation be precluded from paying or returning these visits, he will depute his Flag Lieutenant, or other Officer not below that rank, to do so. In each case the Officer failing to pay the required visit in person will report the circumstance, and assign the reasons which led to the omission, to the Department under which he is acting.

6.—Officers acting temporarily in higher civil offices or commands are in respect to these visits to be upon the same footing as if they were confirmed in such offices or commands.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette,* and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

(Circulaire.)

Downing Street,
7 mars 1879.

Monsieur,

Comme suite à ma dépêche circulaire en date du 24 avril dernier, renfermant des règlements au sujet de l'échange de visites entre les officiers des navires de Sa Majesté et les gouverneurs, lieutenants-gouverneurs, administrateurs et présidents de colonies, j'ai l'honneur de vous informer que des objections ayant été soulevées au sujet de ces règlements, on a cru désirable de les réviser, et je vous transmets maintenant des copies des nouveaux règlements pour être insérés dans les documents officiels, destinés aux règlements coloniaux, dans la colonie sous votre gouvernement.

2. Vous remarquerez qu'il a été pourvu par les règlements que les visites pourraient se faire ou se rendre par député, dans certains cas, et que les officiers qui occupent temporairement les plus hautes fonctions civiles ou ont des commandements sont

sujets aux mêmes règlements, quant aux visites, que s'ils étaient confirmés dans telles fonctions ou commandements.

3. Les lords commissaires de l'amirauté ayant été consultés sur le sujet, ont répondu que les mots "en commandement" dans les règlements, doivent désigner tous les officiers qui pourront avoir le commandement d'aucun des navires de Sa Majesté, et ne doivent pas s'appliquer seulement au plus ancien des officiers en commandement de navires quand deux ou trois se trouvent dans le port en même temps.

J'ai l'honneur d'être, monsieur,
Votre très humble et obéissant serviteur,

M. E. HICKS BEACH.

L'officier administrant
le gouvernement du Canada.

CHAPITRE XIX.

ECHANGE de visites entre les officiers des navires de Sa Majesté et les gouverneurs, lieutenants-gouverneurs, administrateurs et présidents de colonies.

§ 431. 1. Un gouverneur doit recevoir la première visite de tous les officiers de la marine en commandement.

2. Un lieutenant-gouverneur doit faire la première visite à un chef d'escadre ou à un commodore de première classe, étant un commandant en chef, mais il devra recevoir la visite de tous les autres officiers.

3. Un administrateur ou président doit faire la première visite à tous les chefs d'escadre ou commodores, mais il devra recevoir la première visite de tous les autres officiers.

4. Les visites doivent être rendues dans 24 heures, et en personne, à tous les chefs d'escadre, commodores, lieutenants-gouverneurs, administrateurs et présidents ; mais par un aide-de-camp ou autre officier député par le gouverneur, le lieutenant-gouverneur, l'administrateur ou le président, suivant le cas, à tous les autres officiers de marine.

5. Si le gouverneur ou tout autre officier administrant le gouvernement d'une colonie est, pour cause d'indisposition ou d'occupations pressantes, incapable de faire ou rendre ces visites en personne, il délèguera son aide-de-camp ou un autre officier dans ce but. De même si un chef d'escadre ou un commodore est incapable pour cause d'indisposition ou d'occupations pressantes de faire ou rendre ces visites, il délèguera son lieutenant d'escadre, ou un autre officier n'ayant pas un grade inférieur pour cette fin. Dans chaque cas, l'officier qui n'aura pas fait la visite requise en personne devra faire rapport du fait et faire connaître la cause qui l'a empêché de faire cette visite au département dont il dépend.

6. Les officiers occupant temporairement de hautes fonctions civiles ou des commandements sont sujets aux mêmes règlements, quant aux visites, que s'ils étaient confirmés dans leurs fonctions ou commandements.

7. Les officiers de marine les plus anciens feront préparer, quand cela sera nécessaire, des chaloupes convenables pour permettre aux gouverneurs, etc., de faire des visites officielles à bord de leurs navires, puis pour les reconduire sur terre quand ils en auront témoigné le désir. 42–2

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Extract from The London Gazette of Friday, February 28, 1879.

—

At the Court at Windsor, the 22nd day of February, 1879.

PRESENT,

The Queen's Most Excellent Majesty in Council.

WHEREAS by the Extradition Acts of 1870 and 1873, it was amongst other things enacted, that where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply

in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient:

And whereas a Treaty was concluded on the thirty-first day of March, one thousand eight hundred and seventy-four, between Her Majesty and the Swiss Confederation, for the Mutual Extradition of Fugitive Criminals, which Treaty is in the terms following:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Swiss Confederation, having judged it expedient, with a view to the better administration of justice and to the prevention of crime within their respective territories and jurisdictions, that persons charged with, or convicted of, the crimes hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say:

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Alfred Guthrie Graham Bonar, Esquire, Her Envoy Extraordinary and Minister Plenipotentiary to the Swiss Confederation;

And the Federal Council of the Swiss Confederation, Joseph Martin Knusel, Member of the Swiss Federal Council;

Who, after having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following Articles:—

ARTICLE I.

The High Contracting Parties engage to deliver up to each other those persons who, being accused or convicted of a crime committed in the territory of the one Party, shall be found within the territory of the other Party under the circumstances and conditions stated in the present Treaty.

ARTICLE II.

The crimes for which the extradition is to be granted are the following:—

(1.) Murder (including infanticide) and attempt to murder.
(2.) Manslaughter.
(3.) Counterfeiting or altering money, uttering or bringing into circulation counterfeit or altered money.
(4.) Forgery, or counterfeiting, or altering, or uttering what is forged, or counterfeited, or altered; comprehending the crimes designated in the Penal Codes of either State as counterfeiting or falsification of paper money, bank-notes, or other securities, forgery or other falsification of other public or private documents, likewise the uttering or bringing into circulation, or wilfully using such counterfeited, forged, or falsified papers.
(5.) Embezzlement or larceny.
(6.) Obtaining money or goods by false pretences.
(7.) Crimes against bankruptcy law.
(8.) Fraud committed by a bailee, banker, agent, factor, trustee, or director, or member or public officer of any Company made criminal by any law for the time being in force.
(9.) Rape.
(10.) Abduction of minors.
(11.) Child stealing or kidnapping.
(12.) False imprisonment.
(13.) Burglary, or housebreaking, with criminal intent.
(14.) Arson.
(15.) Robbery with violence.
(16.) Threats by letter or otherwise with intend to extort.
(17.) Perjury or subornation of perjury.
(18.) Malicious injury to property, if the offence be indictable.

The extradition is also to take place for participation in any of the aforesaid crimes, as an accessory before or after the fact.

ARTICLE III.

No Swiss shall be delivered up by Switzerland to the Government of the United Kingdom; and no subject of the United Kingdom shall be delivered up by the Government thereof to Switzerland.

ARTICLE IV.

The extradition shall not take place if the person claimed on the part of the Government of the United Kingdom, or the person claimed on the part of the Swiss Government, has already been tried and discharged or punished, or is still under trial, in one of the Swiss Cantons or in the United Kingdom respectively, for the crime for which his extradition is demanded.

If the person claimed on the part of the Government of the United Kingdom, or if the person claimed on the part of the Swiss Government, should be under examination, or have been condemned for any other crime, in one of the Swiss Cantons or in the United Kingdom respectively, his extradition may be deferred until he shall have been set at liberty in due course of law.

In case such individual should be proceeded against or detained in the country in which he has taken refuge, on account of obligations contracted towards private individuals, his extradition shall, nevertheless, take place; the injured party retaining his right to prosecute his claims before the competent authority.

ARTICLE V.

The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution, or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

ARTICLE VI.

If the individual claimed by one of the two Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes committed upon their respective territories, his surrender shall be granted to that State whose demand is earliest in date; unless any other arrangement should be made between the Governments which have claimed him, either on account of the gravity of the crimes committed, or for any other reason.

ARTICLE VII.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or is connected with a crime of that nature, or if he prove that the requisition for his surrender has, in fact, been made with a view to try and punish him for an offence of a political character.

ARTICLE VIII.

A person surrendered can in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters than those for which the extradition shall have taken place.

This stipulation does not apply to crimes committed after the extradition.

ARTICLE IX.

The requisition for extradition must always be made by the way of diplomacy, and to wit, in Switzerland by the British Minister to the President of the Confederation, and in the United Kingdom to the Secretary of State for Foreign Affairs by the Consul-General of Switzerland, who, for the purposes of this Treaty, is hereby recognized by Her Majesty as a Diplomatic Representative of Switzerland.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A requisition for extradition cannot be founded on sentences passed *in contumaciam*.

ARTICLE X.

A fugitive criminal may, however, be apprehended under a warrant issued by any police magistrate, justice of the peace, or other competent authority, in either country, on such information or complaint, together with such evidence or after such judicial proceedings as would in the opinion of the officer issuing the warrant justify its issue, if the crime had been committed in that part of the dominions of the two Contracting Parties in which he exercices jurisdiction. Provided, however, that in the United Kingdom the accused shall in such case be sent as speedily as possible before a police magistrate in London. Such requisition may be made by means of the post or by telegraph.

The accused shall, however, be discharged if, within such reasonable time as, with reference to the circumstances of the case, the police magistrate may fix, the requisition shall not have been made according to the stipulations contained in Article IX.

ARTICLE XI.

The extradition shall not take place before the expiration of fifteen days from the apprehension, and then only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial in case the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition.

ARTICLE XII.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as entirely valid evidence the sworn depositions or statement of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, provided such documents are signed or certified by a Judge, Magistrate, or Officer of such State, and are authenticated by the oath of some witness, or by being sealed with the official seal of a British Secretary of State, or of the Chancellor of the Swiss Confederation.

ARTICLE XIII.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, he shall be set at liberty.

ARTICLE XIV.

All articles seized, which were in the possession of the person to be surrendered at the time of his apprehension, shall, if the competent authority of State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XV.

The Contracting Parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance to the frontiers of the State from which he is required; they reciprocally agree to bear such expenses themselves.

ARTICLE XVI.

The stipulations of the present treaty shall be applicable to the Colonies and foreign Possessions of Her Britannic Majesty.

The requisition for the arrest and surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign Possessions shall be made through the Swiss Consul General in London to the Secretary of State for Foreign Affairs, who shall proceed in conformity with the provisions of the present Treaty and the laws of the land.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign Possessions for the surrender of such individuals as shall have committed in Switzerland any of the crimes hereinafore mentioned, who may take refuge within such Colonies and foreign Possessions, on the basis as nearly as may be, of the provisions of the present Treaty.

The requisition for the surrender of a fugitive criminal from any Colony or foreign Possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVII.

The present Treaty shall come into force ten days after its publication in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties, but shall remain in force for six months after notice has been given for its termination.

The Treaty shall be ratified, and the ratifications shall be exchanged at Berne in four weeks, or sooner if possible.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

Done at Berne, the thirty-first day of March, in the year of our Lord one thousand eight hundred and seventy-four.

(L.S.) A. G. G. BONAR.
(L.S.) J. M. KNUSEL.

And whereas a Protocol amending Article XVI of the aforesaid Treaty was signed by the Plenipotentiaries of Her Majesty and of the Swiss Confederation on the twenty-eighth day of November, one thousand eight hundred and seventy-four, which Protocol is in the following terms :—

The undersigned Plenipotentiaries of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland and the Federal Council of the Swiss Confederation, having met in Conference, have taken into their consideration the following subject :—

They have directed their attention to the fact that the second paragraph of the XVIth Article of the Treaty, which stipulates that the requisition for the arrest of a fugitive criminal who has taken refuge in any of the Colonies or foreign possessions of Her Britannic Majesty shall be made through the Swiss Consul-General in London to the Secretary of State for Foreign Affairs, was not in accordance with the law of England, and they have consequently resolved

to declare that the second paragraph of hat Article beginning :

"The requisition for the arrest," and concluding with, "and the laws of the land," shall be null and void, and in lieu thereof the following words shall be substituted :

"The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions shall be made to the Governor or to the Supreme Authority of such Colony or Possessions through the Swiss Consul, or, in case there should be no Swiss Consul, through the Consular Agent of another State charged for the occasion with the Swiss interests in the Colony or Possession in question.

"The Governor or Supreme Authority above mentioned shall decide with regard to such requisitions as nearly as possible in accordance with the provisions of the present Treaty. He will, however, be at liberty either to consent to the extradition or report the case to his Government."

The other provisions of Article XVI remain in force as they have been agreed upon in the Treaty.

This Protocol shall be regarded and acted upon as forming part of the Treaty in question.

In witness whereof the undersigned have signed this Protocol, and have hereunto affixed their seals.

Done in duplicate at Berne, the twenty-eighth day of November, in the year of Grace, one thousand eight hundred and seventy-four.

The Plenipotentiary of Great Britain,
(L.S.) EDWIN COBBETT.

And whereas the ratifications of the said Treaty and Protocal were exchanged at Berne on the thirty-first day of December, one thousand eight hundred and seventy-four :

And whereas under and by virtue of the powers in and by the 17th Article of the said Treaty reserved and contained, the Swiss Confederation did, on the twenty second day of December, one thousand eight hundred and seventy-seven, give notice to Her Majesty's Government of the termination of the said Treaty, subject to the provisions in the said Article contained that the same should remain in force for six months after notice should be given for its termination.

And whereas on the nineteenth day of June, one thousand eight hundred and seventy-eight, a Convention was entered into between Great Britain and Switzerland in the terms following :—

The Swiss Federal Council having, by a note of the 22nd December, 1877, denounced the Extradition Treaty of the 31st March, 1874, which exists between the United Kingdom of Great Britain and Ireland and the Swiss Confederation, and a new Extradition Treaty not having as yet been concluded, the High Contracting Parties, being desirous of prolonging the duration of the Treaty now in force, have named as their Plenipotentiaries for this purpose :

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Sir Horace Rumbold, Baronet, Her Majesty's Minister Resident to the Swiss Confederation : and

The Federal Council of the Swiss Confederation M. le Conseiller Fédéral Fridolin Anderwert, Chief of the Federal Department of Justice and Police ;

Who, after having communicated to each other their full powers, found in good and due form, have concluded the following Convention :—

The duration of the Treaty of the 31st March, 1874, between the United Kingdom of Great Britain and Ireland and the Swiss Confederation is prolonged for six months, to date from the 22nd June, 1878.

Done at Berne, this nineteenth day of June, one thousand eight hundred and seventy-eight.

The Plenipotentiary of the United Kingdom
of Great Britain and Ireland.
(Signed) HORACE RUMBOLD.

The Plenipotentiary of Switzerland.
(Signed) ANDERWERT.

And whereas on the thirteenth day of December, one thousand eight hundred and seventy-eight, a further Convention was entered into between Great Britain and Switzerland in the terms following :—

The Swiss Federal Council having, by a note of the 22nd December, 1877, denounced the Extradition Treaty of the 31st March, 1874, which exists between the United Kingdom of Great Britain and Ireland and the Swiss Confederation, and a new Extradition Treaty not having as yet been concluded, the High Contracting Parties, being desirous of prolonging the duration of the Treaty now in force, have named as their Plenipotentiaries for this purpose :

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Sir Horace Rumbold, Baronet, Her Majesty's Minister Resident to the Swiss Confederation ; and

The Federal Council of the Swiss Confederation, M. le Conseiller Fédéral Fridolin Anderwert, Chief of the Federal Department of Justice and Police ;

Who, after having communicated to each other their full powers, found in good and due form, have concluded the following Convention :—

The duration of the Treaty of the 31st March, 1874, between the United Kingdom of Great Britain and Ireland and the Swiss Confederation is prolonged for twelve months, to date from the 22nd December, 1878.

NOTICE TO MARINERS.

No. 6 of 1879.

LIGHTS BETWEEN QUEBEC AND MONTREAL.

NOTICE is hereby given, that the improvements recently made and now in progress by the Harbour Commissioners of Montreal, in the channel of the River St. Lawrence, between Quebec and Montreal, necessitate numerous changes in the system of lights, which will be altered by the Government of Canada to show the new 25-foot dredged channel.

Due notice will be given of these changes as they are carried out. The following will be completed before the opening of navigation:

1. GRONDINES.

The present lights will be discontinued, and a new range, to be known as the "Grondines Upper Range Lights," established in the line of the present upper beacons.

The front light will be on low ground, south of the main road, about 3 miles west from Grondines Church.

Lat. N. 46° 35' 27".
Long. W. 72° 5' 53".

It will be a fixed white catoptric light, elevated 25 feet above water-mark, and will be visible in a N. E. by easterly direction 5 miles.

The building is square, standing on a framed platform, and surmounted by a rectangular wooden lantern. The whole is painted white, with a vertical stripe of red running down the middle of the side facing the channel.

The back light will be immediately north of the main road, on high ground, close to the present front beacon, distant N. E. by E. $\frac{1}{4}$ E 3,040 feet from the front light.

Until the completion of a tower, a fixed white catoptric light will be exhibited from a pole. It will be elevated 57 feet above water, and will be visible 6 miles.

On the completion of the building, the beacons will be removed, of which notice will be published.

In going up the river, these lights should be brought into line after passing over the Cap la Roche shoal, and kept in range until the new Batiscan lights are brought into line.

2. BATISCAN.

The present lights will be moved a short distance to the north-east, in line with a new dredged channel through the St. Anne shoals.

The front light will be about 600 feet from the shore, close to the S. E. side of the main road, and about 1,300 feet N. N. E. from its previous position.

Lat. N. 46° 30' 35"
Long. W. 72° 15' 0"

The structure is an octagonal lantern, standing on a square platform; height from ground to vane on lantern 18 feet. The light will be 20 feet above water-mark, and should be seen, in a west by southerly direction, 4 miles.

The back light will be 2,050 feet W. by S. $\frac{1}{4}$ S. from the front one, and elevated 42 feet above water-mark. It should be seen in the same direction and from the same distance as the front one.

These lights kept in line, from their intersection with the Grondines Upper Range, lead to the wide part of the channel on the north shore, clear of the St. Anne shoals.

3. ST. PIERRE LES BECQUETS.

The improvements in the channel having rendered this light useless, it will be discontinued.

4. PORT ST. FRANCIS.

The front tower will be moved 9 feet to the south, so as to make the line of range off Batture à Fer about 150 feet farther to the south than at present.

The front light will be, as at present, in an octagonal lantern, on a low pier by the side of the road to the wharf.

Lat. N. 46° 16' 17"
Long. W. 72° 37' 16"

Height from ground to lantern vane 18 feet; height of light above water 14 feet; distance visible 4 miles.

The back tower is a square open frame, standing on a pier and surmounted by an octagonal lantern. It is distant E. by N. ¼ N. 550 feet from the front light. The light is visible 4 miles.

5. LAKE ST. PETER LIGHTSHIPS.

All three lightships will be moored at the points of intersection of the middle lines of the channels they respectively mark, as follows:

Lightship No. 3—	Lat.	N.	46°	15'	55".
	Long.	W.	72°	42'	15".
Lightship No. 2—	Lat.	N.	46°	11'	26".
	Long.	W.	72°	54'	12".
Lightship No. 1—	Lat.	N.	46°	9'	37".
	Long.	W.	72°	56'	54".

6. ISLE ST. THÉRÈSE UPPER RANGE.

This range will be moved easterly in line with the new dredged channel off Point aux Trembles.

The front light will be in an octagonal lantern close to the shore.

Lat. N. 45° 40' 20"
Long. W. 73° 28' 0"

The lantern is 13 feet high to vane; the light elevated 13 feet above water-mark.

The back light will be N. E. by N. 1,200 feet from the front one, and until a tower is completed, of which notice will be published, the light will be exhibited from a pole and elevated 33 feet above water-mark.

Both lights will be fixed white catoptric, visible from the line of range 3 miles.

This range, kept in line from its intersection with the line of the Point aux Trembles lights, will lead through the deepened channel to the wide channel above Point aux Trembles.

7. POINTE AUX TREMBLES.

To render these towers conspicuous as day beacons, a vertical red stripe will be painted down the middle of that side of each which faces the channel.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

Monsieur,

Comme suite à la dépêche circulaire de Lord Carnarvon en date du 16 janvier 1878, j'ai l'honneur de vous transmettre, pour être publiée dans la colonie sous votre gouvernement, une copie d'une lettre du bureau des affaires étrangères, renfermant une copie d'un ordre du Conseil, daté du 22 février 1870, pour mettre en vigueur le traité, le protocole et les deux conventions entre la Grande-Bretagne et la Confédération Suisse, pour l'extradition mutuelle des malfaiteurs fugitifs, signés respectivement le 31 mars, 1874, le 28 novembre 1874, le 10 juin 1878 et le 13 décembre 1878.

J'ai l'honneur d'être,
Monsieur,
Votre très obéissant et humble serviteur,

M. E. HICKS BEACH.

L'officier administrant
le gouvernement du Canada.

Extrait de la Gazette de Londres, de vendredi, le 28 février 1879.

—

A la Cour à Windsor, le 22 février 1879.

PRÉSENT:

Sa Très Excellente Majesté la Reine en Conseil.

ATTENDU que par les actes concernant l'extradition, passés en 1870 et 1873, il a été entre autre chose décrété que, quant une convention a été faite avec un Etat étranger concernant la remise à tel Etat de tout accusé fugitif, Sa Majesté peut, par un ordre en conseil, décider que ses actes s'appliquent à tel Etat étranger; et que Sa Majesté peut, par le même ordre ou un ordre subséquent, limiter l'application de l'ordre, et le restreindre aux criminels fugitifs qui se trouvent ou qui sont soupçonnés se trouver dans la partie des domaines de Sa Majesté spécifiée dans l'ordre, et en rendre l'application

sujette à telles conditions, exceptions et considérations qu'elle pourra juger désirables.

Et attendu qu'un traité a été conclu le vingt et un mars mil huit cent soixante-quatorze entre Sa Majesté et la Confédération Suisse pour l'extradition mutuelle des fugitifs, lequel traité est conçu dans les termes suivants :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et de l'Irlande, et la Confédération Suisse ont jugé qu'il était désirable, dans le but de mieux administrer la justice et d'assurer la répression des crimes, dans leurs territoires et juridictions respectives, que les personnes prévenues ou convaincues des crimes ci-après énumérés, et ayant voulu échapper à la vindicte des lois, fussent, dans certaines circonstances, extradées réciproquement, et elles ont résolu de conclure le présent traité, et elles ont nommé leurs plénipotentiaires, savoir :

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et de l'Irlande, Alfred Guthrie Graham Bonar, écuier, son envoyé extraordinaire et ministre plénipotentiaire de la Confédération Suisse ;

Et le Conseil de la Confédération Suisse, Joseph Martin Knüsel, membre du Conseil Fédéral Suisse.

Lesquels, après s'être communiqués leurs plains pouvoirs respectifs, trouvés en bonne et due forme, sont convenus des articles suivants : —

ARTICLE I.

Les hautes parties contractantes s'engagent à livrer, dans les circonstances et aux conditions stipulées dans le présent traité, tous individus prévenus ou convaincus d'un crime commis dans le territoire de l'une d'elles, et qui seront trouvés dans le territoire de l'autre.

ARTICLE II.

Les crimes à raison desquels l'extradition devra être réciproquement accordée sont :

1. Le meurtre (comprenant l'assassinat, le parricide, l'infanticide, l'empoisonnement ou tentative de meurtre).
2. L'homicide.
3. La falsification ou la contrefaçon de monnaies, ou la mise en circulation de monnaies contrefaites ou falsifiées ;
4. La fabrication ou la falsification ou la contrefaçon, ou l'émission de monnaies fabriquées, contrefaites ou falsifiées, y compris les crimes énumérés dans le code fédéral de l'un ou l'autre Etat, tels que la contrefaçon ou la falsification de monnaie, billets de banque ou autres valeurs, fabrication ou autre falsification de documents publics ou privés, ainsi que l'émission ou la mise en circulation, ou l'emploi prémédité de tels documents contrefaits, forgés ou falsifiés.
5. Malversation ou vol.
6. Obtention d'argent ou de marchandises sous de faux prétextes.
7. Banqueroute frauduleuse et fraude dans les faillites.
8. Fraude par un dépositaire, banquier, agent, facteur, syndic, directeur, membre ou officier public d'une compagnie, déclarée criminelle par la loi alors existante.
9. Viol.
10. Enlèvement de mineurs.
11. Vol d'enfants ou enlèvement.
12. Faux emprisonnement.
13. Vol fait avec effraction ou bris de maison avec intentions criminelles.
14. L'incendie.
15. Vol avec violence.
16. Menaces par lettres ou autrement dans le but d'extorquer de l'argent.
17. Parjure ou subornation de parjure.
18. Les attentats contre la propriété ; s'ils sont punissables de peine criminelle.

L'extradition sera aussi accordée pour participation à aucun de ces crimes, comme étant connexes avant ou après la perpétration.

ARTICLE III.

Aucun Suisse ne sera livré par la Suisse au Gouvernement du Royaume-Uni, et aucun sujet du Royaume Uni ne sera livré par le gouvernement de ce pays à la Suisse.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le Gouvernement du Royaume-Uni, ou l'individu réclamé par le Gouvernement Suisse, a déjà subi son procès, et a été libéré ou puni ; ou s'il est en voie de subir son procès, dans l'un des Cantons Suisses ou dans le Royaume-Uni respectivement, pour le crime pour lequel son extradition est demandée.

Si l'individu réclamé par le Gouvernement du Royaume-Uni, ou par le Gouvernement Suisse, est poursuivi, ou s'il a été convaincu d'un crime ou délit commis dans l'un des Cantons Suisses ou dans le Royaume-Uni respectivement, son extradition pourra être différée jusqu'à ce qu'il ait été élargi suivant le cours ordinaire de la loi.

Dans le cas où tel individu ne serait pas poursuivi ou détenu dans le pays, où il s'est réfugié, à cause des obligations contractées envers des particuliers, l'extradition aura lieu cependant ; la partie lésée conservant son droit de soumettre ses réclamations à l'autorité compétente.

ARTICLE V.

L'extradition ne pourra avoir lieu si, depuis la perpétration des actes dont il est accusé, l'accusation ou la condamnation, l'exemption de poursuite ou de punition a été acquise par le laps de temps écoulé conformément aux lois de ce pays.

ARTICLE VI.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en vertu du présent traité, est aussi réclamé par un ou plusieurs autres pays, à raison de crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat qui a fait la première demande, à moins qu'il n'ait été pris quelqu'autre mesure entre les différents gouvernements pour déterminer la préférence, soit à cause de la gravité du crime ou délit, ou pour toute autre raison.

ARTICLE VII.

Un malfaiteur fugitif ne sera pas livré si le délit au sujet duquel son extradition est demandée, est d'un caractère politique, ou s'il se rattache à un crime de ce genre, ou s'il prouve, à la satisfaction de l'autorité compétente de l'Etat dans lequel il est, que la demande de son extradition a été faite dans le but de la poursuivre ou de la punir pour un délit politique.

ARTICLE VIII.

Un individu extradé ne pourra être tenu en prison ou ne pourra subir son procès dans l'Etat auquel il a été remis pour d'autre crime ou sur d'autres accusations que celles pour lesquelles l'extradition aura été accordée.

Cette stipulation ne s'applique pas aux crimes commis après l'extradition.

ARTICLE IX.

La demande d'extradition devra toujours être faite par voie diplomatique, à savoir, en Suisse, par le ministre anglais près le Président de la Confédération ; dans le Royaume Uni, elle devra être faite au secrétaire d'Etat pour le département des affaires étrangères par le consul-général de la Suisse, qui, pour les fins de ce traité, est par les présentes reconnu par Sa Majesté comme un représentant diplomatique de la Suisse.

La demande d'extradition d'un individu accusé doit être accompagnée d'un mandat d'arrestation décerné par l'autorité compétente de l'Etat demandant l'extradition, et de telles preuves, qui, d'après les lois du pays où le prévenu est arrêté,—justifieraient son appréhension si le crime y avait été commis.

Si la demande se rapporte à un individu déjà condamné, elle devra être accompagnée de l'arrêt de condamnation porté contre la personne condamnée par le tribunal compétent de l'Etat, qui fait la demande d'extradition.

Une demande d'extradition ne saurait être basée sur des *arrêts de contumace.*

ARTICLE X.

Un malfaiteur fugitif pourra être appréhendé sur un mandat décerné par un magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle déclaration ou plainte, et sur telle preuve, ou après telles procédures qui, dans l'opinion de l'autorité décernant le mandat, justifieraient l'émission d'un mandat si le crime a été commis ou si l'individu est condamné dans cette partie des territoires des deux parties contractantes, où le magistrat, juge de paix, ou autre autorité compétente exerce juridiction; pourvu toutefois que dans le Royaume-Uni, l'accusé soit traduit aussi promptement que possible devant un magistrat de police à Londres. Telle demande peut être faite par la poste ou par le télégraphe.

L'accusé sera mis en liberté, toutefois, si dans une période de temps raisonnable, vu les circonstances du cas en particulier, que le magistrat de police pourra déterminer, la demande n'a pas été faite conformément aux stipulations de l'article IX.

ARTICLE XI.

L'extradition ne sera pas accordée avant l'expiration des quinze jours qui suivront l'arrestation, et elle ne le sera alors que, si la preuve est suffisante, d'après les lois de l'Etat auquel cette demande a été faite, soit pour justifier l'incarcération de l'accusé en attendant son procès, dans le cas où le crime a été commis dans le territoire du dit Etat, ou pour prouver que le prévenu est bien l'individu même condamné par les tribunaux de l'Etat qui fait la demande d'extradition.

ARTICLE XII.

Dans les investigations qu'elles ont à faire d'après les stipulations susdites, les autorités de l'Etat, auxquelles la demande est faite, reconnaîtront comme valides les témoignages assermentés, ou les déclarations de témoins faites dans l'autre Etat, ou copies d'icelles, ainsi que les mandats et arrêts décernés à ce sujet, pourvu que ces pièces soient signées ou attestées par un juge, magistrat ou officier de tel Etat et qu'elles soient reconnues comme authentiques, sous serment, par un témoin, ou qu'elles portent le sceau officiel d'un secrétaire d'Etat anglais ou du chancelier de la Confédération Suisse.

ARTICLE XIII.

Si une preuve suffisante pour justifier l'extradition n'est pas produite dans les deux mois qui suivront l'appréhension du fugitif, il sera mis en liberté.

ARTICLE XIV.

Tout article trouvé en la possession de l'individu réclamé à l'époque de son arrestation, sera saisi, si l'autorité compétente le juge à propos, afin qu'il soit livré avec sa propre personne à l'époque où a lieu l'extradition. Cette remise ne sera pas restreinte à la propriété ou aux articles obtenus par vol, mais comprendra tout ce qui pourra servir comme preuve du crime.

ARTICLE XV.

Les hautes parties contractantes renoncent à toute réclamation pour le remboursement des frais encourus par elles par suite de l'appréhension ou de l'entretien de l'individu à extrader, et de son transport jusqu'à la frontière; elles consentent mutuellement à payer ces frais elles mêmes.

ARTICLE XVI.

Les stipulations du présent traité seront applicables aux colonies et aux possessions étrangères de Sa Majesté Britannique.

La demande d'arrestation et d'extradition d'un malfaiteur fugitif, qui s'est réfugié dans une de ces colonies ou possessions étrangères, sera faite par l'entremise du consul général Suisse à Londres au secrétaire d'Etat pour le département des affaires étrangères, qui agira en conformité des dispositions du présent traité et des lois du pays.

Il sera loisible à Sa Majesté, toutefois, de prendre des mesures spéciales dans les colonies anglaises et les possessions étrangères pour l'extradition des individus qui auront commis en Suisse un des crimes ci-après mentionnés, et qui pourront s'être réfugiés dans ces colonies et possessions étrangères, sur la base autant que possible des dispositions du présent traité.

La demande d'extradition d'un malfaiteur fugitif d'une colonie ou possession étrangère de Sa Majesté Britannique sera décidée par les règles établies dans les articles précédents du présent traité.

ARTICLE XVII.

Le présent traité sera exécutoire dix jours après sa publication, conformément aux dispositions prescrites par les lois des hautes parties contractantes. Il pourra être abrogé pour l'une ou l'autre des hautes parties contractantes, mais restera en vigueur jusqu'à l'expiration de six mois après qu'avis de son abrogation aura été donné.

Le traité sera ratifié, et les ratifications seront échangées à Berne dans le délai de quatre semaines, ou plus tôt, si faire se peut.

En foi de quoi les dits plénipotentiaires ont signé le présent traité, et y ont apposé le sceau de leurs armes.

Fait à Berne, le trente-et-un mars, dans l'année de Notre-Seigneur mil huit cent soxante-quatorze.

(L.S.) A. G. G. EONAR,
(L.S.) J. M. KNUSEL.

Et attendu qu'un protocole amendant l'article XVI du dit traité a été signé par les plénipotentiaires de Sa Majesté et de la Confédération Suisse, le vingt-huitième jour de novembre mil huit cent soixante-quatorze, lequel protocole est conçu dans les termes suivants:

Les soussignés plénipotentiaires de Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et de l'Irlande, et le conseil fédéral de la Confédération Suisse, s'étant réunis en conférence, ont pris en considération la question suivante:—

Ils ont porté leur attention sur le fait que le second paragraphe de l'article XVI du traité, lequel stipule que la demande d'arrestation d'un malfaiteur fugitif qui s'est réfugié dans une des colonies ou possessions étrangères de Sa Majesté Britannique, sera faite pour le consul-général Suisse à Londres au Secrétaire d'Etat pour les affaires étrangères, n'est pas conforme à la loi anglaise, et ils ont résolu en conséquence de déclarer que le second paragraphe de cet article commençant par les mots:

"La demande d'arrestation," et se terminant par "et les lois du pays" sera de nul effet, et que les mots suivants lui seront substitués:

"La demande d'extradition d'un malfaiteur fugitif qui s'est réfugié dans une des colonies ou possessions étrangères sera faite au gouverneur ou à l'autorité suprême de telle colonie ou possession par le consul Suisse, ou dans le cas où il n'y aurait pas de consul Suisse, par l'agent consulaire d'un autre Etat représentant pour l'occasion les intérêts suisses dans la colonie ou la possession en question.

"Le gouverneur ou l'autorité suprême ci-dessus mentionnée rendra une décision, quant à ces demandes, conforme autant que possible aux disposi-

tions du présent traité. Il lui sera libre toutefois de consentir à l'extradition ou de rapporter son cas à son gouvernement."

Les autres dispositions de l'article XVI resteront en vigueur telles qu'adoptées dans le traité.

Ce protocole sera considéré comme formant partie du traité en question.

En foi de quoi des soussignés ont signé ce protocole et y ont apposé le sceau de leurs armes.

Fait en double à Berne, le vingt-huit novembre, dans l'année de Notre Seigneur, mil huit cent soixante-quatorze.

Le plénipotentiaire de la Grande Bretagne.

AVIS DU GOUVERNEMENT.

AVIS AUX MARINS.

No. 5 de 1878.

AVIS est par les présentes donné que les deux phares, allumés durant la saison de la navigation, à l'entrée de la rivière Saguenay, dans le fleuve Saint-Laurent, en aval de Québec, l'un à la Pointe-Noire, et l'autre à une distance de 608 verges, cesseront d'être allumés à l'ouverture de la navigation.

Député du ministre de la Marine, etc.

AVIS AUX MARINS.

No. 6 de 1879.

PHARES ENTRE MONTRÉAL ET QUÉBEC.

AVIS est par les présentes donné que les améliorations récemment faites et maintenant en voie d'exécution par les Commissaires du havre de Montréal, entre Québec et Montréal, nécessitent de nombreux changements dans le système des phares, lequel sera modifié par le gouvernement du Canada de façon à indiquer le nouveau chenal de 25 pieds.

Avis de ces changements sera donné à mesure qu'ils seront exécutés. Les changements suivants seront terminés avant l'ouverture de la navigation.

1. GRONDINES.

Les lumières actuelles ne seront plus allumées, mais de nouveaux phares connus sous le nom de " Phares supérieurs des Grondines," seront établis dans la ligne des présentes lumières supérieures.

Le phare en avant sera construit sur un terrain bas, au sud de la route principale, à environ 3 milles à l'ouest de l'église des Grondines.

Lat. N. 46° 35' 27"
Long. O. 72° 5' 53"

Ce sera un phare à lumière blanche catoptrique, élevé de 25 pieds au-dessus du niveau de l'eau, et visible au N.E. dans une direction est à 5 milles de distance.

Le bâtiment est carré, reposant sur une plateforme en bois, et surmonté par une lanterne rectangulaire de bois. Il est peint en blanc avec une bande verticale en rouge au milieu de la partie qui fait face au chenal.

Le phare de l'arrière s'élèvera au nord de la route principale, sur un terrain élevé, tout près de la présente lumière de l'avant, à une distance N. E. E. $\frac{1}{4}$ E. de 3040 pieds du phare de l'avant.

D'ici à ce que la tour soit achevée, une lumière blanche catoptrique sera allumée au bout d'un mât. Elle sera élevée de 57 pieds au-dessus de l'eau, et sera visible à une distance de 6 milles. Quand le bâtiment sera achevé, les lumières seront enlevées, et avis en sera donné.

En remontant le fleuve, ces phares doivent être observés en ligne après qu'on a dépassé la batture du Cap la Roche, et doivent être ainsi observés jusqu'à ce que les nouvelles lumières de Batiscan se trouvent en ligne.

2. BATISCAN.

Les phares actuels seront transférés à une faible distance au nord-est, en ligne avec le nouveau chenal creusé à travers les battures de Sainte-Anne.

Le phare d'avant sera situé à environ 600 pieds du rivage, contigu au côté S. E. du chemin principal, et à environ 1300 pieds N. N. E. de son ancien emplacement.

Lat. N. 46° 30' 25"
Long. O. 72° 15' 0"

Il se compose d'une lanterne octogone, reposant sur une plateforme carrée, la hauteur du sol à la girouette de la lanterne, étant de 18 pieds. La lumière se trouvera à 20 pieds au-dessus du niveau de l'eau, et sera visible dans une direction ou est sud à une distance de 4 milles.

Le phare d'arrière sera situé à 2050 pieds O. S. $\frac{1}{4}$ S. du phare de l'avant, et sera élevé de 42 pieds au-dessus du niveau de l'eau. Il sera visible dans la même direction et à la même distance que le phare de l'avant.

Ces phares tenus en ligne, à leur intersection avec la rangée supérieure des Grondines, conduisent à la partie large du chenal sur la rive nord, et servent à faire éviter les battures de Sainte-Anne.

3. ST. PIERRE LES BECQUETS.

Les améliorations dans le chenal ayant rendu ce phare inutile, il ne sera plus allumé.

4. PORT ST. FRANÇOIS.

La tour de l'avant sera transférée à 9 pieds au snd, de façon que la ligne de la rangée, vis-à-vis la Batture à Fer, se trouve à environ 150 pieds plus au sud qu'à présent.

Le phare de l'avant se composera comme à présent d'une lanterne octogone reposant sur un pilier du côté du chemin conduisant au quai.

Lat. N. 46° 16' 17"
Long. O. 72° 37' 16"

La hauteur du sol à la girouette de la lanterne est de 18 pieds; le phare s'élève à 14 pieds au-dessus de l'eau, et est visible à 4 milles.

La tour de l'arrière forme un bâtiment carré, reposant sur un pilier et surmonté d'une lanterne octogone. Elle est située à 550 pieds du phare de l'avant dans une direction E. N. $\frac{1}{4}$ N.

5. PHARES FLOTTANTS DU LAC SAINT-PIERRE.

Tous les trois phares flottants seront ancrés aux points d'intersection du milieu des chenaux qu'ils indiquent respectivement comme suit:

Bateau-phare No. 3.—Lat. N. 46° 15' 55"
Long. O. 72° 42' 15"
Bateau-phare No. 2.—Lat. N. 46° 11' 26"
Long. O. 72° 54' 12"
Bateau-phare No. 1.—Lat. N. 46° 9' 37"
Long. O. 72° 56' 54"

6. PHARES DE L'ILE SAINTE-THÉRÈSE.

Ces phares seront transférés à l'est en ligne avec le nouveau chenal vis-à-vis la Pointe-aux-Trembles.

Le phare de l'avant se composera d'une lanterne octogone et sera contigu au rivage.

Lat. N. 45° 40' 20"
Long. O. 73° 28' 0"

La hauteur de la lanterne jusqu'à la girouette est de 13 pieds; la lumière est à 13 pieds au-dessus du du niveau de l'eau.

Le phare de l'arrière sera éloigné de celui de l'avant de 1,200 pieds dans une direction N.E.N., et d'ici à ce qu'une tour soit achevée, ce dont avis sera publié, la lumière sera allumée au bout d'un mât élevé de 33 pieds au-dessus de l'eau.

Les deux phares ont des lumieres fixes blanches catoptriques et sont visibles à 3 milles.

Cette rangée de phares tenue en ligne à son intersection avec la ligne des phares de la Pointe aux-Trembles conduira à travers le chenal approfondi au grand chenal en amont de la Pointe-aux-Trembles.

7. POINTE-AUX-TREMBLES.

Pour rendre ces tours plus visibles durant le jour une bande rouge verticale sera peinte au milieu du côté de chaque phare qui fait face au chenal.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation ; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu ; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

WHEREAS by a certain Act of the Parliament of Canada, passed in the Session thereof, held in the 35th year of Our Reign and intituled "An Act relating to Quarantine," it is, amongst other things, in effect, enacted, that the Governor in Council may, from time to time, make such regulations as he thinks proper, for enforcing compliance with all the requirements of the said Act, and concerning the entry and departure of vessels, at the different ports or places in Canada, and concerning the landing of passengers or cargoes from such vessels, or the receiving of passengers or cargoes on board of the same, as may be thought best calculated to preserve the public health, and for ensuring the due performance of quarantine by and in respect of vessels, passengers, goods or things arriving at or in the neighborhood of any port or place within Canada, to which he thinks it right for the preservation of the public health, that such regulations should apply, and for the thorough cleansing and disinfecting of such vessel, passengers, goods or things, so as to prevent, as far as possible, the introduction or dissemination of disease into or in Canada, and may appoint or remove such officers as he may deem necessary for so doing, and assign to them, respectively, such powers as he may think requisite for carrying out the provisions of such regulations, and may, from time to time, revoke or amend the same or any of them, and may make others in their stead, and may impose penalties, forfeitures and punishments for the breach thereof; and such regulations shall be notified by Proclamation, published in the *Canada Gazette* at least twice; and the production of the copies of the *Gazette*, containing any such Proclamation, shall be evidence of the making, date and contents of such regulations: And further, that such regulations shall have the force of law

during the time they respectively remain unrevoked unless they be expressly limited to be in force only during a certain time, or at certain times or seasons, in which case they shall have the force of law during the time and at the times and seasons during or at which they have been limited to be in force; and that any person disobeying any such regulation shall be held guilty of and may be prosecuted for a misdemeanor, punishable by fine or imprisonment, or both, as the Court may direct; or otherwise such person may be sued for the penalties contained in such regulation;

And whereas Our Governor in Council, hath this day been pleased to make under the authority, and in pursuance of the said above in part recited Act, certain regulations as follows, that is to say:

1. That all vessels coming from the Baltic, or from the Black Sea, or from the Sea of Azoff, or from the Sea of Marmora, or from or having touched at any place in, or any place the passage from which is by, or through any of the said seas, be reputed coming from an infected port, and suspected of being capable of introducing in Canada, the plague or some other infectious disease or distemper dangerous to the public health.

2. The fact of such vessel or vessels coming from or having touched at such place or places aforesaid, shall render them subject to the application of the Quarantine Regulations in force for the ports of Quebec, St. John, Halifax, Pictou and Charlottetown, and to the Quarantine regulations in force concerning all other ports of the Dominion.

3. The Medical Superintendents of the regular quarantines established in virtue of the regulations first mentioned, and the Collector of Customs of each and every port of Canada, except the regular quarantine stations above mentioned, are to apply the Regulations defining their duties to each such vessel or vessels coming from the Baltic, or from the Black Sea, or from the Sea of Azoff, or from the Sea of Marmora, or from or having touched at any place in, or any place the passage from which is by or through any of the said Seas, dealing with said ships *ipso facto* as if it were ascertained that they appertained to the class of vessels ordered to be visited and dealt with by the said Medical Superintendents and Collector of Customs for the purpose of Quarantine.

Now Know Ye that We do hereby command and enjoin upon all Our loving subjects that they do take notice of, and obey the said Regulations so made as aforesaid, and govern themselves accordingly.

At the Court at Windsor, the 22nd day of February, 1879.

PRESENT,

The Queen's Most Excellent Majesty in Council.

WHEREAS by the Extradition Acts of 1870 and 1873, it was amongst other things enacted, that where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply

in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient:

And whereas a Treaty was concluded on the thirty-first day of March, one thousand eight hundred and seventy-four, between Her Majesty and the Swiss Confederation, for the Mutual Extradition of Fugitive Criminals, which Treaty is in the terms following:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Swiss Confederation, having judged it expedient, with a view to the better administration of justice and to the prevention of crime within their respective territories and jurisdictions, that persons charged with, or convicted of, the crimes hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say:

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Alfred Guthrie Graham Bonar, Esquire, Her Envoy Extraordinary and Minister Plenipotentiary to the Swiss Confederation;

And the Federal Council of the Swiss Confederation, Joseph Martin Knüsel, Member of the Swiss Federal Council;

If the person claimed on the part of the Government of the United Kingdom, or if the person claimed on the part of the Swiss Government, should be under examination, or have been condemned for any other crime, in one of the Swiss Cantons or in the United Kingdom respectively, his extradition may be deferred until he shall have been set at liberty in due course of law.

If the individual claimed by one of the two Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes committed upon their respective territories, his surrender shall be granted to that State whose demand is earliest in date; unless any other arrangement should be made between the Governments which have claimed him, either on account of the gravity of the crimes committed, or for any other reason.

ARTICLE VII.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or is connected with a crime of that nature, or if he prove that the requisition for his surrender has, in fact, been made with a view to try and punish him for an offence of a political character.

ARTICLE VIII.

A person surrendered can in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters than those for which the extradition shall have taken place.

This stipulation does not apply to crimes committed after the extradition.

ARTICLE IX.

The requisition for extradition must always be made by the way of diplomacy, and to wit, in Switzerland by the British Minister to the President of the Confederation, and in the United Kingdom to the Secretary of State for Foreign Affairs by the Consul-General of Switzerland, who, for the purposes of this Treaty, is hereby recognized by Her Majesty as a Diplomatic Representative of Switzerland.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A requisition for extradition cannot be founded on sentences passed *in contumaciam*.

ARTICLE X.

A fugitive criminal may, however, be apprehended under a warrant issued by any police magistrate, justice of the peace, or other competent authority, in either country, on such information or complaint, together with such evidence or after such judicial proceedings as would in the opinion of the officer issuing the warrant justify its issue, if the crime had been committed in that part of the dominions of the two Contracting Parties in which he exercices jurisdiction. Provided, however, that in the United Kingdom the accused shall in such case be sent as speedily as possible before a police magistrate in London. Such requisition may be made by means of the post or by telegraph

The accused shall, however, be discharged if, within such reasonable time as, with reference to the circumstances of the case, the police magistrate may fix, the requisition shall not have been made according to the stipulations contained in Article IX.

ARTICLE XI.

The extradition shall not take place before the expiration of fifteen days from the apprehension, and then only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial in case the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition.

ARTICLE XII.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as entirely valid evidence the sworn depositions or statement of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, provided such documents are signed or certified by a Judge, Magistrate, or Officer of such State, and are authenticated by the oath of some witness, or by being sealed with the official seal of a British Secretary of State, or of the Chancellor of the Swiss Confederation.

ARTICLE XIII.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, he shall be set at liberty.

ARTICLE XIV.

All articles seized, which were in the possession of the person to be surrendered at the time of his apprehension, shall, if the competent authority of State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XV.

The Contracting Parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance to the frontiers of the State from which he is required; they reciprocally agree to bear such expenses themselves.

ARTICLE XVI.

The stipulations of the present treaty shall be applicable to the Colonies and foreign Possessions of Her Britannic Majesty.

The requisition for the arrest and surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign Possessions shall be made through the Swiss Consul General in London to the Secretary of State for Foreign Affairs, who shall proceed in conformity with the provisions of the present Treaty and the laws of the land.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign Possessions for the surrender of such individuals as shall have committed in Switzerland any of the crimes hereinafore mentioned, who may take refuge within such Colonies and foreign Possessions, on the basis as nearly as may be, of the provisions of the present Treaty.

The requisition for the surrender of a fugitive criminal from any Colony or foreign Possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVII.

The present Treaty shall come into force ten days after its publication in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties, but shall remain in force for six months after notice has been given for its termination.

The Treaty shall be ratified, and the ratifications shall be exchanged at Berne in four weeks, or sooner if possible.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

Done at Berne, the thirty-first day of March, in the year of our Lord one thousand eight hundred and seventy-four.

(L.S.) A. G. G. BONAR.
(L.S.) J. M. KNUSEL.

And whereas a Protocol amending Article XVI of the aforesaid Treaty was signed by the Plenipotentiaries of Her Majesty and of the Swiss Confederation on the twenty-eighth day of November, one thousand eight hundred and seventy-four, which Protocol is in the following terms :—

The undersigned Plenipotentiaries of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland and the Federal Council of the Swiss Confederation, having met in Conference, have taken into their consideration the following subject :—

They have directed their attention to the fact that the second paragraph of the XVIth Article of the Treaty, which stipulates that the requisition for the arrest of a fugitive criminal who has taken refuge in any of the Colonies or foreign possessions of Her Britannic Majesty shall be made through the Swiss Consul-General in London to the Secretary of State for Foreign Affairs, was not in accordance with the law of England, and they have consequently resolved

to declare that the second paragraph of hat Article beginning :

" The requisition for the arrest," and concluding with, " and the laws of the land," shall be null and void, and in lieu thereof the following words shall be substituted :

" The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions shall be made to the Governor or to the Supreme Authority of such Colony or Possessions through the Swiss Consul, or, in case there should be no Swiss Consul, through the Consular Agent of another State charged for the occasion with the Swiss interests in the Colony or Possession in question.

" The Governor or Supreme Authority above mentioned shall decide with regard to such requisitions as nearly as possible in accordance with the provisions of the present Treaty. He will, however, be at liberty either to consent to the extradition or report the case to his Government."

The other provisions of Article XVI remain in force as they have been agreed upon in the Treaty.

This Protocol shall be regarded and acted upon as forming part of the Treaty in question.

In witness whereof the undersigned have signed this Protocol, and have hereunto affixed their seals.

Done in duplicate at Berne, the twenty-eighth day of November, in the year of Grace, one thousand eight hundred and seventy-four.

NOTICE TO MARINERS.

No. 6 of 1879.

LIGHTS BETWEEN QUEBEC AND MONTREAL.

NOTICE is hereby given, that the improvements recently made and now in progress by the Harbour Commissioners of Montreal, in the channel of the River St. Lawrence, between Quebec and Montreal, necessitate numerous changes in the system of lights, which will be altered by the Government of Canada to show the new 25-foot dredged channel.

Due notice will be given of these changes as they are carried out. The following will be completed before the opening of navigation:

1. GRONDINES.

The present lights will be discontinued, and a new range, to be known as the "Grondines Upper Range Lights," established in the line of the present upper beacons.

The front light will be on low ground, south of the main road, about 3 miles west from Grondines Church.

Lat. N. 46° 35' 27".
Long. W. 72° 5' 53".

It will be a fixed white catoptric light, elevated 25 feet above water-mark, and will be visible in a N. E. by easterly direction 5 miles.

The building is square, standing on a framed platform, and surmounted by a rectangular wooden lantern. The whole is painted white, with a vertical stripe of red running down the middle of the side facing the channel.

The back light will be immediately north of the main road, on high ground, close to the present front beacon, distant N. E. by E. $\frac{1}{4}$ E 3,040 feet from the front light.

Until the completion of a tower, a fixed white catoptric light will be exhibited from a pole. It will be elevated 57 feet above water, and will be visible 6 miles.

On the completion of the building, the beacons will be removed, of which notice will be published.

In going up the river, these lights should be brought into line after passing over the Cap la Roche shoal, and kept in range until the new Batiscan lights are brought into line.

2. BATISCAN.

The present lights will be moved a short distance to the north-east, in line with a new dredged channel through the St. Anne shoals.

The front light will be about 600 feet from the shore, close to the S. E. side of the main road, and about 1,300 feet N. N. E. from its previous position.

Lat. N. 46° 30' 35"
Long. W. 72° 15' 0"

The structure is an octagonal lantern, standing on a square platform; height from ground to vane on lantern 18 feet. The light will be 20 feet above water-mark, and should be seen, in a west by southerly direction, 4 miles.

The back light will be 2,050 feet W. by S. $\frac{1}{4}$ S. from the front one, and elevated 42 feet above water-mark. It should be seen in the same direction and from the same distance as the front one.

These lights kept in line, from their intersection with the Grondines Upper Range, lead to the wide part of the channel on the north shore, clear of the St. Anne shoals.

3. ST. PIERRE LES BECQUETS.

The improvements in the channel having rendered this light useless, it will be discontinued.

4. PORT ST. FRANCIS.

The front tower will be moved 9 feet to the south, so as to make the line of range off Batture à Fer about 150 feet farther to the south than at present.

The front light will be, as at present, in an octagonal lantern, on a low pier by the side of the road to the wharf.

Lat. N. 46° 16' 17"
Long. W. 72° 37' 16"

Height from ground to lantern vane 18 feet; height of light above water 14 feet; distance visible 4 miles.

The back tower is a square open frame, standing on a pier and surmounted by an octagonal lantern. It is distant E. by N. $\frac{1}{4}$ N. 550 feet from the front light. The light is visible 4 miles.

5. LAKE ST. PETER LIGHTSHIPS.

All three lightships will be moored at the points o

intersection of the middle lines of the channels they respectively mark, as follows:

Lightship No. 3—Lat.	N.	46°	15'	55".
Long.	W.	72°	42'	15".
Lightship No. 2—Lat.	N.	46°	11'	26".
Long.	W.	72°	54'	12".
Lightship No. 1—Lat.	N.	46°	9'	37".
Long.	W.	72°	56'	54".

6. ISLE ST. THÉRÈSE UPPER RANGE.

This range will be moved easterly in line with the new dredged channel off Point aux Trembles.

The front light will be in an octagonal lantern close to the shore.

Lat.	N.	45°	40'	20"
Long.	W.	73°	28'	0"

The lantern is 13 feet high to vane; the light elevated 13 feet above water-mark.

The back light will be N. E. by N. 1,200 feet from the front one, and until a tower is completed, of which notice will be published, the light will be exhibited from a pole and elevated 33 feet above water-mark.

Both lights will be fixed white catoptric, visible from the line of range 3 miles.

This range, kept in line from its intersection with the line of the Point aux Trembles lights, will lead through the deepened channel to the wide channel above Point aux Trembles.

7. POINTE AUX TREMBLES.

To render these towers conspicuous as day beacons, a vertical red stripe will be painted down the middle of that side of each which faces the channel.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

PROCLAMATION.

Z. A. LASH, Dép. du Ministre de la Justice, Canada.

ATTENDU que par un certain acte du Parlement du Canada, passé dans la session tenue dans la 35e année de Notre Reine, et intitulé: "Un acte relatif à la quarantaine," il est, entre autre choses, décrété que le gouverneur en conseil pourra établir au besoin tels règlements—pour la mise à exécution de toutes les prescriptions du dit acte—et concernant l'arrivée ou le départ des navires aux différents ports ou lieux du Canada, le débarquement de leurs passagers ou de leurs cargaisons, ou l'embarquement sur les dits navires de passagers ou de cargaisons, qu'il pourra croire les plus propres pour la conservation de la santé publique; et pour assurer l'observation de la quarantaine par et en ce qui concerne les navires, passagers, marchandises ou choses arrivant en Canada, à un port ou lieu ou dans le voisinage d'un port ou lieu, auquel il croira bon, dans l'intérêt de la santé publique, d'appliquer les dits règlements, et pour purifier et désinfecter parfaitement les dits navires, passagers, marchandises ou choses, afin de prévenir autant que possible l'introduction ou la propagation de maladies en Canada, et pour nommer les personnes qu'il croira nécessaires pour l'exécution de ce service, et leur assigner respectivement les pouvoirs qu'il jugera nécessaires pour exécuter les dispositions des dits règlements, et pourra, au besoin, révoquer, amender ou remplacer par d'autres ces règlements ou quelqu'un d'eux, et imposer des peines, confiscations et punitions pour leur infraction; et ces règlements seront rendus publics par proclamation insérée au moins deux fois dans la *Gazette du Canada;* et tout exemplaire de la *Gazette*, contenant cette proclamation, fera foi de l'existence, de la date et de la teneur de ces règlements. Et, de plus, ces règlements auront force de loi tant qu'ils ne seront pas révoqués, à moins que l'exécution n'en soit expressément limitée à un certain temps ou à de certaines époques ou saisons, auquel cas ils auront force de loi durant le temps et aux époques et saisons auxquels leur exécution sera limitée; et toute personne qui désobéira à quelqu'un de ces règlements sera reputée coupable d'un délit et pourra être poursuivie pour délit et punie d'amende ou d'emprisonnement ou des deux peines, ainsi que la cour l'ordonnera, ou elle pourra être poursuivie pour les peines portées au dit règlement.

Et, attendu qu'il a plu à notre Gouverneur en conseil d'établir, en vertu de l'autorité et en conformité des dites dispositions du dit aete en partie citées, certains règlements comme suit, savoir:

1. Que tous les navires venant de la Baltique, ou de la Mer Noire, ou de la Mer d'Azof, ou de la Mer de Marmora, ou ayant fait escale à quelqu'endroit de ces dites mers, seront réputés venir d'un port infecté, et soupçonnés de pouvoir introduire en Canada la peste ou quelque maladie contagieuse ou dangereuse pour la santé publique.

2. Le fait de tel navire ou navires venant ou ayant fait escale à tel endroit ou endroits susdits, les rendra sujets à l'application des règlements de quarantaine en vigueur dans les ports de Québec, Saint-Jean, Halifax, Pictou et Charlottetown, et des règlements de quarantaine en vigueur dans tous les autres ports du Canada.

3. Les officiers des quarantaines régulières établies en vertu des règlements mentionnés en premier lieu, et le percepteur de douanes de chaque port du Canada, à l'exception des stations de quarantaine régulière ci-dessus mentionnées, devront appliquer les règlements définissant leurs devoirs à tout navire ou navires venant de la Baltique, ou de la Mer Noire, ou de la Mer d'Azof, ou de la Mer de Marmora, ou ayant fait escale à tout endroit ou endroits dans les dites mers, traitant tels navires *ipso facto*, tout comme s'il était constaté qu'ils appartiennent aux navires de la catégorie qui doivent être visités et traités en conséquence par les dits officiers et percepteurs de douane pour les fins de la quarantaine.

Et sachez que Nous ordonnons par les présentes à tous Nos sujets bien-aimés qu'ils prennent connaissance des règlements suivants et qu'ils s'y conforment en conséquence.

Downing Street,
18 mars 1879.

Monsieur,

Comme suite à la dépêche circulaire de Lord Carnarvon en date du 16 janvier 1878, j'ai l'honneur de vous transmettre, pour être publiée dans la colonie sous votre gouvernement, une copie d'une lettre du bureau des affaires étrangères, renfermant une copie d'un ordre du Conseil, daté du 22 février 1870, pour mettre en vigueur le traité, le protocole et les deux conventions entre la Grande-Bretagne et la Confédération Suisse, pour l'extradition mutuelle des malfaiteurs fugitifs, signés respectivement le 31 mars, 1874, le 28 novembre 1874, le 10 juin 1878 et le 13 décembre 1878.

J'ai l'honneur d'être,
Monsieur,
Votre très obéissant et humble serviteur,

M. E. HICKS BEACH.

L'officier administrant
le gouvernement du Canada.

Extrait de la Gazette de Londres, de vendredi, le 28 février 1879.

—

A la Cour à Windsor, le 22 février 1879.

PRÉSENT :

Sa Très Excellente Majesté la Reine en Conseil.

ATTENDU que par les actes concernant l'extradition, passés en 1870 et 1873, il a été entre autre chose décrété que, quant une convention a été faite avec un Etat étranger concernant la remise à tel Etat de tout accusé fugitif, Sa Majesté peut, par un ordre en conseil, déclarer que ses actes s'appliquent à tel Etat étranger ; et que Sa Majesté peut, par le même ordre ou un ordre subséquent, limiter l'application de l'ordre, et le restreindre aux criminels fugitifs qui se trouvent ou qui sont soupçonnés se trouver dans la partie des domaines de Sa Majesté spécifiée dans l'ordre, et en rendre l'application

sujette à telles conditions, exceptions et considérations qu'elle pourra juger désirables.

Et attendu qu'un traité a été conclu le vingt et un mars mil huit cent soixante-quatorze entre Sa Majesté et la Confédération Suisse pour l'extradition mutuelle des fugitifs, lequel traité est conçu dans les termes suivants : —

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et de l'Irlande, et la Confédération Suisse ont jugé qu'il était désirable, dans le but de mieux administrer la justice et d'assurer la répression des crimes, dans leurs territoires et juridictions respectives, que les personnes prévenues ou convaincues des crimes ci-après énumérés, et ayant voulu échapper à la vindicte des lois, fussent, dans certaines circonstances, extradées réciproquement, et elles ont résolu de conclure le présent traité, et elles ont nommé leurs plénipotentiaires, savoir :

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et de l'Irlande, Alfred Guthrie Graham Bonar, écuier, son envoyé extraordinaire et ministre plénipotentiaire de la Confédération Suisse ;

Et le Conseil de la Confédération Suisse, Joseph Martin Knusel, membre du Conseil Fédéral Suisse.

Lesquels, après s'être communiqués leurs plains pouvoirs respectifs, trouvés en bonne et due forme, sont convenus des articles suivants : —

ARTICLE I.

Les hautes parties contractantes s'engagent à livrer, dans les circonstances et aux conditions stipulées dans le présent traité, tous individus prévenus ou convaincus d'un crime commis dans le territoire de l'une d'elles, et qui seront trouvés dans le territoire de l'autre.

ARTICLE II.

Les crimes à raison desquels l'extradition devra être réciproquement accordée sont :

1. Le meurtre (comprenant l'assassinat, le parricide, l'infanticide, l'empoisonnement ou tentative de meurtre).
2. L'homicide.
3. La falsification ou la contrefaçon de monnaies, ou la mise en circulation de monnaies contrefaites ou falsifiées ;
4. La fabrication ou la falsification ou la contrefaçon, ou l'émission de monnaies fabriquées, contrefaites ou falsifiées, y compris les crimes énumérés dans le code fédéral de l'un ou l'autre Etat, tels que la contrefaçon ou la falsification de monnaie, billets de banque ou autres valeurs, fabrication ou autre falsification de documents publics ou privés, ainsi que l'émission ou la mise en circulation, ou l'emploi prémédité de tels documents contrefaits, forgés ou falsifiés.
5. Malversation ou vol.
6. Obtention d'argent ou de marchandises sous de faux prétextes.
7. Banqueroute frauduleuse et fraude dans les faillites.
8. Fraude par un dépositaire, banquier, agent, facteur, syndic, directeur, membre ou officier public d'une compagnie, déclarée criminelle par la loi alors existante.
9. Viol.
10. Enlèvement de mineurs.
11. Vol d enfants ou enlèvement.
12. Faux emprisonnement.
13. Vol fait avec effraction ou bris de maison avec intentions criminelles.
14. L'incendie.
15. Vol avec violence.
16. Menaces par lettres ou autrement dans le but d'extorquer de l'argent.
17. Parjure ou subornation de parjure.
18. Les attentats contre la propriété ; s'ils sont punissables de peine criminelle.

L'extradition sera aussi accordée pour participation à aucun de ces crimes, comme étant connexes avant ou après la perpétration.

ARTICLE III.

Aucun Suisse ne sera livré par la Suisse au Gouvernement du Royaume-Uni, et aucun sujet du Royaume-Uni ne sera livré par le gouvernement de ce pays à la Suisse.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le Gouvernement du Royaume-Uni, ou l'individu réclamé par le Gouvernement Suisse, a déjà subi son procès, et a été libéré ou puni ; ou s'il est en voie de subir son procès, dans l'un des Cantons Suisses ou dans le Royaume-Uni respectivement, pour le crime pour lequel son extradition est demandée.

Si l'individu réclamé par le Gouvernement du Royaume-Uni, ou par le Gouvernement Suisse, est poursuivi, ou s'il a été convaincu d'un crime ou délit commis dans l'un des Cantons Suisses ou dans le Royaume-Uui respectivement, son extradition pourra être différée jusqu'à ce qu'il ait été élargi suivant le cours ordinaire de la loi.

Dans le cas où tel individu ne serait pas poursuivi ou détenu dans le pays, où il s'est réfugié, à cause des obligations contractées envers des particuliers, l'extradition aura lieu cependant ; la partie lésée conservant son droit de soumettre ses réclamations à l'autorité compétente.

ARTICLE V.

L'extradition ne pourra avoir lieu si, depuis la perpétration des actes dont il est accusé, l'accusation ou la condamnation, l'exemption de poursuite ou de punition a été acquise par le laps de temps écoulé conformément aux lois de ce pays.

ARTICLE VI.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en vertu du présent traité, est aussi réclamé par un ou plusieurs autres pays, à raison de crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat qui a fait la première demande, à moins qu'il n'ait été pris quelqu'autre mesure entre les différents gouvernements pour déterminer la préférence, soit à cause de la gravité du crime ou délit, ou pour toute autre raison.

ARTICLE VII.

Un malfaiteur fugitif ne sera pas livré si le délit au sujet duquel son extradition est demandée, est d'un caractère politique, ou s'il se rattache à un crime de ce genre, ou s'il prouve, à la satisfaction de l'autorité compétente de l'Etat dans lequel il est, que la demande de son extradition a été faite dans le but de la poursuivre ou de la punir pour un délit politique.

ARTICLE VIII.

Un individu extradé ne pourra être tenu en prison ou ne pourra subir son procès dans l'Etat auquel il a été remis pour d'autre crime ou sur d'autres accusations que celles pour lesquelles l'extradition aura été accordée.

Cette stipulation ne s'applique pas aux crimes commis après l'extradition.

ARTICLE IX.

La demande d'extradition devra toujours être faite par voie diplomatique, à savoir, en Suisse, par le ministre anglais près le Président de la Confédération ; dans le Royaume-Uni, elle devra être faite au secrétaire d'Etat pour le département des affaires étrangères par le consul-général de la Suisse, qui, pour les fins de ce traité, est par les présentes reconnu par Sa Majesté comme un représentant diplomatique de la Suisse.

La demande d'extradition d'un individu accusé doit être accompagnée d'un mandat d'arrestation décerné par l'autorité compétente de l'Etat demandant l'extradition, et de telles preuves, qui, d'après les lois du pays où le prévenu est arrêté,—justifieraient son appréhension si le crime y avait été commis.

Si la demande se rapporte à un individu déjà condamné, elle devra être accompagnée de l'arrêt de condamnation porté contre la personne condamnée par le tribunal compétent de l'Etat, qui fait la demande d'extradition.

Une demande d'extradition ne saurait être basée sur des *arrêts de contumace.*

ARTICLE X.

Un malfaiteur fugitif pourra être appréhendé sur un mandat décerné par un magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle déclaration ou plainte, et sur telle preuve, ou après telles procédures qui, dans l'opinion de l'autorité décernant le mandat, justifieraient l'émission d'un mandat si le crime a été commis ou si l'individu est condamné dans cette partie des territoires des deux parties contractantes, où le magistrat, juge de paix, ou autre autorité compétente exerce juridiction; pourvu toutefois que dans le Royaume-Uni, l'accusé soit traduit aussi promptement que possible devant un magistrat de police à Londres. Telle demande peut être faite par la poste ou par le télégraphe.

L'accusé sera mis en liberté, toutefois, si dans une période de temps raisonnable, vu les circonstances du cas en particulier, que le magistrat de police pourra déterminer, la demande n'a pas été faite conformément aux stipulations de l'article IX.

ARTICLE XI.

L'extradition ne sera pas accordée avant l'expiration des quinze jours qui suivront l'arrestation, et elle ne le sera alors que, si la preuve est suffisante, d'après les lois de l'Etat auquel cette demande a été faite, soit pour justifier l'incarcération de l'accusé en attendant son procès, dans le cas où le crime a été commis dans le territoire du dit Etat, ou pour prouver que le prévenu est bien l'individu même condamné par les tribunaux de l'Etat qui fait la demande d'extradition.

ARTICLE XII.

Dans les investigations qu'elles ont à faire d'après les stipulations susdites, les autorités de l'Etat, auxquelles la demande est faite, reconnaîtront comme valides les témoignages assermentés, ou les déclarations de témoins faites dans l'autre Etat, ou copies d'icelles, ainsi que les mandats et arrêts décernés à ce sujet, pourvu que ces pièces soient signées ou attestées par un juge, magistrat ou officier de tel Etat et qu'elles soient reconnues comme authentiques, sous serment, par un témoin, ou qu'elles portent le sceau officiel d'un secrétaire d'Etat anglais ou du chancelier de la Confédération Suisse.

ARTICLE XIII.

Si une preuve suffisante pour justifier l'extradition n'est pas produite dans les deux mois qui suivront l'appréhension du fugitif, il sera mis en liberté.

ARTICLE XIV.

Tout article trouvé en la possession de l'individu réclamé à l'époque de son arrestation, sera saisi, si l'autorité compétente le juge à propos, afin qu'il soit livré avec sa propre personne à l'époque où a lieu l'extradition. Cette remise ne sera pas restreinte à la propriété ou aux articles obtenus par vol, mais comprendra tout ce qui pourra servir comme preuve du crime.

ARTICLE XV.

Les hautes parties contractantes renoncent à toute réclamation pour le remboursement des frais encourus par elles par suite de l'appréhension ou de l'entretien de l'individu à extrader, et de son transport jusqu'à la frontière; elles consentent mutuellement à payer ces frais elles mêmes.

ARTICLE XVI.

Les stipulations du présent traité seront applicables aux colonies et aux possessions étrangères de Sa Majesté Britannique.

La demande d'arrestation et d'extradition d'un malfaiteur fugitif, qui s'est réfugié dans une de ces colonies ou possessions étrangères, sera faite par l'entremise du consul général Suisse à Londres au secrétaire d'Etat pour le département des affaires étrangères, qui agira en conformité des dispositions du présent traité et des lois du pays.

Il sera loisible à Sa Majesté, toutefois, de prendre des mesures spéciales dans les colonies anglaises et les possessions étrangères pour l'extradition des individus qui auront commis en Suisse un des crimes ci-après mentionnés, et qui pourront s'être réfugiés dans ces colonies et possessions étrangères, sur la base autant que possible des dispositions du présent traité.

La demande d'extradition d'un malfaiteur fugitif d'une colonie ou possession étrangère de Sa Majesté Britannique sera décidée par les règles établies dans les articles précédents du présent traité.

ARTICLE XVII.

Le présent traité sera exécutoire dix jours après sa publication, conformément aux dispositions prescrites par les lois des hautes parties contractantes. Il pourra être abrogé pour l'une ou l'autre des hautes parties contractantes, mais restera en vigueur jusqu'à l'expiration de six mois après qu'avis de son abrogation aura été donné.

Le traité sera ratifié, et les ratifications seront échangées à Berne dans le délai de quatre semaines, ou plus tôt, si faire se peut.

En foi de quoi les dits plénipotentiaires ont signé le présent traité, et y ont apposé le sceau de leurs armes.

Fait à Berne, le trente-et-un mars, dans l'année de Notre-Seigneur mil huit cent soxante-quatorze.

(L.S.) A. G. G. BONAR,
(L.S.) J. M. KNUSEL.

Et attendu qu'un protocole amendant l'article XVI du dit traité a été signé par les plénipotentiaires de Sa Majesté et de la Confédération Suisse, le vingt-huitième jour de novembre mil huit cent soixante-quatorze, lequel protocole est conçu dans les termes suivants:

Les soussignés plénipotentiaires de Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et de l'Irlande, et le conseil fédéral de la Confédération Suisse, s'étant réunis en conférence, ont pris en considération la question suivante:—

Ils ont porté leur attention sur le fait que le second paragraphe de l'article XVI du traité, lequel stipule que la demande d'arrestation d'un malfaiteur fugitif qui s'est réfugié dans une des colonies ou possessions étrangères de Sa Majesté Britannique, sera faite pour le consul-général Suisse à Londres au Secrétaire d'Etat pour les affaires étrangères, n'est pas conforme à la loi anglaise, et ils ont résolu en conséquence de déclarer que le second paragraphe de cet article commençant par les mots:

"La demande d'arrestation," et se terminant par "et les lois du pays" sera de nul effet, et que les mots suivants lui seront substitués:

"La demande d'extradition d'un malfaiteur fugitif qui s'est réfugié dans une des colonies ou possessions étrangères sera faite au gouverneur ou à l'autorité suprême de telle colonie ou possession par le consul Suisse, ou dans le cas où il n'y aurait pas de consul Suisse, par l'agent consulaire d'un autre Etat représentant pour l'occasion les intérêts suisses dans la colonie ou la possession en question.

"Le gouverneur ou l'autorité suprême ci-dessus mentionnée rendra une décision, quant à ces demandes, conforme autant que possible aux disposi-

tions du présent traité. Il lui sera libre toutefois de consentir à l'extradition ou de rapporter son cas à son gouvernement."

Les autres dispositions de l'article XVI resteront en vigueur telles qu'adoptées dans le traité.

Ce protocole sera considéré comme formant partie du traité en question.

En foi de quoi des soussignés ont signé ce protocole et y ont apposé le sceau de leurs armes.

Fait en double à Berne, le vingt-huit novembre, dans l'année de Notre Seigneur, mil huit cent soixante-quatorze.

Le plénipotentiaire de la Grande Bretagne.
(L S.) EDWIN CORBETT.

Et attendu que les ratifications du dit traité et protocole ont été échangées à Berne le vingt et un décembre mil huit cent soixante-quatorze.

Et attendu que, par et en vertu des pouvoirs réservés et confiés par le 17e article du dit traité, la Confédération Suisse a, le vingt-deux décembre, mil huit cent soixante-dix-sept, donné avis au Gouvernement de Sa Majesté de l'expiration du dit traité, sujet aux dispositions du dit article que le traité restera en vigueur six mois après qu'avis de son abrogation aura été donné.

Et attendu que le dix-neuf juin, mil huit cent soixante dix-huit, une convention a été conclue entre la Grande-Bretagne et la Suisse dans les termes suivants :

Le conseil fédéral Suisse ayant dénoncé, par note du 22 décembre 1877, le Traité d'Extradition du 31 mars 1874, existant entre le Royaume-Uni de la Grande-Bretagne et d'Irlande et la Confédération Suisse, et un nouveau Traité d'Extradition n'ayant pas encore été conclu, les hautes parties contractantes, désirant prolonger la durée du traité actuellement encore en vigueur, ont nommé à cet effet pour leurs plénipotentiaires :

Sa Majesté la Reine du Royaume-Uni de la Grande Bretagne et d'Irlande, Sir Horace Rumbold, Baronet, son ministre-résident près la Confédération Suisse ; et

Le conseil fédéral de la Confédération Suisse, M. le conseiller fédéral Fridolin Anderwert, chef du département fédéral de justice de police ;

Lesquels, après s'être communiqué leurs pleins pouvoirs, trouvés en bonne et due forme, ont conclu la convention suivante :

La durée du Traité d'Extradition du 31 mars 1874, entre le Royaume-Uni de la Grande-Bretagne et d'Irlande et la Confédération Suisse est prolongée de six mois à partir du 22 juin 1878.

Ainsi fait à Berne, le dix-neuf juin, mil huit cent soixante-dix huit.

Le plénipotentiaire du Royaume-Uni
de la Grande-Bretagne et d'Irlande :
(Signé,) HORACE RUMBOLD.

Le plénipotentiaire de Suisse :
(Signé,) ANDERWERT.

Et attendu que le treize décembre mil huit cent soixante-dix-huit, une nouvelle convention a été conclue entre la Grande-Bretagne et la Suisse dans les termes suivants :

Le conseil fédéral Suisse ayant dénoncé, par note du 22 décembre, 1877, le Traité d'Extradition du 31 mars, 1874, existant entre le Royaume-Uni de la Grande Bretagne et d'Irlande et la Confédération Suisse, et un nouveau Traité d'Extradition n'ayant pas encore été conclu, les hautes parties contractantes, désirant prolonger la durée du Traité actuellement encore en vigueur, ont nommé à cet effet pour leurs plénipotentiaires :

Le conseil fédéral de la Confédération Suisse, M. le conseiller fédéral Fridolin Anderwert, chef du département fédéral de justice et police ;

Lesquels, après s'être communiqué leurs pleins pouvoirs, trouvés en bonne et due forme, ont conclu la convention suivante : —

AVIS DU GOUVERNEMENT.

AVIS AUX MARINS.

No. 5 de 1878.

AVIS est par les présentes donné que les deux phares, allumés durant la saison de la navigation, à l'entrée de la rivière Saguenay, dans le fleuve Saint-Laurent, en aval de Québec, l'un à la Pointe-Noire, et l'autre à une distance de 608 verges, cesseront d'être allumés à l'ouverture de la navigation.

Député du ministre de la Marine, etc.

AVIS AUX MARINS.

No. 6 de 1879.

PHARES ENTRE MONTRÉAL ET QUÉBEC.

AVIS est par les présentes donné que les améliorations récemment faites et maintenant en voie d'exécution par les Commissaires du havre de Montréal, entre Québec et Montréal, nécessitent de nombreux changements dans le système des phares, lequel sera modifié par le gouvernement du Canada de façon à indiquer le nouveau chenal de 25 pieds.

Avis de ces changements sera donné à mesure qu'ils seront exécutés. Les changements suivants seront terminés avant l'ouverture de la navigation.

1. GRONDINES.

Les lumières actuelles ne seront plus allumées, mais de nouveaux phares connus sous le nom de " Phares supérieurs des Grondines," seront établis dans la ligne des présentes lumières supérieures.

Le phare en avant sera construit sur un terrain bas, au sud de la route principale, à environ 3 milles à l'ouest de l'église des Grondines.

Lat. N. 46° 35' 27"
Long. O. 72° 5' 53"

Ce sera un phare à lumière blanche catoptrique, élevé de 25 pieds au-dessus du niveau de l'eau, et visible au N.E. dans une direction est à 5 milles de distance.

Le bâtiment est carré, reposant sur une plateforme en bois, et surmonté par une lanterne rectangulaire de bois. Il est peint en blanc avec une bande verticale en rouge au milieu de la partie qui fait face au chenal.

Le phare de l'arrière s'élèvera au nord de la route principale, sur un terrain élevé, tout près de la présente lumière de l'avant, à une distance N. E. E. $\frac{1}{4}$ E. de 3040 pieds du phare de l'avant.

D'ici à ce que la tour soit achevée, une lumière blanche catoptrique sera allumée au bout d'un mât. Elle sera élevée de 57 pieds au-dessus de l'eau, et sera visible à une distance de 6 milles. Quand le bâtiment sera achevé, les lumières seront enlevées, et avis en sera donné.

En remontant le fleuve, ces phares doivent être observés en ligne après qu'on a dépassé la batture du Cap la Roche, et doivent être ainsi observés jusqu'à ce que les nouvelles lumières de Batiscan se trouvent en ligne.

2. BATISCAN.

Les phares actuels seront transférés à une faible distance au nord-est, en ligne avec le nouveau chenal creusé à travers les battures de Sainte-Anne.

Le phare d'avant sera situé à environ 600 pieds du rivage, contigu au côté S. E du chemin principal, et à environ 1300 pieds N. N. E. de son ancien emplacement.

Lat. N. 46° 30' 25"
Long. O. 72° 15' 0"

Il se compose d'une lanterne octogone, reposant sur une plateforme carrée, la hauteur du sol à la girouette de la lanterne, étant de 18 pieds. La lumière se trouvera à 20 pieds au-dessus du niveau de l'eau, et sera visible dans une direction ou est sud à une distance de 4 milles.

Le phare d'arrière sera situé à 2050 pieds O. S. $\frac{1}{4}$ S. du phare de l'avant, et sera élevé de 42 pieds au-dessus du niveau de l'eau. Il sera visible dans la même direction et à la même distance que le phare de l'avant.

Ces phares tenus en ligne, à leur intersection avec la rangée supérieure des Grondines, conduisent à la partie large du chenal sur la rive nord, et servent à faire éviter les battures de Sainte-Anne.

3. ST. PIERRE LES BECQUETS.

Les améliorations dans le chenal ayant rendu ce phare inutile, il ne sera plus allumé.

[4. PORT ST. FRANÇOIS.

La tour de l'avant sera transférée à 9 pieds au sud, de façon que la ligne de la rangée, vis-à-vis la Batture à Fer, se trouve à environ 150 pieds plus au sud qu'à présent.

Le phare de l'avant se composera comme à présent d'une lanterne octogone reposant sur un pilier du côté du chemin conduisant au quai.

Lat. N. 46° 16' 17"
Long. O. 72° 37' 16"

La hauteur du sol à la girouette de la lanterne est de 18 pieds ; le phare s'élève à 14 pieds au-dessus de l'eau, et est visible à 4 milles.

La tour de l'arrière forme un bâtiment carré, reposant sur un pilier et surmonté d'une lanterne octogone. Elle est située à 550 pieds du phare de l'avant dans une direction E. N. $\frac{1}{4}$ N.

Règles relatives aux avis de bills privés.

51. Dans le cas de tonte demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Greffier du Sénat.
ALFRED PATRICK,

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

After which His Excellency the Governor General, was pleased to close the FIRST SESSION of the FOURTH PARLIAMENT of the DOMINION with the following

SPEECH:

Honorable Gentlemen of the Senate:

Gentlemen of the House of Commons:

I desire to thank you for the diligence and care with which you have discharged your duties during this laborious and protracted session.

The reorganization of the important Department of Public Works and the division of its duties will, I doubt not, greatly add to the efficiency of the public service.

The consolidation and amendment of the statutes relating to the lands of the Dominion will present to the large number of settlers now wending their way to the North West Territories a compendious and well considered system.

I hope that the Bill relating to weights and measures while it relaxes the stringency of previous legislation, will not decrease the efficiency of that important measure.

The provision made for telegraphy by cable between the mainland, Anticosti, and the Magdalen Islands, will facilitate and aid our commerce and navigation and especially the development of our fisheries.

The measures adopted for the vigorous prosecution of the Canadian Pacific Railway hold out a prospect of the early completion of that great undertaking; and the proposed purchase from the Grand Trunk Railway Co., of the line from Rivière du Loup to Quebec, when concluded, will at last complete the engagement entered into at the time of Confederation to connect by an Intercolonial Railway the St. Lawrence with the Atlantic Ocean at Halifax.

I congratulate you on the other measures affecting the public interests which have been passed.

Gentlemen of the House of Commons,

In Her Majesty's name I thank you for the supplies you have so readily granted. They will be expended with all due regard to economy.

Honorable Gentlemen of the Senate

And Gentlemen of the House of Commons.

The readjustment of the Tariff which has been effected by the legislation of this session will, I trust, by increasing the revenue, restore the equilibrium between revenue and expenditure while it will at the same time aid in the development of our various industries and tend to remove the long continued financial and commercial depression which has so greatly retarded the progress of Canada.

I bid you now farewell and desire to express my earnest hope, that when Parliament again assembles, we shall find the country enjoying the state of peace which now happily exists within its borders together with a great addition to the national prosperity.

Extract from The London Gazette of Friday, February 28, 1879.

At the Court at Windsor, the 22nd day of February, 1879.

PRESENT,

The Queen's Most Excellent Majesty in Council.

WHEREAS by the Extradition Acts of 1870 and 1873, it was amongst other things enacted, that where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient:

And whereas a Treaty was concluded on the thirty-first day of March, one thousand eight hundred and seventy-four, between Her Majesty and the Swiss Confederation, for the Mutual Extradition of Fugitive Criminals, which Treaty is in the terms following:—

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Swiss Confederation, having judged it expedient, with a view to the better administration of justice and to the prevention of crime within their respective territories and jurisdictions, that persons charged with, or convicted of, the crimes hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say:

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Alfred Guthrie Graham Bonar, Esquire, Her Envoy Extraordinary and Minister Plenipotentiary to the Swiss Confederation;

And the Federal Council of the Swiss Confederation, Joseph Martin Knüsel, Member of the Swiss Federal Council;

Who, after having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following Articles:—

ARTICLE I.

The High Contracting Parties engage to deliver up to each other those persons who, being accused or

convicted of a crime committed in the territory of the one Party, shall be found within the territory of the other Party under the circumstances and conditions stated in the present Treaty.

ARTICLE II.

The crimes for which the extradition is to be granted are the following :—

(1.) Murder (including infanticide) and attempt to murder.
(2.) Manslaughter.
(3.) Counterfeiting or altering money, uttering or bringing into circulation counterfeit or altered money.
(4.) Forgery, or counterfeiting, or altering, or uttering what is forged, or counterfeited, or altered ; comprehending the crimes designated in the Penal Codes of either State as counterfeiting or falsification of paper money, bank-notes, or other securities, forgery or other falsification of other public or private documents, likewise the uttering or bringing into circulation, or wilfully using such counterfeited, forged, or falsified papers.
(5.) Embezzlement or larceny.
(6.) Obtaining money or goods by false pretences.
(7.) Crimes against bankruptcy law.
(8.) Fraud committed by a bailee, banker, agent, factor, trustee, or director, or member or public officer of any Company made criminal by any law for the time being in force.
(9.) Rape.
(10.) Abduction of minors.
(11.) Child stealing or kidnapping.
(12.) False imprisonment.
(13.) Burglary, or housebreaking, with criminal intent.
(14.) Arson.
(15.) Robbery with violence.
(16.) Threats by letter or otherwise with intend to extort.
(17.) Perjury or subornation of perjury.
(18.) Malicious injury to property, if the offence be indictable.

The extradition is also to take place for participation in any of the aforesaid crimes, as an accessory before or after the fact.

ARTICLE III.

No Swiss shall be delivered up by Switzerland to the Government of the United Kingdom ; and no subject of the United Kingdom shall be delivered up by the Government thereof to Switzerland.

ARTICLE IV.

The extradition shall not take place if the person claimed on the part of the Government of the United Kingdom, or the person claimed on the part of the Swiss Government, has already been tried and discharged or punished, or is still under trial, in one of the Swiss Cantons or in the United Kingdom respectively, for the crime for which his extradition is demanded.

If the person claimed on the part of the Government of the United Kingdom, or if the person claimed on the part of the Swiss Government, should be under examination, or have been condemned for any other crime, in one of the Swiss Cantons or in the United Kingdom respectively, his extradition may be deferred until he shall have been set at liberty in due course of law.

In case such individual should be proceeded against or detained in the country in which he has taken refuge, on account of obligations contracted towards private individuals, his extradition shall, nevertheless, take place ; the injured party retaining his right to prosecute his claims before the competent authority.

ARTICLE V.

The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution, or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

ARTICLE VI.

If the individual claimed by one of the two Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes committed upon their respective territories, his surrender shall be granted to that State whose demand is earliest in date ; unless any other arrangement should be made between the Governments which have claimed him, either on account of the gravity of the crimes committed, or for any other reason.

ARTICLE VII.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or is connected with a crime of that nature, or if he prove that the requisition for his surrender has, in fact, been made with a view to try and punish him for an offence of a political character.

ARTICLE VIII.

A person surrendered can in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters than those for which the extradition shall have taken place.

This stipulation does not apply to crimes committed after the extradition.

ARTICLE IX.

The requisition for extradition must always be made by the way of diplomacy, and to wit, in Switzerland by the British Minister to the President of the Confederation, and in the United Kingdom to the Secretary of State for Foreign Affairs by the Consul-General of Switzerland, who, for the purposes of this Treaty, is hereby recognized by Her Majesty as a Diplomatic Representative of Switzerland.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A requisition for extradition cannot be founded on sentences passed *in contumaciam*.

ARTICLE X.

A fugitive criminal may, however, be apprehended under a warrant issued by any police magistrate, justice of the peace, or other competent authority, in either country, on such information or complaint, together with such evidence or after such judicial proceedings as would in the opinion of the officer issuing the warrant justify its issue, if the crime had been committed in that part of the dominions of the two Contracting Parties in which he exercices jurisdiction. Provided, however, that in the United Kingdom the accused shall in such case be sent as speedily as possible before a police magistrate in London. Such requisition may be made by means of the post or by telegraph.

The accused shall, however, be discharged if, within such reasonable time as, with reference to the circumstances of the case, the police magistrate may fix, the requisition shall not have been made according to the stipulations contained in Article IX.

ARTICLE XI.

The extradition shall not take place before the expiration of fifteen days from the apprehension, and then only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial in case the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition.

ARTICLE XII.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as entirely valid evidence the sworn depositions or statement of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, provided such documents are signed or certified by a Judge, Magistrate, or Officer of such State, and are authenticated by the oath of some witness, or by being sealed with the official seal of a British Secretary of State, or of the Chancellor of the Swiss Confederation.

ARTICLE XIII.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, he shall be set at liberty.

ARTICLE XIV.

All articles seized, which were in the possession of the person to be surrendered at the time of his apprehension, shall, if the competent authority of State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XV.

The Contracting Parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance to the frontiers of the State from which he is required; they reciprocally agree to bear such expenses themselves.

ARTICLE XVI.

The stipulations of the present treaty shall be applicable to the Colonies and foreign Possessions of Her Britannic Majesty.

The requisition for the arrest and surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign Possessions shall be made through the Swiss Consul General in London to the Secretary of State for Foreign Affairs, who shall proceed in conformity with the provisions of the present Treaty and the laws of the land.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign Possessions for the surrender of such individuals as shall have committed in Switzerland any of the crimes hereinafore mentioned, who may take refuge within such Colonies and foreign Possessions, on the basis as nearly as may be, of the provisions of the present Treaty.

The requisition for the surrender of a fugitive criminal from any Colony or foreign Possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVII.

The present Treaty shall come into force ten days after its publication in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties, but shall remain in force for six months after notice has been given for its termination.

The Treaty shall be ratified, and the ratifications shall be exchanged at Berne in four weeks, or sooner if possible.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

Done at Berne, the thirty-first day of March, in the year of our Lord one thousand eight hundred and seventy-four.

(L.S.) A. G. G. BONAR.
(L.S.) J. M. KNUSEL.

And whereas a Protocol amending Article XVI of the aforesaid Treaty was signed by the Plenipotentiaries of Her Majesty and of the Swiss Confederation on the twenty-eighth day of November, one thousand eight hundred and seventy-four, which Protocol is in the following terms :—

The undersigned Plenipotentiaries of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland and the Federal Council of the Swiss Confederation, having met in Conference, have taken into their consideration the following subject :—

They have directed their attention to the fact that the second paragraph of the XVIth Article of the Treaty, which stipulates that the requisition for the arrest of a fugitive criminal who has taken refuge in any of the Colonies or foreign possessions of Her Britannic Majesty shall be made through the Swiss Consul-General in London to the Secretary of State for Foreign Affairs, was not in accordance with the law of England, and they have consequently resolved to declare that the second paragraph of that Article beginning :

"The requisition for the arrest," and concluding with, "and the laws of the land," shall be null and void, and in lieu thereof the following words shall be substituted :

"The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions shall be made to the Governor or to the Supreme Authority of such Colony or Possessions through the Swiss Consul, or, in case there should be no Swiss Consul, through the Consular Agent of another State charged for the occasion with the Swiss interests in the Colony or Possession in question.

"The Governor or Supreme Authority above mentioned shall decide with regard to such requisitions as nearly as possible in accordance with the provisions of the present Treaty. He will, however, be at liberty either to consent to the extradition or report the case to his Government."

The other provisions of Article XVI remain in force as they have been agreed upon in the Treaty.

This Protocol shall be regarded and acted upon as forming part of the Treaty in question.

In witness whereof the undersigned have signed this Protocol, and have hereunto affixed their seals.

Done in duplicate at Berne, the twenty-eighth day of November, in the year of Grace, one thousand eight hundred and seventy-four.

The Plenipotentiary of Great Britain,
(L.S.) EDWIN COBBETT.

And whereas the ratifications of the said Treaty and Protocal were exchanged at Berne on the thirty-first day of December, one thousand eight hundred and seventy-four :

And whereas under and by virtue of the powers in and by the 17th Article of the said Treaty reserved and contained, the Swiss Confederation did, on the

twenty second day of December, one thousand eight hundred and seventy-seven, give notice to Her Majesty's Government of the termination of the said Treaty, subject to the provisions in the said Article contained that the same should remain in force for six months after notice should be given for its termination.

And whereas on the nineteenth day of June, one thousand eight hundred and seventy-eight, a Convention was entered into between Great Britain and Switzerland in the terms following :—

The Swiss Federal Council having, by a note of the 22nd December, 1877, denounced the Extradition Treaty of the 31st March, 1874, which exists between the United Kingdom of Great Britain and Ireland and the Swiss Confederation, and a new Extradition Treaty not having as yet been concluded, the High Contracting Parties, being desirous of prolonging the duration of the Treaty now in force, have named as their Plenipotentiaries for this purpose :

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Sir Horace Rumbold, Baronet, Her Majesty's Minister Resident to the Swiss Confederation : and

The Federal Council of the Swiss Confederation M. le Conseiller Fédéral Fridolin Anderwert, Chief of the Federal Department of Justice and Police ;

Who, after having communicated to each other their full powers, found in good and due form, have concluded the following Convention :—

The duration of the Treaty of the 31st March, 1874, between the United Kingdom of Great Britain and Ireland and the Swiss Confederation is prolonged for six months, to date from the 22nd June, 1878.

Done at Berne, this nineteenth day of June, one thousand eight hundred and seventy-eight.

The Plenipotentiary of the United Kingdom of Great Britain and Ireland.
(Signed) HORACE RUMBOLD.

The Plenipotentiary of Switzerland.
(Signed) ANDERWERT.

And whereas on the thirteenth day of December, one thousand eight hundred and seventy-eight, a further Convention was entered into between Great Britain and Switzerland in the terms following :—

The Swiss Federal Council having, by a note of the 22nd December, 1877, denounced the Extradition Treaty of the 31st March, 1874, which exists between the United Kingdom of Great Britain and Ireland and the Swiss Confederation, and a new Extradition Treaty not having as yet been concluded, the High Contracting Parties, being desirous of prolonging the duration of the Treaty now in force, have named as their Plenipotentiaries for this purpose :

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Sir Horace Rumbold, Baronet, Her Majesty's Minister Resident to the Swiss Confederation ; and

The Federal Council of the Swiss Confederation M. le Conseiller Fédéral Fridolin Anderwert, Chief of the Federal Department of Justice and Police ;

Who, after having communicated to each other their full powers, found in good and due form, have concluded the following Convention :—

The duration of the Treaty of the 31st March, 1874, between the United Kingdom of Great Britain and Ireland and the Swiss Confederation is prolonged for twelve months, to date from the 22nd December, 1878.

The Plenipotentiary of the United Kingdom of Great Britain and Ireland :

The Plenipotentiary of Switzerland :
(Signed) ANDERWERT.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that the said Acts shall apply in the case of Switzerland and of the said Treaty and Protocol, and Conventions with the Swiss Confederation.

NOTICE TO MARINERS.

No. 6 of 1879.

LIGHTS BETWEEN QUEBEC AND MONTREAL.

NOTICE is hereby given, that the improvements recently made and now in progress by the Harbour Commissioners of Montreal, in the channel of the River St. Lawrence, between Quebec and Montreal, necessitate numerous changes in the system of lights, which will be altered by the Government of Canada to show the new 25-foot dredged channel.

Due notice will be given of these changes as they are carried out. The following will be completed before the opening of navigation:

1. GRONDINES.

The present lights will be discontinued, and a new range, to be known as the "Grondines Upper Range Lights," established in the line of the present upper beacons.

The front light will be on low ground, south of the main road, about 3 miles west from Grondines Church.

Lat. N. 46° 35' 27".
Long. W. 72° 5' 53".

It will be a fixed white catoptric light, elevated 25 feet above water-mark, and will be visible in a N. E. by easterly direction 5 miles.

The building is square, standing on a framed platform, and surmounted by a rectangular wooden lantern. The whole is painted white, with a vertical stripe of red running down the middle of the side facing the channel.

The back light will be immediately north of the main road, on high ground, close to the present front beacon, distant N. E. by E. $\frac{1}{4}$ E 3,040 feet from the front light.

Until the completion of a tower, a fixed white catoptric light will be exhibited from a pole. It will be elevated 57 feet above water, and will be visible 6 miles.

On the completion of the building, the beacons will be removed, of which notice will be published.

In going up the river, these lights should be brought into line after passing over the Cap la Roche shoal, and kept in range until the new Batiscan lights are brought into line.

2. BATISCAN.

The present lights will be moved a short distance to the north-east, in line with a new dredged channel through the St. Anne shoals.

The front light will be about 600 feet from the shore, close to the S. E. side of the main road, and about 1,300 feet N. N. E. from its previous position.

Lat. N. 46° 30' 35"
Long. W. 72° 15' 0"

The structure is an octagonal lantern, standing on a square platform; height from ground to vane on lantern 18 feet. The light will be 20 feet above water-mark, and should be seen, in a west by southerly direction, 4 miles.

The back light will be 2,050 feet W. by S. $\frac{1}{4}$ S. from the front one, and elevated 42 feet above water-mark. It should be seen in the same direction and from the same distance as the front one.

These lights kept in line, from their intersection with the Grondines Upper Range, lead to the wide part of the channel on the north shore, clear of the St. Anne shoals.

3. ST. PIERRE LES BECQUETS.

The improvements in the channel having rendered this light useless, it will be discontinued.

4. PORT ST. FRANCIS.

The front tower will be moved 9 feet to the south, so as to make the line of range off Batture à Fer about 150 feet farther to the south than at present.

The front light will be, as at present, in an octagonal lantern, on a low pier by the side of the road to the wharf.

Lat. N. 46° 16' 17"
Long. W. 72° 37' 16"

Height from ground to lantern vane 18 feet; height of light above water 14 feet; distance visible 4 miles.

The back tower is a square open frame, standing on a pier and surmounted by an octagonal lantern. It is distant E. by N. ¼ N. 550 feet from the front light. The light is visible 4 miles.

5. LAKE ST. PETER LIGHTSHIPS.

All three lightships will be moored at the points of interseetion of the middle lines of the channels they respectively mark, as follows:

Lightship No. 3—	Lat.	N.	46°	15'	55".
	Long.	W.	72°	42'	15".
Lightship No. 2—	Lat.	N.	46°	11'	26".
	Long.	W.	72°	54'	12".
Lightship No. 1—	Lat.	N.	46°	9'	37".
	Long.	W.	72°	56'	54".

6. ISLE ST. THÉRÈSE UPPER RANGE.

This range will be moved easterly in line with the new dredged channel off Point aux Trembles.

The front light will be in an octagonal lantern close to the shore.

Lat. N. 45° 40' 20"
Long. W. 73° 28' 0"

The lantern is 13 feet high to vane; the light elevated 13 feet above water-mark.

The back light will be N. E. by N. 1,200 feet from the front one, and until a tower is completed, of which notice will be published, the light will be exhibited from a pole and elevated 33 feet above water-mark.

Both lights will be fixed white catoptric, visible from the line of range 3 miles.

This range, kept in line from its intersection with the line of the Point aux Trembles lights, will lead through the deepened channel to the wide channel above Point aux Trembles.

7. POINTE AUX TREMBLES.

To render these towers conspicuous as day beacons, a vertical red stripe will be painted down the middle of that side of each which faces the channel.

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette,* and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

Clerk of the Senate.
ALFRED PATRICK,

PROCLAMATION.

Z. A. LASH, Dép. du Ministre de la Justice, Canada.

ATTENDU que par un certain acte du Parlement du Canada, passé dans la session tenue dans la 35e année de Notre Reine, et intitulé : "Un acte relatif à la quarantaine," il est, entre autre choses, décrété que le gouverneur en conseil pourra établir au besoin tels règlements—pour la mise à exécution de toutes les prescriptions du dit acte—et concernant l'arrivée ou le départ des navires aux différents ports ou lieux du Canada, le débarquement de leurs passagers ou de leurs cargaisons, ou l'embarquement sur les dits navires de passagers ou de cargaisons, qu'il pourra croire les plus propres pour la conservation de la santé publique ; et pour assurer l'observation de la quarantaine par et en ce qui concerne les navires, passagers, marchandises ou choses arrivant en Canada, à un port ou lieu ou dans le voisinage d'un port ou lieu, auquel il croira bon, dans l'intérêt de la santé publique, d'appliquer les dits règlements, et pour purifier et désinfecter parfaitement les dits navires, passagers, marchandises ou choses, afin de prévenir autant que possible l'introduction ou la propagation de maladies en Canada, et pour nommer les personnes qu'il croira nécessaires pour l'exécution de ce service, et leur assigner respectivement les pouvoirs qu'il jugera nécessaires pour exécuter les dispositions des dits règlements, et pourra, au besoin, révoquer, amender ou remplacer par d'autres ces règlements ou quelqu'un d'eux, et imposer des peines, confiscations et punitions pour leur infraction ; et ces règlements seront rendus publics par proclamation insérée au moins deux fois dans la *Gazette du Canada ;* et tout exemplaire de la *Gazette,* contenant cette proclamation, fera foi de l'existence, de la date et de la teneur de ces règlements. Et, de plus, ces règlements auront force de loi tant qu'ils ne seront pas révoqués, à moins que l'exécution n'en soit expressément limitée à un certain temps ou à de certaines époques ou saisons, auquel cas ils auront force de loi durant le temps et aux époques et saisons auxquels leur exécution sera limitée ; et toute personne qui désobéira à quelqu'un de ces règlements sera reputée coupable d'un délit et pourra être poursuivie pour délit et punie d'amende ou d'emprisonnement ou des deux peines, ainsi que la cour l'ordonnera, ou elle pourra être poursuivie pour les peines portées au dit règlement.

Et, attendu qu'il a plu à notre Gouverneur en conseil d'établir, en vertu de l'autorité et en conformité des dites dispositions du dit acte en partie citées, certains règlements comme suit, savoir :

1. Que tous les navires venant de la Baltique, ou de la Mer Noire, ou de la Mer d'Azof, ou de la Mer de Marmora, ou ayant fait escale à quelqu'endroit de ces dites mers, seront réputés venir d'un port infecté, et soupçonnés de pouvoir introduire en Canada la peste ou quelque maladie contagieuse ou dangereuse pour la santé publique.

2. Le fait de tel navire ou navires venant ou ayant fait escale à tel endroit ou endroits susdits, les rendra sujets à l'application des règlements de quarantaine en vigueur dans les ports de Québec, Saint-Jean, Halifax, Pictou et Charlottetown, et des règlements de quarantaine en vigueur dans tous les autres ports du Canada.

3. Les officiers des quarantaines régulières établies en vertu des règlements mentionnés en premier lieu, et le percepteur de douanes de chaque port du Canada, à l'exception des stations de quarantaine régulière ci-dessus mentionnées, devront appliquer les règlements définissant leurs devoirs à tout navire ou navires venant de la Baltique, ou de la Mer Noire, ou de la Mer d'Azof, ou de la Mer de Marmora, ou ayant fait escale à tout endroit ou endroits dans les dites mers, traitant tels navires *ipso facto,* tout comme s'il était constaté qu'ils appartiennent aux navires de la catégorie qui doivent être visités et traités en conséquence par les dits officiers et percepteurs de douane pour les fins de la quarantaine.

Et sachez que Nous ordonnons par les présentes à tous Nos sujets bien-aimés qu'ils prennent connaissance des règlements suivants et qu'ils s'y conforment en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. que je prie humblement Votre Excellence de sanctionner."

A ce bill la sanction royale a été donnée dans les termes suivants:

"Au nom de Sa Majesté, Son Excellence le Gouverneur-Général remercie ses loyaux sujets, accepte leur bienveillance et sanctionne ce bill."

Après quoi il a plu à Son Excellence le Gouverneur-Général de clore la Première Session du Quatrième Parlement de la Puissance par le discours suivant:

DISCOURS

Honorables Messieurs du Sénat,

Messieurs de la Chambre des Communes:

Je désire vous remercier de la diligence et du soin avec lesquels vous avez rempli vos devoirs pendant cette longue et laborieuse session.

La réorganisation de l'important département des Travaux Publics et le partage de ses fonctions, ajouteront, je n'en ai aucun doute, grandement à l'efficacité du service public.

La refonte et l'amendement des statuts concernant les terres fédérales offriront, au grand nombre de colons, qui se dirigent maintenant vers les territoires du Nord-Ouest, un système abrégé et bien étudié.

J'espère que la loi relative aux poids et mesures, tout en se relâchant de la rigueur de la législation précédente, ne diminuera pas l'efficacité de cette importante mesure.

Les dispositions prises pour établir un câble télégraphique entre la terre ferme, Anticosti, et les Iles de la Madeleine donneront de la facilité à notre commerce, à la navigation, et aideront surtout le développement de nos pêcheries.

Les mesures adoptées pour pousser vigoureusement les travaux du chemin de fer du Pacifique Canadien font espérer l'achèvement prochain de cette grande entreprise et l'achat projeté de la ligne de la Rivière du Loup à Québec, de la compagnie du chemin de fer "Le Grand Tronc" remplira enfin, quand il sera conclu, l'engagement contracté, lors de la confédération, de relier le St. Laurent par un chemin de fer intercolonial, avec l'Océan Atlantique, à Halifax.

Je vous félicite des autres lois concernant les intérêts publics qui ont été adoptées.

Messieurs de la Chambre des Communes:

Au nom de Sa Majesté, je vous remercie des subsides que vous avez votés avec tant de bonne volonté. Il seront dépensés en vue de la plus stricte économie.

Honorable Messieurs du Sénat

Et Messieurs de la Chambre des Communes:

Le remaniement du tarif qui a été opéré par la législation de cette session, rétablira, j'espère, l'équilibre entre les recettes et les dépenses, en augmentant le revenu, tout en aidant en même temps, au développement de nos diverses industries, et contribuera à faire terminer la crise financière et commerciale, qui sévit depuis longtemps et qui a grandement retardé le progrès du Canada.

En vous disant adieu, je désire vous exprimer mon sincère espoir que lorsque le Parlement s'assemblera de nouveau, nous trouverons le pays jouissant de la paix qui y règne maintenant ainsi que d'un grand accroissement à la prospérité nationale.

(Circulaire.)

DOWNING STREET,
18 mars 1879.

MONSIEUR,

Comme suite à la dépêche circulaire de Lord Carnarvon en date du 16 janvier 1878, j'ai l'honneur de vous transmettre, pour être publiée dans la colonie sous votre gouvernement, une copie d'une lettre du bureau des affaires étrangères, renfermant une copie d'un ordre du Conseil, daté du 22 février 1870, pour mettre en vigueur le traité, le protocole et les deux conventions entre la Grande-Bretagne et la Confédération Suisse, pour l'extradition mutuelle des malfaiteurs fugitifs, signés respectivement le 31 mars, 1874, le 28 novembre 1874, le 10 juin 1878 et le 13 décembre 1878.

J'ai l'honneur d'être,
Monsieur,
Votre très obéissant et humble serviteur,

M. E. HICKS BEACH.

L'officier administrant
le gouvernement du Canada.

Extrait de la Gazette de Londres, de vendredi, le 28 février 1879.

A la Cour à Windsor, le 22 février 1879.

PRÉSENT :

Sa Très Excellente Majesté la Reine en Conseil.

ATTENDU que par les actes concernant l'extradition, passés en 1870 et 1873, il a été entre autre chose décrété que, quand une convention a été faite avec un Etat étranger concernant la remise à tel Etat de tout accusé fugitif, Sa Majesté peut, par un ordre en conseil, décider que ses actes s'appliquent à tel Etat étranger ; et que Sa Majesté peut, par le même ordre ou un ordre subséquent, limiter l'application de l'ordre, et le restreindre aux criminels fugitifs qui se trouvent ou qui sont soupçonnés se trouver dans la partie des domaines de Sa Majesté spécifiée dans l'ordre, et en rendre l'application sujette à telles conditions, exceptions et considérations qu'elle pourra juger désirables.

Et attendu qu'un traité a été conclu le vingt et un mars mil huit cent soixante-quatorze entre Sa Majesté et la Confédération Suisse pour l'extradition mutuelle des fugitifs, lequel traité est conçu dans les termes suivants : —

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et de l'Irlande, et la Confédération Suisse ont jugé qu'il était désirable, dans le but de mieux administrer la justice et d'assurer la répression des crimes, dans leurs territoires et juridictions respectives, que les personnes prévenues ou convaincues des crimes ci-après énumérés, et ayant voulu échapper à la vindicte des lois, fussent, dans certaines circonstances, extradées réciproquement, et elles ont résolu de conclure le présent traité, et elles ont nommé leurs plénipotentiaires, savoir :

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et de l'Irlande, Alfred Guthrie Graham Bonar, écuier, son envoyé extraordinaire et ministre plénipotentiaire de la Confédération Suisse ;

Et le Conseil de la Confédération Suisse, Joseph Martin Knüsel, membre du Conseil Fédéral Suisse.

Lesquels, après s'être communiqués leurs plains pouvoirs respectifs, trouvés en bonne et due forme, sont convenus des articles suivants : —

ARTICLE I.

Les hautes parties contractantes s'engagent à livrer, dans les circonstances et aux conditions stipulées dans le présent traité, tous individus prévenus ou convaincus d'un crime commis dans le territoire de l'une d'elles, et qui seront trouvés dans le territoire de l'autre.

ARTICLE II.

Les crimes à raison desquels l'extradition devra être réciprocquement accordée sont :

1. Le meurtre (comprenant l'assassinat, le parricide, l'infanticide, l'empoisonnement ou tentative de meurtre).
2. L'homicide.
3. La falsification ou la contrefaçon de monnaies, ou la mise en circulation de monnaies contrefaites ou falsifiées ;
4. La fabrication ou la falsification ou la contrefaçon, ou l'émission de monnaies fabriquées, contrefaites ou falsifiées, y compris les crimes énumérés dans le code fédéral de l'un ou l'autre Etat, tels que la contrefaçon ou la falsification de monnaie, billets de banque ou autres valeurs, fabrication ou autre falsification de documents publics ou privés, ainsi que l'émission ou la mise en circulation, ou l'emploi prémédité de tels documents contrefaits, forgés ou falsifiés.
5. Malversation ou vol.
6. Obtention d'argent ou de marchandises sous de faux prétextes.
7. Banqueroute frauduleuse et fraude dans les faillites.
8. Fraude par un dépositaire, banquier, agent, facteur, syndic, directeur, membre ou officier public d'une compagnie, déclarée criminelle par la loi alors existante.
9. Viol.
10. Enlèvement de mineurs.
11. Vol d'enfants ou enlèvement.
12. Faux emprisonnement.
13. Vol fait avec effraction ou bris de maison avec intentions criminelles.
14. L'incendie.
15. Vol avec violence.
16. Menaces par lettres ou autrement dans le but d'extorquer de l'argent.
17. Parjure ou subornation de parjure.
18. Les attentats contre la propriété ; s'ils sont punissables de peine criminelle.

L'extradition sera aussi accordée pour participation à aucun de ces crimes, comme étant connexes avant ou après la perpétration.

ARTICLE III.

Aucun Suisse ne sera livré par la Suisse au Gouvernement du Royaume-Uni, et aucun sujet du Royaume-Uni ne sera livré par le gouvernement de ce pays à la Suisse.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le Gouvernement du Royaume-Uni, ou l'individu réclamé par le Gouvernement Suisse, a déjà subi son procès, et a été libéré ou puni ; ou s'il est en voie de subir son procès, dans l'un des Cantons Suisses ou dans le Royaume-Uni respectivement, pour le crime pour lequel son extradition est demandée.

Si l'individu réclamé par le Gouvernement du Royaume-Uni, ou par le Gouvernement Suisse, est poursuivi, ou s'il a été convaincu d'un crime ou délit commis dans l'un des Cantons Suisses ou dans le Royaume-Uni respectivement, son extradition pourra être différée jusqu'à ce qu'il ait été élargi suivant le cours ordinaire de la loi.

Dans le cas où tel individu ne serait pas poursuivi ou détenu dans le pays, où il s'est réfugié, à cause des obligations contractées envers des particuliers, l'extradition aura lieu cependant ; la partie lésée conservant son droit de soumettre ses réclamations à l'autorité compétente.

ARTICLE V.

L'extradition ne pourra avoir lieu si, depuis la perpétration des actes dont il est accusé, l'accusation ou la condamnation, l'exemption de poursuite ou de punition a été acquise par le laps de temps écoulé conformément aux lois de ce pays.

ARTICLE VI.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en vertu du présent traité, est aussi réclamé par un ou plusieurs autres pays, à raison de crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat qui a fait la première demande, à moins qu'il n'ait été pris quelqu'autre mesure entre les différents gouvernements pour déterminer la préférence, soit à cause de la gravité du crime ou délit, ou pour toute autre raison.

ARTICLE VII.

Un malfaiteur fugitif ne sera pas livré si le délit au sujet duquel son extradition est demandée, est d'un caractère politique, ou s'il se rattache à un crime de ce genre, ou s'il prouve, à la satisfaction de l'autorité compétente de l'Etat dans lequel il est, que la demande de son extradition a été faite dans le but de la poursuivre ou de la punir pour un délit politique.

ARTICLE VIII.

Un individu extradé ne pourra être tenu en prison ou ne pourra subir son procès dans l'Etat auquel il a été remis pour d'autre crime ou sur d'autres accusations que celles pour lesquelles l'extradition aura été accordée.

Cette stipulation ne s'applique pas aux crimes commis après l'extradition.

ARTICLE IX.

La demande d'extradition devra toujours être faite par voie diplomatique, à savoir, en Suisse, par le ministre anglais près le Président de la Confédération ; dans le Royaume-Uni, elle devra être faite au secrétaire d'Etat pour le département des affaires étrangères par le consul-général de la Suisse, qui, pour les fins de ce traité, est par les présentes reconnu par Sa Majesté comme un représentant diplomatique de la Suisse.

La demande d'extradition d'un individu accusé doit être accompagnée d'un mandat d'arrestation décerné par l'autorité compétente de l'Etat demandant l'extradition, et de telles preuves, qui, d'après les lois du pays où le prévenu est arrêté,—justifieraient son appréhension si le crime y avait été commis.

Si la demande se rapporte à un individu déjà condamné, elle devra être accompagnée de l'arrêt de condamnation porté contre la personne condamnée par le tribunal compétent de l'Etat, qui fait la demande d'extradition.

Une demande d'extradition ne saurait être basée sur des *arrêts de contumace*.

ARTICLE X.

Un malfaiteur fugitif pourra être appréhendé sur un mandat décerné par un magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle déclaration ou plainte, et sur telle preuve, ou après telles procédures qui, dans l'opinion de l'autorité décernant le mandat, justifieraient l'émission d'un mandat si le crime a été commis ou si l'individu est condamné dans cette partie des territoires des deux parties contractantes, où le magistrat, juge de paix, ou autre autorité compétente exerce juridiction; pourvu toutefois que dans le Royaume-Uni, l'accusé soit traduit aussi promptement que possible devant un magistrat de police à Londres. Telle demande peut être faite par la poste ou par le télégraphe.

L'accusé sera mis en liberté, toutefois, si dans une période de temps raisonnable, vu les circonstances du cas en particulier, que le magistrat de police pourra déterminer, la demande n'a pas été faite conformément aux stipulations de l'article IX.

ARTICLE XI.

L'extradition ne sera pas accordée avant l'expiration des quinze jours qui suivront l'arrestation, et elle ne le sera alors que, si la preuve est suffisante, d'après les lois de l'Etat auquel cette demande a été faite, soit pour justifier l'incarcération de l'accusé en attendant son procès, dans le cas où le crime a été commis dans le territoire du dit Etat, ou pour prouver que le prévenu est bien l'individu même condamné par les tribunaux de l'Etat qui fait la demande d'extradition.

ARTICLE XII.

Dans les investigations qu'elles ont à faire d'après les stipulations susdites, les autorités de l'Etat, auxquelles la demande est faite, reconnaîtront comme valides les témoignages assermentés, ou les déclarations de témoins faites dans l'autre Etat, ou copies d'icelles, ainsi que les mandats et arrêts décernés à ce sujet, pourvu que ces pièces soient signées ou attestées par un juge, magistrat ou officier de tel Etat et qu'elles soient reconnues comme authentiques, sous serment, par un témoin, ou qu'elles portent le sceau officiel d'un secrétaire d'Etat anglais ou du chancelier de la Confédération Suisse.

ARTICLE XIII.

Si une preuve suffisante pour justifier l'extradition n'est pas produite dans les deux mois qui suivront l'appréhension du fugitif, il sera mis en liberté.

ARTICLE XIV.

Tout article trouvé en la possession de l'individu réclamé à l'époque de son arrestation, sera saisi, si l'autorité compétente le juge à propos, afin qu'il soit livré avec sa propre personne à l'époque où a lieu l'extradition. Cette remise ne sera pas restreinte à la propriété ou aux articles obtenus par vol, mais comprendra tout ce qui pourra servir comme preuve du crime.

ARTICLE XV.

Les hautes parties contractantes renoncent à toute réclamation pour le remboursement des frais encourus par elles par suite de l'appréhension ou de l'entretien de l'individu à extrader, et de son transport jusqu'à la frontière; elles consentent mutuellement à payer ces frais elles mêmes.

ARTICLE XVI.

Les stipulations du présent traité seront applicables aux colonies et aux possessions étrangères de Sa Majesté Britannique.

La demande d'arrestation et d'extradition d'un malfaiteur fugitif, qui s'est réfugié dans une de ces colonies ou possessions étrangères, sera faite par l'entremise du consul général Suisse à Londres au secrétaire d'Etat pour le département des affaires étrangères, qui agira en conformité des dispositions du présent traité et des lois du pays.

Il sera loisible à Sa Majesté, toutefois, de prendre des mesures spéciales dans les colonies anglaises et les possessions étrangères pour l'extradition des individus qui auront commis en Suisse un des crimes ci-après mentionnés, et qui pourront s'être réfugiés dans ces colonies et possessions étrangères, sur la base autant que possible des dispositions du présent traité.

La demande d'extradition d'un malfaiteur fugitif d'une colonie ou possession étrangère de Sa Majesté Britannique sera décidée par les règles établies dans les articles précédents du présent traité.

ARTICLE XVII.

Le présent traité sera exécutoire dix jours après sa publication, conformément aux dispositions prescrites par les lois des hautes parties contractantes. Il pourra être abrogé pour l'une ou l'autre des hautes parties contractantes, mais restera en vigueur jusqu'à l'expiration de six mois après qu'avis de son abrogation aura été donné.

Le traité sera ratifié, et les ratifications seront échangées à Berne dans le délai de quatre semaines, ou plus tôt, si faire se peut.

En foi de quoi les dits plénipotentiaires ont signé le présent traité, et y ont apposé le sceau de leurs armes.

Fait à Berne, le trente-et-un mars, dans l'année de Notre-Seigneur mil huit cent soxante-quatorze.

(L.S.) A. G. G. BONAR,
(L.S.) J. M. KNUSEL.

Et attendu qu'un protocole amendant l'article XVI du dit traité a été signé par les plénipotentiaires de Sa Majesté et de la Confédération Suisse, le vingt-huitième jour de novembre mil huit cent soixante-quatorze, lequel protocole est conçu dans les termes suivants:

Les soussignés plénipotentiaires de Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et de l'Irlande, et le conseil fédéral de la Confédération Suisse, s'étant réunis en conférence, ont pris en considération la question suivante:—

Ils ont porté leur attention sur le fait que le second paragraphe de l'article XVI du traité, lequel stipule que la demande d'arrestation d'un malfaiteur fugitif qui s'est réfugié dans une des colonies ou possessions étrangères de Sa Majesté Britannique, sera faite pour le consul-général Suisse à Londres au Secrétaire d'Etat pour les affaires étrangères, n'est pas conforme à la loi anglaise, et ils ont résolu en conséquence de déclarer que le second paragraphe de cet article commençant par les mots:

"La demande d'arrestation," et se terminant par "et les lois du pays" sera de nul effet, et que les mots suivants lui seront substitués:

"La demande d'extradition d'un malfaiteur fugitif qui s'est réfugié dans une des colonies ou possessions étrangères sera faite au gouverneur ou à l'autorité suprême de telle colonie ou possession par le consul Suisse, ou dans le cas où il n'y aurait pas de consul Suisse, par l'agent consulaire d'un autre Etat représentant pour l'occasion les intérêts suisses dans la colonie ou la possession en question.

"Le gouverneur ou l'autorité suprême ci-dessus mentionnée rendra une décision, quant à ces demandes, conforme autant que possible aux disposi-

tions du présent traité. Il lui sera libre toutefois de consentir à l'extradition ou de rapporter son cas à son gouvernement."

Les autres dispositions de l'article XVI resteront en vigueur telles qu'adoptées dans le traité.

Ce protocole sera considéré comme formant partie du traité en question.

En foi de quoi des soussignés ont signé ce protocole et y ont apposé le sceau de leurs armes.

Fait en double à Berne, le vingt-huit novembre, dans l'année de Notre Seigneur, mil huit cent soixante-quatorze.

Le plénipotentiaire de la Grande Bretagne.

(L. S.) EDWIN CORBETT.

Et attendu que les ratifications du dit traité et protocole ont été échangées à Berne le vingt et un décembre mil huit cent soixante-quatorze.

Et attendu que, par et en vertu des pouvoirs réservés et confiés par le 17e article du dit traité, la Confédération Suisse a, le vingt-deux décembre, mil huit cent soixante-dix-sept, donné avis au Gouvernement de Sa Majesté de l'expiration du dit traité, sujet aux dispositions du dit article que le traité restera en vigueur six mois après qu'avis de son abrogation aura été donné.

Et attendu que le dix-neuf juin, mil huit cent soixante dix-huit, une convention a été conclue entre la Grande-Bretagne et la Suisse dans les termes suivants :

Le conseil fédéral Suisse ayant dénoncé, par note du 22 décembre 1877, le Traité d'Extradition du 31 mars 1874, existant entre le Royaume-Uni de la Grande-Bretagne et d'Irlande et la Confédération Suisse, et un nouveau Traité d'Extradition n'ayant pas encore été conclu, les hautes parties contractantes, désirant prolonger la durée du traité actuellement encore en vigueur, ont nommé à cet effet pour leurs plénipotentiaires :

Sa Majesté la Reine du Royaume-Uni de la Grande Bretagne et d'Irlande, Sir Horace Rumbold, Baronet, son ministre-résident près la Confédération Suisse ; et

Le conseil fédéral de la Confédération Suisse, M. le conseiller fédéral Fridolin Anderwert, chef du département fédéral de justice de police ;

ORDRES EN CONSEIL.

HOTEL DU GOUVERNEMENT, OTTAWA.

Mardi, le 29 avril 1879.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre des Douanes, et en vertu des dispositions de la 125e section, paragraphes 7 et 15 de l'Acte passé dans la session du Parlement du Canada, tenue dans la 40e année du règne de Sa Majesté, chapitre 10, et intitulé : "Un acte pour amender et consolider les actes concernant les douanes,"—

Il a plu à Son Excellence, par et de l'avis du Conseil Privé de la Reine pour le Canada, d'ordonner, et il est par les présentes ordonné que les règlements suivants relatifs à l'entrepôt du charbon importé au Canada sont par les présentes approuvés et adoptés—

Les cours, hangars ou autres bâtiments dans lesquels les importateurs de charbon, pour fins de commerce, désirent emmagasiner leur charbon, pourront être reconnus comme des entrepôts, et le charbon pourra être entré pour l'entrepôt et emmagasiné, sans paiement de droit, de la même manière et aux mêmes conditions que s'il s'agissait de sortir le charbon de l'entrepôt pour fins de consommation, de transport ou d'exportation, tel que prescrit par la loi pour l'emmagasinage de tous autres articles, sauf ce qui est ordonné plus loin.

2. L'importateur de charbon désirant l'emmagasiner, tel que prescrit ci-haut, devra en faire l'entrée pour l'entrepôt, donnant des renseignements complets, tels que requis par la formule de telles entrées, et donnera aussi des cautions pour le double du montant du droit qui pourra être exigible, conformément aux termes du tarif alors en vigueur, tel cautionnement devant être dûment fourni par lui-même comme principal et deux personnes de bonne position, qui seront acceptables au percepteur ou au ministre des Douanes, comme garanties, à la condition que le paiement du droit sur l'exportation de toute la quantité ainsi entreposée se fasse dans les six mois qui suivront la date de tel cautionnement.

3. Le propriétaire du charbon ainsi entreposé fera l'entrée requise, une fois par semaine, de toute la quantité transférée, vendue ou exportée, pourvu que toute la quantité soit ainsi entrée dans la dite période de six mois, pour laquelle le cautionnement est donné, sujet à toutes les pénalités, amendes et con-

fiscations, décrétées par l'acte concernant les Douanes, 40 Victoria, chap. 10, et qui s'appliquent aux fraudes relatives à l'entrepôt et aux articles entreposés.

AVIS DU GOUVERNEMENT.

AVIS AUX MARINS.

No. 7 de 1879.

PHARES ENTRE QUÉBEC ET MONTRÉAL.

Phares inférieurs de Champlain.

AVIS est par les présentes donné que, pour continuer les changements faits dans les phares entre Québec et Montréal, le seul phare au village Champlain sera discontinué, après le 10 courant, et une série de lumières sera posée pour éclairer la traverse de Bécancour.

La lumière devant se trouver à environ 1200 pieds au-dessus de l'église, près du bord de la rivière.

Lat. N. 46° 26' 26"
Long. O. 72° 20' 55"

Le bâtiment est carré, surmonté par une lanterne de bois, et a une élévation de 23 pieds depuis le sol jusqu'à la girouette de la lanterne. Il est peinturé en blanc avec une bande verticale en rouge au centre de la partie du bâtiment qui fait face au chenal. La lumière sera élevée d'environ 34 pieds au-dessus du niveau de l'eau.

Le phare de l'arrière sera contigu à l'église, et sera éloigné N. E. ½ E d'environ 750 pieds du phare de l'avant; et d'ici à ce qu'une tour puisse être construite, une lumière temporaire sera posée à une hauteur de 60 pieds au-dessus de l'eau.

Les deux lumières seront fixes blanches catoptriques et visibles à une distance de 6 milles.

Phares inférieurs de l'Ile Sainte-Thérèse.

Deux balises, comme marques de jour, ont été posées dans la direction des nouveaux phares d'alignement.

AVIS AUX MARINS.

No. 5 de 1878.

AVIS est par les présentes donné que les deux phares, allumés durant la saison de la navigation, à l'entrée de la rivière Saguenay, dans le fleuve Saint-Laurent, en aval de Québec, l'un à la Pointe-Noire, et l'autre à une distance de 608 verges, cesseront d'être allumés à l'ouverture de la navigation.

AVIS AUX MARINS.

No. 6 de 1879.

PHARES ENTRE MONTRÉAL ET QUÉBEC.

AVIS est par les présentes donné que les améliorations récemment faites et maintenant en voie d'exécution par les Commissaires du havre de Montréal, entre Québec et Montréal, nécessitent de nombreux changements dans le système des phares, lequel sera modifié par le gouvernement du Canada de façon à indiquer le nouveau chenal de 25 pieds.

Avis de ces changements sera donné à mesure qu'ils seront exécutés. Les changements suivants seront terminés avant l'ouverture de la navigation.

1. GRONDINES.

Les lumières actuelles ne seront plus allumées, mais de nouveaux phares connus sous le nom de "Phares supérieurs des Grondines," seront établis dans la ligne des présentes lumières supérieures.

Le phare en avant sera construit sur un terrain bas, au sud de la route principale, à environ 3 milles à l'ouest de l'église des Grondines.

Lat. N. 46° 35' 27"
Long. O. 72° 5' 53"

Ce sera un phare à lumière blanche catoptrique, élevé de 25 pieds au-dessus du niveau de l'eau, et visible au N.E. dans une direction est à 5 milles de distance.

Le bâtiment est carré, reposant sur une plateforme en bois, et surmonté par une lanterne rectangulaire de bois. Il est peint en blanc avec une bande verticale en rouge au milieu de la partie qui fait face au chenal.

Le phare de l'arrière s'élèvera au nord de la route principale, sur un terrain élevé, tout près de la présente lumière de l'avant, à une distance N. E. E. ¼ E. de 3040 pieds du phare de l'avant.

D'ici à ce que la tour soit achevée, une lumière blanche catoptrique sera allumée au bout d'un mât. Elle sera élevée de 57 pieds au-dessus de l'eau, et sera visible à une distance de 6 milles. Quand le bâtiment sera achevé, les lumières seront enlevées, et avis en sera donné.

En remontant le fleuve, ces phares doivent être observés en ligne après qu'on a dépassé la batture du Cap la Roche, et doivent être ainsi observés jusqu'à ce que les nouvelles lumières de Batiscan se trouvent en ligne.

2. BATISCAN.

Les phares actuels seront transférés à une faible distance au nord-est, en ligne avec le nouveau chenal creusé à travers les battures de Sainte-Anne.

Le phare d'avant sera situé à environ 600 pieds du rivage, contigu au côté S. E. du chemin principal, et à environ 1300 pieds N. N. E. de son ancien emplacement.

Lat. N. 46° 30' 25"
Long. O. 72° 15' 0"

Il se compose d'une lanterne octogone, reposant sur une plateforme carrée, la hauteur du sol à la girouette de la lanterne, étant de 18 pieds. La lumière se trouvera à 20 pieds au-dessus du niveau de l'eau, et sera visible dans une direction ou est sud à une distance de 4 milles.

Le phare d'arrière sera situé à 2050 pieds O. S. ¼ S. du phare de l'avant, et sera élevé de 42 pieds au-dessus du niveau de l'eau. Il sera visible dans la même direction et à la même distance que le phare de l'avant.

Ces phares tenus en ligne, à leur intersection avec la rangée supérieure des Grondines, conduisent à la partie large du chenal sur la rive nord, et servent à faire éviter les battures de Sainte-Anne.

3. ST. PIERRE LES BECQUETS.

Les améliorations dans le chenal ayant rendu ce phare inutile, il ne sera plus allumé.

4. PORT ST. FRANÇOIS.

La tour de l'avant sera transférée à 9 pieds au sud, de façon que la ligne de la rangée, vis-à-vis la Batture à Fer, se trouve à environ 150 pieds plus au sud qu'à présent.

Le phare de l'avant se composera comme à présent d'une lanterne octogone reposant sur un pilier du côté du chemin conduisant au quai.

Lat. N. 46° 16' 17"
Long. O. 72° 37' 16"

La hauteur du sol à la girouette de la lanterne est de 18 pieds ; le phare s'élève à 14 pieds au-dessus de l'eau, et est visible à 4 milles.

La tour de l'arrière forme un bâtiment carré, reposant sur un pilier et surmonté d'une lanterne octogone. Elle est située à 550 pieds du phare de l'avant dans une direction E. N. $\frac{1}{4}$ N.

5. PHARES FLOTTANTS DU LAC SAINT-PIERRE.

Tous les trois phares flottants seront ancrés aux points d'intersection du milieu des chenaux qu'ils indiquent respectivement comme suit :

Bateau-phare No. 3.—Lat.	N.	46°	15'	55"
Long.	O.	72°	42'	15"
Bateau-phare No. 2.—Lat.	N.	46°	11'	26"
Long.	O.	72°	54'	12"
Bateau-phare No. 1.—Lat.	N.	46°	9'	37"
Long.	O.	72°	56'	54"

6. PHARES DE L'ILE SAINTE-THÉRÈSE.

Ces phares seront transférés à l'est en ligne avec le nouveau chenal vis-à-vis la Pointe-aux-Trembles.

Le phare de l'avent se composera d'une lanterne octogone et sera contigu au rivage.

Lat.	N.	45°	40' 20"
Long.	O.	73°	28' 0"

La hauteur de la lanterne jusqu'à la girouette est de 13 pieds ; la lumière est à 13 pieds au-dessus du du niveau de l'eau.

Le phare de l'arrière sera éloigné de celui de l'avant de 1,200 pieds dans une direction N.E.N., et d'ici à ce qu'une tour soit achevée, ce dont avis sera publié, la lumière sera allumée au bout d'un mât élevé de 33 pieds au-dessus de l'eau.

Les deux phares ont des lumières fixes blanches catoptriques et sont visibles à 3 milles.

Cette rangée de phares tenue en ligne à son intersection avec la ligne des phares de la Pointe-aux-Trembles conduira à travers le chenal approfondi au grand chenal en amont de la Pointe-aux-Trembles.

7. POINTE-AUX-TREMBLES.

Pour rendre ces tours plus visibles durant le jour une bande rouge verticale sera peinte au milieu du côté de chaque phare qui fait face au chenal.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

The said Inspectors or officers may, if it be deemed necessary, order the cleansing and purifying of any place, vessel, vehicle or other article having been made use of to receive or transport or being about to receive and transport animals, and direct such precautionary measures to be taken as may be considered advisable.

5. Proprietors of or dealers in stock having moved animals towards a port of embarkation in Canada for export must give notice to the Inspector appointed for such port by telegraph or by letter, at least twelve hours in advance of the time of arrival of the said animals for shipment, and during the progress of inspection will, with the hands at their disposal, give assistance to the Inspector at such port, and move the animals according to the direction given to them by the said Inspector. In case the owner refuses or neglects to furnish the necessary assistance, the Inspector may employ men at the cost of the shipper which shall be paid to the Inspector before a clean bill of health is given.

6. In order to prevent the danger of contagion or infection resulting from the overcrowding or overlading of animals on board ships in any port in Canada, the Inspector shall not permit cattle or animals to be laden on board any ship in such port, until he shall be satisfied that suitable space and provision has been made for the number of cattle or animals to be shipped on board such vessel, and that a greater number of animals shall not be shipped than such ship can safely and properly carry, and such Inspector shall not grant a clean bill of health to such ship, until all such provisions as aforesaid shall be made to his satisfaction.

7. The Collector of Customs of any port where such inspection as aforesaid is adopted, shall not give a clearance to any ship having animals on board for exportation without being shown a clean bill signed by the Inspector to the effect that the measures provided by the said Act and the present regulations have been obeyed and carried out.

8. Any person refusing to submit to the present regulations, or avoiding their being carried into effect, or impeding any Inspector or officer in the discharge of the duties assigned to them, shall be guilty of an offence against the Act "to provide against infectious "or contagious diseases affecting animals," and shall be punished according to the provisions of the said Act.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

And whereas it appears by evidence to the satisfaction of the Governor General in Council that such notice has appended to it the genuine signatures of one fourth or more of all the electors of the said Queen's County, the number of the signatures to the notice proved to be genuine being seven hundred and eighty-two, and that the other requirements of the law have been observed ;

And whereas an Order of the Governor General in Council has been passed directing that the votes of all the electors of the said Queen's County be taken for and against the adoption of the said petition,—

Now Know Ye, that We do hereby, and by virtue of the authority vested in Us by the said Act and Order in Council, proclaim and declare, that on Thursday, the third day of July next, a poll will be held in the said Queen's County for taking the votes of the electors for and against the said petition. That such votes will be taken between the hours of nine o'clock in the forenoon and five o'clock in the afternoon of that day and by ballot. That the Sheriff of Queen's County, in the Province of Prince Edward Island, has been appointed the Returning Officer for the purpose of taking on that day the votes of the electors for and against the petition and of afterwards summing up the same and making a return of the result to the Governor General in Council.

That the said Returning Officer is empowered and required to appoint a Deputy Returning Officer at and for each polling place or station. That the Returning Officer will appoint persons to attend at the various polling stations and at the final summing up of votes on behalf of the persons interested in and promoting or opposing, respectively, the adoption of the petition, at the office of the said Sheriff, on Monday, the thirtieth day of June next, at ten of the clock in the forenoon.

That the votes of the electors will be summed up and the result of the polling declared by the Returning Officer at the Office of the said Sheriff, on Saturday, the fifth day of July next, at ten of the clock in the forenoon. And in the event of the petition being adopted by the electors, the Governor General in Council may, at any time after the expiration of sixty days from the day on which the same was adopted, by Order in Council published in the *Canada Gazette*, declare that the second part of the said Act shall be in force and take effect in such county upon, from and after the day on which the annual or semi-annual licenses for the sale of spirituous liquors then in force in such county will expire, provided such day be not less than ninety days from the day of the date of such Order in Council, and if it be less, then on the like day in the then following year.

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

In Testimony Whereof, We have caused these Our Letters to be made Patent, and the Great Seal of Canada, to be hereunto affixed. General Orders (12.)

No. 1.

Review at Montreal.

I have it in command to convey to the officers, non-commissioned officers and men composing the various corps of all arms assembled to celebrate the Queen's Birth-day in Montreal, the entire approbation of the Governor General of their admirable soldierlike appearance and general efficiency.

The troops which had the honor to pass in Review before His Excellency and Her Royal Highness the Princess Louise on the 24th May, acquitted themselves with commendable precision, steadiness and discipline.

Where every officer and man did his utmost to fulfil the duties devolving on him, I shall make no distinction. The Corps were as usual in most creditable order, and the several troops, batteries and battalions which came, some of them from great distance, during the night, fell into line looking as smart and soldierlike as though just turned out of barracks.

It affords me pleasure to assure the Militia that the *feu de joie* fired by over 4,000 men was as nearly perfect as could have been performed by veteran troops.

The march past in column and quarter-column reflected the highest credit upon the whole force on the ground. The general bearing of the corps of all arms was soldierlike in the extreme.

The field-day and the sham fight which followed, tried the steadiness of the young troops engaged. The ground was cramped to handle such a large force with proper effect, and the operations were impeded by the rather unreasonable pressure of the multitude who spread over the field.

The various orders were, however, promptly and efficiently obeyed, and the "general idea" was very creditably carried out.

It was necessary to combine a holiday display and loyal demonstration with military evolutions, and, to avoid disappointment, to take care that every officer and man of every corps took some active part in the operations.

As a military spectacle the Review could hardly have been surpassed under all these circumstances—and I feel I may emphatically assure the troops who took part in it, that Her Majesty's birth-day was loyally celebrated by them in a manner most creditable to every officer and man.

The attendance of an American battalion, the 13th from Brooklyn, was an agreeable incident in the celebration that will not soon be forgotten. The arrival of this magnificent regiment to fall into line with Canadian troops and to unite their tribute of honor to Our Gracious Queen with them, will long be remembered among the events of that day.

The Cadets of the Royal Military College made their first appearance in public at this Review. The smart, neat and well disciplined demeanour of these lads was apparent to all. The Canadian people had thus the first opportunity of witnessing the result of the judicious training of our young men in this Military College, giving evidence that those so educated will make a mark in the Militia of the future.

My thanks are due to my personal and the general staff who one and all exerted themselves in their several positions with promptitude and intelligence. And the brigadiers, commanding officers, officers and men may feel satisfied that their zealous efforts have been crowned with marked success.

E. SELBY SMYTH,
Lieut.-General.

By Command,

WALKER POWELL, Colonel,
Adjutant-General of Militia,

General Orders (13).

No. 1.

ACTIVE MILITIA.

Regulations for the Annual Drill of 1879-80.
Dominion of Canada.

In order to bring the expenditure for drill and training the Active Militia, for the fiscal year 1879-80 within the appropriation made by Parliament, the strength of the force to be drilled and paid for that year, has been limited by Order in Council, to 20,000 officers, non-commissioned officers and men, and 1,276 horses, for a period of twelve days.

As the nominal strength of the Active Militia is in excess of the number which can be paid, and as it is not desirable to reduce the strength of corps below that established for the drill and training of 1878-79, viz: 42 non-commissioned officers and men, including staff sergeants and bandsmen—provision has been made for the selection of the corps which may drill in the different districts, each district being allotted its full quota in proportion to the total strength of all corps therein.

The maximum number of officers, non-commissioned officers and men to receive pay for drill in each district will therefore be :

		1879–80.
Military District Number	1	2,350
do do	2	3,400
do do	3	2,150
do do	4	1,500
do do	5	3,000
do do	6	1,300
do do	7	2,000
do do	8	1,550
do do	9	2,000
do do	10	200
do do	11	200
do do	12	350
	Total	20,000

In the selections from corps for drill of 1879-80 Field Batteries of Artillery are to be first taken ; 2nd, Corps in cities ; 3rd. Corps not drilled last year ; 4th to complete quota authorized, Corps to be selected from the different arms in each District, in proportion as their strength bears to each other.

Rural Battalions desiring to perform the annual drill at Battalion Head Quarters in camp, will be paid twenty-five (25) cents in lieu of transport for going and twenty-five cents for returning for each non-commissioned officer and man of Infantry Companies, the Head Quarters of which are located at a greater distance than five (5) miles from the Battalion Head Quarters, and one cent for each additional mile, on the certificate of the Commanding Officer of the Battalion. Officers will receive *double* the above proportion of transport allowance. No allowance to be granted for distances *under* five (5) miles nor for officers and men drawing horse allowance.

Six clear days to be spent in camp, during which period drill of six hours each day to be rigidly exacted : such six days to be *exclusive* of any Sunday that may intervene.

Such Rural corps as may not desire to drill in camp under these Regulations, and City corps (excepting Field Batteries of Artillery) may be permitted to perform the twelve (12) days of annual drill at their local head-quarters at such times as may be most convenient.

The officers of such corps, excepting Field Batteries, shall be paid at the rate of one ($1) dollar, the non-commissioned officers and men, fifty (50c.) cents, and for horses of mounted officers or corps, seventy-five (75c.) cents each for each day's drill consisting of three hours.

No allowance to be paid for rations or forage.

Tents and blankets for use by corps authorized to perform drill in camp will be issued on application of each commanding officer. They will be held responsible for damages and deficiencies, and for the return into store of the several articles on completion of the drills.

The Deputy Adjutant General in each district, will see that the expenditure for drill is kept within the appropriation, and to that end will take steps to select in the manner indicated, from corps in his district, to make the maximum strength authorized for drill. The corps not selected, and which cannot be paid, are hereby relieved from the performance of drill during the year 1879-80.

The Deputy Adjutant General of each district will notify the commanding officer of each corps detailed for drill, as well as those which cannot be paid, and send a return to Head Quarters of the corps warned, and of those which cannot be paid ; also a detail of the steps he has taken to make the selections.

Troops of Cavalry are restricted to 35 horses each, for pay.

If corps warned for drill in any District fail to turn out their total authorized strength, the Deputy-Adjutant General may call out an additional number of the infantry to make good the deficiency.

Field Batteries of Artillery.

The annual drill of the Field Batteries of Artillery will be for twelve consecutive days in camps of exercise, near the Head Quarters of the respective corps. The officers, non-commissioned officers, gunners and drivers will be paid for the days they are actually present in camp as follows :—The officers and non-commissioned officers, to pay of their ranks, the gunners and drivers at the rate of sixty cents, and for horses one dollar, per diem. Rations and forage will not be issued in kind, but an allowance will be granted in lieu thereof—for rations (food, fuel, water and light) at the rate of twenty-five cents for each officer, non-commissioned officer, gunner and driver per diem, and for forage at the rate of thirty-five cents for each horse, per diem. No allowance for transport will be paid.

The allowances for rations and forage are only to be drawn for Batteries actually encamped, and in such cases only for the actual number of officers, non-commissioned officers, gunners and drivers present in camp, and who have performed drill on each on the days for which such allowances are authorized.

The strength of each Field Battery for pay and allowances as above shall not exceed 1 Captain, 2 1st Lieutenants, 1 2nd Lieutenant, 1 Surgeon, 1 Veterinary Surgeon, 1 Sergeant-Major, 4 Sergeants, 4 Corporals, 4 Bombardiers, 1 Trumpeter, 1 Farrier, 59 Gunners and Drivers, and 28 horses, including the officers and non-commissioned officers' horses.

If any Field Battery unable to go into camp is permitted to drill on different days as may be most convenient, the rates of pay will be for officers one dollar, non-commissioned officers, gunners and drivers fifty cents, horses seventy-five cents per diem ; and no allowance will be made for rations or forage.

No mounted officer shall receive pay for more than one horse, actually used by him.

The pay for horses shall cover any expense incurred for shoeing while at drill.

The pay of the Veterinary Surgeon will be two dollars and fifty cents, per diem, for such days as he may be actually present in camp for duty, during the drill of the corps to which he is attached.

Each Field Battery of Artillery will be allowed 100 rounds, and each Garrison Battery, 20 rounds of Blank Ammunition, for Exercise and Practice.

Ammunition previously issued for exercise and practice, and not expended by the corps, to be deducted from the number of rounds authorized to be issued this year.

Corps armed with rifles.

Twenty rounds of ball and 20 rounds of blank am-

munition for practice, will be allowed to each man authorized to drill.

It is to be understood that each man is to expend under proper supervision at target practice, the number of rounds of ball ammunition authorized for that purpose.

The number of rounds of ball ammunition previously issued to any corps for practice, but remaining in its possession unexpended, is to be deducted from the issue authorized for practice this year.

Deputy Adjutants General will see to this when making requisitions for ammunition, and require returns to be made to them of the rifle practice carried out by each individual in each corps. These returns are to be sent to Head Quarters, Ottawa, with the annual reports relating to the drill and training.

Medical Regulations.

A portable medicine chest, with the requisite supply of medicine, &c., will be furnished by Government to each battalion and field battery of artillery authorized to drill in camp. On the breaking up of camp these medicine chests must be returned into the district military store.

A medical inspection of every officer, non-commissioned officer, gunner and driver is to be made, if possible, *before* the men leave the corps' head quarters; when that is not possible, then the medical examination must be made immediately after the corps goes into camp, and a full report relating to each man shall be made in a written return to the Commanding Officer.

This inspection is with a view of ascertaining, 1st. Whether the man is labouring under disease of any kind at the time, such as rheumatic affections, diseases of lungs or heart; or any of the viscera of the abdomen; or under any form of syphilitic disease; or is short-sighted; or has any disease or injuries of any of the joints; or badly shaped feet or overlapping toes which would prevent his marching; 2nd. Of ascertaining if the man has any predisposition to any of the above diseases, or has recently suffered from any of them, or if he has any other disqualification which may render him unfit for service, or predispose him to become inefficient from exposure.

Such men, if any be found, are not to be permitted to go to, or remain in, camp, as well for their own sakes, as to prevent claims for compensation being made upon the public on account of illness on the part of men who are not fit for service.

The Surgeon of each Battalion and Field Battery will make out a sick report every morning, and transmit a copy to the Commanding Officer.

The Surgeon of each corps will keep an admission and discharge Book, of all cases taken into Hospital, according to Form B.

Each Surgeon will give a receipt for all articles of medical equipment which may be issued to him for the use of his Corps, for the care and proper expenditure of which he will be responsible; and on being relieved from duty he will return all medical stores, articles of equipment and medicine remaining unexpended into the District Stores, with a list of the materials which have been expended by him, on complying with which his receipt will be returned to him.

Such wine or spiritnous liquor, as may be prescribed for use in cases of illness must, if procured, be paid for by the person requiring the same. The attention of medical officers of corps is specially called to paragraphs 138, 140 and 141 of the Orders and Regulations for the Active Militia.

No expense to be incurred by medical officers on account of Government, without previous authority for such being obtained.

In any cases of serious illness or accident, the medical officer shall, in conjunction with the commanding officers of the corps, make such immediate arrangements as may be necessary, sending the Patient, if possible, at once to his home or the nearest Hospital. He will make a minute report to head quarters of all circumstances connected with the case.

The nature and cause of all accidents or injuries which occur to officers, non-commissioned officers and men or horses while on duty or drill in camp or otherwise during the period of annual training, are to be fully investigated at the time by a board of officers, and a full and accurate report on each case sent to Head Quarters without delay; the time and place at which the accident or injury occurred should be specially stated, and all information necessary to a clear understanding at Head Quarters of all details connected with the case should be carefully given.

Claims for indemnification for losses, or injuries by accidents, or other causes often show that ordinary precautions have not been adopted and that discipline has not been carefully attended to. In future such claims for indemnification will not be paid unless it is clearly shown the accident,—whether to man or horse, or the loss of whatever description—was entirely unavoidable, and could not by any care or pre-arrangements have been prevented or avoided.

In cases of illness contracted in camp compensation will be limited to a period not exceeding 60 days.

General Regulations.

Before any corps receives pay, the commanding officer shall be required to certify in his own handwriting, at the end of the pay list of his corps, that each officer, non-commissioned officer and man for whom pay is demanded, was actually present with his corps and performed the number of days of drill for 1879-80, specified opposite their names respectively.

The inspections of all corps on completion of drill are to be made in the field during the day time.

Commanding Officers of Brigades or Batteries of Artillery will communicate as soon as possible with the Inspector of Artillery of their Province, with reference to the dates on which they propose to commence their Annual Drill. The Inspector of Artillery will then arrange the exact dates for the assembly of each Battery, as far as possible in accordance therewith, but so as to allow sufficient time for their inspections.

Captains of Batteries are reminded that their requisitions for practice ammunition or stores, should be sent forward as soon as possible.

Deputy Adjutants General are directed to forward a statement to Head Quarters, for information of the General Officer in Command, shewing the dates on which corps in their respective districts will complete drill and be ready for inspection.

In order that a full report may be made for Parliament relating to the drill and training for the fiscal year 1879-80, all drill for which payment will be made must be completed before the 1st day of december 1879, and the reports of Deputy Adjutants General of districts must be transmitted to head quarters *not later* than the 5th of that month.

No. 1.

Revue à Montréal.

Il m'est enjoint de faire part aux officiers, sous-officiers et soldats qui composaient les différents corps de milice assemblés à Montréal pour célébrer l'anniversaire de la naissance de la Reine, de l'entière satisfaction du Gouverneur-Général sur leur admirable apparence militaire et leur efficacité en général.

Les troupes qui eurent l'honneur de passer en revue devant Son Excellence et Son Altesse Royale la Princesse Louise, le 20 mai, s'acquittèrent de leurs devoirs avec une précision, une fermeté et une discipline digne de louanges.

Comme chaque officier et soldat fit de son mieux pour remplir ses devoirs je ne ferai aucune distinction. Les corps, comme d'ordinaire, observèrent un ordre tout à leur crédit, et les diverses troupes, batteries et bataillons qui vinrent durant la nuit, quelques-uns de grandes distances, prirent leur rangs avec une apparence militaire aussi aisée que des troupes fraiches sortant des casernes.

Il me fait plaisir de dire à la milice que le feu de joie, exécuté par plus de 4,000 hommes, fut presque aussi parfait qu'aurait pu le faire de vieilles troupes.

La marche en colonne et en quart de colonne fut tout-à-fait au crédit de la force présente sur le terrain, et le maintien en général de tous les corps des diverses armes leur donnait une apparence on ne peut plus militaire.

L'exercice à feu et la bataille simulée qui suivirent éprouvèrent la fermeté des jeunes troupes engagées ; le terrain n'était pas de dimensions suffisantes pour faire manœuvrer avec avantage une force aussi considérable et les mouvements se trouvèrent gênés par la foule qui se pressait sur le champ des opérations.

Les ordres cependant s'exécutèrent promptement et avec exactitude et l'on a pu obtenir "l'idée générale" que l'on attendait de cet exercice.

Il fallait combiner les amusements d'un jour de congé et la démonstration royale avec les évolutions militaires, et afin d'obvier à tout désappointement, ne priver aucun officier ou soldat de prendre une part active dans les opérations.

Comme spectacle militaire la revue ne pouvait, sous ces circonstances, difficilement mieux réussir et je crois pouvoir me permettre d'assurer les troupes qui prirent part à cette démonstration, que l'anniversaire de la naissance de Sa Majesté fut célébré par eux d'une manière tout-à-fait digne.

La présence d'un bataillon américain, le 13ème, de Brooklyn, fut à cette occasion le sujet d'un agréable incident qui ne pourra s'oublier de sitôt, et le public gardera longtemps au milieu des évènements de ce jour, le souvenir de ce magnifique régiment qui prit rang parmi les troupes canadiennes pour payer avec eux son tribut d'honneur à notre gracieuse Reine.

Les élèves du collége militaire royal firent à cette revue leur première apparition en public. Tout le monde remarqua la belle discipline et les manières aisées et agréables de ces jeunes gens. C'était la première fois que le peuple canadien avait occasion de juger du résultat de l'instruction judicieuse donnée à nos jeunes gens dans ce collége militaire ; preuve que ceux qui auront l'avantage de suivre ce cours d'instruction feront plus tard leur marque dans la milice.

Je dois des remerciments à mon état-major personnel et à tout l'état-major général pour l'empressement et l'intelligence qu'ils ont su montrer en tout ; ainsi qu'aux brigadiers, aux officiers commandants, aux officiers et aux soldats qui tous peuvent se glorifier d'avoir couronné d'un parfait succès leur zèle et leurs efforts.

MILICE ACTIVE.

Règlements pour les exercices annuels de 1879-80.

Puissance du Canada.

Afin de régler les dépenses pour l'exercice et l'instruction de la milice active sur le crédit voté à cette fin par le Parlement pour l'année 1879-80, la force de la milice qui devra être payée pour ses exercices a été limitée, par ordre en Conseil, à 20,000 hommes, tant officiers que sous-officiers et soldats, et à 1,276 chevaux. La durée de ces exercices sera de douze jours.

Comme la force nominale de la milice est plus forte que celle autorisée à être payée pour ses exercices, et comme il ne conviendrait pas de réduire la force des corps de milice au-dessous du nombre qui a reçu autorisation de faire les exercices annuels en 1878–79,—savoir, 42 sous-officiers et soldats, y compris les sergents de l'état-major et le corps de musique—le choix des corps se fera de manière à ce que le contingent à prendre dans chaque district soit

proportionné à la force totale de tous les corps de milice active qui existent dans le district militaire.

Le nombre total des officiers, sous-officiers et soldats autorisés à être payés pour les exercices dans chaque district sera en conséquence comme suit :

		1879–80.
District militaire	Numéro 1.....	2,350
do	do 2.....	3,400
do	do 3.....	2,150
do	do 4.....	1,500

do	do 7.....	2,000
do	do 8.....	1,550
do	do 9.....	2,000
do	do 10.....	200
do	do 11.....	200
do	do 12.....	350

Dans le choix des corps pour les exercices de 1879-80, les batteries d'artillerie de campagne seront prises les premières ; 2o. les corps qui sont dans les villes ; 3o. les corps qui n'ont pas fait les exercices l'année dernière ; 4o. pour compléter le contingent autorisé, les corps seront choisis parmi les différentes armes dans chaque district en proportion de leur force avec les autres.

En ce qui regarde les bataillons ruraux qui voudront faire leurs exercices annuels en campement à leur quartiers-généraux, chaque sous-officier et chaque soldat de compagnie d'infanterie recevra vingt-cinq *cents* (25) au lieu de transport pour se rendre aux quartiers-généraux, et vingt-cinq *cents* pour en revenir lorsque les quartiers-généraux de ces compagnies sont à une distance de cinq (5) milles de ceux du bataillon, et un *cent* par mille pour chaque mille additionnel, sur un certificat à cet effet de l'officier commandant du bataillon. Les officiers recevront pour leur transport le double de l'allocation ci-dessus. Aucune allocation ne sera accordée à ceux qui résident à une distance de moins de cinq (5) milles des quartiers-généraux du bataillon, non plus qu'à l'officier et à l'homme qui retire une allocation pour son cheval.

Les exercices en campement devront durer six jours complets de six heures absolues d'exercice par jour. Les dimanches ou jours de congé tombant dans cet intervalle ne devront pas compter.

Les corps ruraux et de ville (excepté les batteries d'artillerie de campagne) qui ne voudront pas faire leurs exercices en campement d'après les règlements ci-dessus, pourront obtenir la permission de faire leurs douze (12) jours d'exercice annuel à leurs propres quartiers-généraux et à l'époque qui leur conviendra le mieux.

Les officiers de ces derniers corps (excepté les batteries de campagne) seront payés au taux d'une ($1) piastre par jour, les sous-officiers et les soldats au taux de cinquante (50cts.) *cents* par jour ; et pour les officiers ou les corps à cheval il sera alloué pour chaque cheval, soixante-et-quinze *cents* (75cts.) par jour de trois heures d'exercice.

Il ne sera accordé aucune allocation pour rations ou fourrage.

Les tentes et les couvertes pour l'usage des corps autorisés à faire les exercices annuels en campement s'obtiendront sur la demande de chaque officier commandant, qui sera tenu responsable de tout dommage, de la perte et de la remise dans les arsenaux de tous les objets militaires en sa possession après les exercices annuels.

Les Députés-Adjudants-Généraux auront soin de voir à ce que les dépenses ne dépassent pas le crédit approprié aux fins des exercices, et dans ce but ils devront prendre les moyens de choisir chacun dans son district et en la manière prescrite, le contingent autorisé à faire les exercices. Les corps non choisis et qui conséquemment ne pourront pas être payés, sont exempts des exercices pour l'année 1879–80.

Chaque Député-Adjudant-Général fera connaître aux officiers commandants de son district le choix qu'il aura fait des corps autorisés à faire les exercices, ainsi que ceux qui ne peuvent être payés, et enverra aux quartiers-généraux un rapport des corps autorisés à faire les exercices, et de ceux qui ne peuvent être payés, avec aussi les détails des moyens employés par lui pour faire son choix.

Pour les troupes de cavalerie le nombre de chevaux pour lesquels il sera accordé paiement, est limité à 35 pour chaque troupe.

Lorsqu'un corps de milice se présentera pour ses exercices en nombre au dessous de la force autorisée le député adjudant général pourra appeler un autre contingent de l'infanterie pour compléter le nombre voulu.

BATTERIES D'ARTILLERIE DE CAMPAGNE.

Les exercices annuels des batteries d'artillerie de campagne dureront douze jours consécutifs ,et se feront dans des camps, formés près de leurs quartiers généraux respectifs.

Les officiers, les sous-officiers, les canonniers et les conducteurs seront payés pour le nombre de jours seulement qu'ils auront été présents au camp, et la solde sera comme suit :

Les officiers et les sous-officiers recevront la solde de leur grade ; les canonniers et les conducteurs recevront soixante *cents* par jour, et pour chaque cheval il sera alloué une piastre par jour. Il ne sera pas fourni de rations ni de fourrage, mais en compensation il sera alloué pour les rations, (nourriture, combustible, eau et luminaire) vingt-cinq *cents* par jour, pour chaque officier, sous-officier, canonnier et conducteur ; et pour le fourrage, trente-cinq *cents* par jour pour chaque cheval. Il ne sera accordé aucune allocation pour le transport.

L'allocation tenant lieu de rations et de fourrage ne devra être demandée seulement que dans les cas où les batteries auront réellement campé, et que pour le nombre juste des officiers, sous-officiers, canonniers et conducteurs qui auront été présents au camp et qui auront complété chacun des jours d'exercice pour lesquels cette allocation est accordée.

La force de chaque batterie de campagne recevant solde et allocation, tel que ci-dessus, ne devra pas excéder un capitaine, deux 1ers. lieutenants, un 2d. lieutenant, un chirurgien, un vétérinaire, un sergent-major, quatre sergents, quatre caporaux, quatre bombardiers, un trompette, un maréchal-ferrant, 59 canonniers et conducteurs et 28 chevaux, y compris les chevaux des officiers et des sous-officiers.

Lorsqu'une batterie de campagne, incapable d'aller camper, aura eu la permission de faire ses exercices annuels à intervalles différents suivant qu'il lui conviendra, la paie des officiers sera d'une piastre, celle des sous-officiers, des canonniers et des conducteurs de cinquante *cents* par jour, et pour chaque cheval il sera accordé soixante-quinze *cents* par jour. Aucune allocation ne sera accordée pour rations ou fourrage.

Aucun officier à cheval ne pourra recevoir de paie pour plus d'un cheval réellement employé par lui.

La paie pour les chevaux devra couvrir toute dépense à encourir pour ferrage durant les exercices.

La paie du vétérinaire sera de deux piastres et cinquante *cents* par jour, pour le temps nécessaire qu'il aura été requis de rester au camp pendant la durée des exercices du corps auquel il est attaché.

	45

A chaque batterie d'artillerie de campagne il sera alloué 100 charges, et à chaque batterie de place 20 charges à poudre seulement pour l'exercice et la pratique du tir.

Les munitions fournies antérieurement pour les exercices et la pratique et qui n'auraient pas été dépensées par le corps qui les a obtenues, devront être déduites de celles autorisées pour cette année.

CORPS ARMÉS DE LA CARABINE (RIFLE.)

Chaque homme autorisé à faire les exercices de cette année recevra pour la pratique du tir, 20 cartouches à balle et 20 cartouches à poudre seulement.

Il est bien entendu qu'on devra voir à ce que chaque homme emploie convenablement, au tir à la cible, le nombre autorisé de cartouches à balle.

Les cartouches à balle qui seront restées intactes en la possession d'un corps quelconque depuis la dernière émission pour la pratique, seront déduites de l'émission autorisée pour la pratique de cette année.

Les députés-adjudants-généraux en transmettant des réquisitions pour munitions verront à ce que cette déduction soit faite, et exigeront qu'il leur soit fait rapport de la pratique du tir de chaque individu dans chaque corps. Ces rapports seront envoyés aux quartiers-généraux, Ottawa, conjointement avec les rapports annuels concernant l'exercice et la discipline.

RÈGLEMENTS MÉDICAUX.

Une pharmacie portative contenant les médecines nécessaires etc., sera fournie par le Gouvernement à chaque bataillon et batterie d'artillerie de campagne qui aura reçu autorisation de faire ses exercices au campement. Aussitôt après la levée du camp ces pharmacies portatives devront être remises dans le magasin du district militaire.

Autant que possible chaque officier, sous-officier, canonnier et conducteur sera soumis à une inspection médicale *avant* de laisser les quartiers généraux du corps de milice auquel il appartient. Lorsque cette inspection n'aura pu se faire avant le départ, alors elle devra se faire aussitôt après l'arrivée dans le camp : et il sera fait à l'officier commandant un rapport écrit et complet de chaque homme.

Cette inspection est exigée en vue de s'assurer, 1o. Si l'homme souffre dans le temps de quelque maladie, tel que rhumatisme, maladie des poumons ou du cœur, de quelque viscère de l'abdomen, ou de quelque espèce de maladie syphilitique ; s'il a la vue courte ; s'il a quelque jointure affectée ; s'il a les pieds formés de manière à le gêner dans sa marche ; 2o. Si l'homme a quelque prédisposition à quelqu'une des maladies ci-dessus, ou en a récemment souffert, enfin s'il y a chez lui quelque chose qui le rende ou qui pourrait le rendre impropre au service militaire.

S'il se trouve des hommes qui soient affectés tel que ci-dessus, on ne devra pas leur permettre d'aller au camp, non plus d'y demeurer, tant pour leur propre bien que pour prévenir toute réclamation de compensation pour cause de maladie, par des personnes qui ne sont aucunement propres au service militaire.

Le chirurgien de chaque bataillon et batterie de campagne fera tous les matins un rapport de santé dont il transmettra une copie à l'officier commandant.

Le chirurgien de chaque corps de milice gardera un régistre des admissions et des décharges de tous ceux envoyés à l'hôpitel, d'après la formule B.

Chaque chirurgien donnera un reçu pour tous les articles médicaux qui lui seront délivrés pour l'usage de son corps de milice, et sera responsable du soin et de l'emploi de ces articles. Lorsqu'il sera relevé de son office, il remettra dans les magasins du district toutes les médecines et les effets s'y rattachant qui n'auront pas été dépensés, fera une liste de ce qu'il aura dépensé, et pour ce, son reçu lui sera remis.

Le vin ou toute autre boisson spiritueuse qui pourra être prescrite, en cas de maladie, devra être payée par la personne qui s'en servira. Les officiers voudront bien porter une attention toute spéciale aux paragraphes 138, 140 et 141 des ordres et règlements pour la milice active.

Les officiers de santé ne devront faire, pour le compte du gouvernement aucune dépense sans en avoir auparavant obtenu la permission.

Dans les cas de maladie ou d'accident sérieux, l'officier de santé, conjointement avec l'officier commandant du corps de milice, prendra tous les arrangements immédiats qui pourront être nécessaires, enverront immédiatement le patient chez lui si c'est possible ou au plus proche hôpital, et l'officier de santé fera sans délai un rapport minutieux de toutes les circonstances ayant trait au cas, et l'adressera aux Quartiers Généraux.

En ce qui regarde les accidents ou blessures qui pourraient survenir aux officiers, sous-officiers et aux hommes de même qu'aux chevaux en devoir ou pendant les exercices dans le camp ou autrement, un bureau d'officiers en fera immédiatement un examen et préparera un rapport circonstancié qu'il enverra sans délai aux quartiers-généraux. L'heure et le lieu où l'accident ou la blessure est arrivé devront spécialement être donnés, et tous les détails ou informations nécessaires pour aider aux quartiers-généraux à comprendre clairement l'affaire devront être fournis avec soin.

Les réclamations pour pertes ou pour blessures par accident ou autrement montrent que souvent, les précautions ordinaires n'ont pas été prises et que la discipline requise n'a pas été suivie. A l'avenir il ne sera payé aucune indemnité à moins qu'il ne soit clairement démontré que l'accident—soit à un homme soit à un cheval, ou que la perte de quoi que ce soit—a été tout-à-fait inévitable malgré tous les soins pris pour y obvier.

Pour les cas de maladie contractée dans un camp la compensation sera limitée à une période qui ne dépassera pas 60 jours.

RÈGLEMENTS GÉNÉRAUX.

Avant qu'aucun corps de milice puisse être payé, l'officier commandant devra certifier le bordereau de paie, en signant son nom lui même au bas de la feuille déclarant que les officiers et soldats pour qui paiement est demandé, ont été réellement présents dans le corps de milice et qu'ils ont fait le nombre de jours d'exercices spécifiés en regard de leurs noms, pour l'année 1879-80.

L'inspection des corps de milice qui doit avoir lieu à la fin des exercices annuels se fera sur les lieux mêmes pendant les exercices du jour.

Les officiers qui commandent des brigades ou des batteries d'artillerie devront aussitôt que possible s'entendre avec l'inspecteur d'artillerie de leur province sur la date à laquelle ils se proposent de commencer les exercices annuels.

L'inspecteur d'artillerie fixera la date où devra s'assembler chaque batterie ayant soin de voir à ce

que le temps alloué pour leurs inspections soit suffisant dans chaque cas.

Les capitaines de batteries sont priés d'envoyer aussitôt que possible leurs réquisitions pour munitions ou effets nécessaires pour les exercices.

Les Députés-Adjudants-Généraux, sont priés d'envoyer aux Quartiers-Généraux, pour l'information de l'Officier Général Commandant, un état montrant les dates auxquelles les différents corps de milice dans leurs districts respectifs auront complété leurs exercices et seront prêts à être inspectés.

Afin qu'un rapport complet sur les exercices et les instructions militaires pour l'année fiscale de 1879-80, puisse être présenté à temps au parlement, tous les exercices pour lequel il est accordé paiement devront être terminés avant le 1er décembre 1879, et les rapports des Députés-Adjudants-Généraux devront être transmis aux Quartiers-généraux, *pas plus tard* que le 5 du même mois.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre de l'Agriculture, et en vertu des dispositions de l'acte passé dans la session du parlement du Canada, tenue dans la 42e année du règne de Sa Majesté, chapitre 23, et intitulé : "Un acte à l'effet d'empêcher les maladies contagieuses atteignant les bestiaux,"

Il a plu à Son Excellence, par et de l'avis du Conseil Privé du Canada, d'adopter les règlements suivants pour empêcher que des bestiaux malades soient transportés d'un endroit à un autre sur le territoire canadien, ou expédiés de ports canadiens :

1o. Une inspection des bestiaux sera faite à tout endroit ou port du Canada, auquel tels bestiaux seront transportés, conformément aux instructions qui pourront être prescrites de temps à autre par le ministre de l'Agriculture.

2o. Les bestiaux qui pourront être exposés à des maladies contagieuses, ou qui seront atteints de maladies contagieuses, seront détenus ou abattus, conformément aux dispositions du dit acte, suivant les instructions du ministre de l'Agriculture.

3o. Les officiers nommés pour mettre en vigueur la loi et les présents règlements auront libre accès à tout bâtiment, navire, vaisseau, char, voiture, ou autre véhicule, ou à tout endroit auquel des bestiaux pourront être trouvés, afin d'en faire l'inspection, et, en conformité des instructions du ministre de l'Agriculture, ils traiteront les bestiaux exposés à être atteints ou atteints de maladie, et les articles y ayant rapport, de la façon prévue par le dit acte, imposant les amendes prescrites par cet acte contre toute personne enfreignant toute disposition d'icelui ou des règlements faits en vertu de cet acte.

4o. Les dits inspecteurs ou officiers pourront, s'ils le jugent nécessaire, ordonner qu'on nettoie ou purifie tout endroit, bâtiment, véhicule ou autre article, qui aura servi à recevoir ou à transporter, ou qui sera sur le point de recevoir et de transporter des bestiaux, et ordonner que l'on prenne les mesures préventives qui pourront être jugées désirables.

5o. Les propriétaires ou commerçants qui expédient des bestiaux à un lieu d'embarquement au Canada, pour l'exportation, devront donner avis à l'inspecteur nommé pour tel port, par télégraphe ou par lettre, au moins douze heures avant l'arrivée des dits animaux qui doivent être exportés, et durant l'inspection, ils devront avec les hommes à leur service, faciliter la tâche de l'inspecteur, et placer les bestiaux selon les ordres qui leur seront donnés par le dit inspecteur. Dans le cas où le propriétaire refuse ou néglige de donner l'aide nécessaire, l'inspecteur pourra employer des hommes, au frais de l'expéditeur, et la dépense ainsi occasionnée devra être payée à l'inspecteur, avant que ce dernier lui donne un certificat que ses bestiaux ne sont pas malades.

6o. Pour empêcher le danger de contagion ou d'infection résultant de l'encombrement ou d'une trop forte cargaison de bestiaux à bord des bâtiments dans aucun port du Canada, l'inspecteur ne permettra pas que les bestiaux ou animaux destinés à l'exportation, soient mis à bord d'un bâtiment dans un port, avant de s'être assuré qu'il y a suffisamment d'espace et qu'on a pris les mesures nécessaires pour le transport du nombre d'animaux ou bestiaux qui doivent être expédiés à bord de tel bâtiment, et qu'on n'ex-

pédie pas un nombre d'animaux plus considérable que celui que ce bâtiment peut transporter sûrement, et l'inspecteur n'accordera pas un certificat de salubrité à tel bâtiment, avant que l'on ait pris les mesures précitées à sa satisfaction.

7o. Le percepteur de douanes de tout port, où cette inspection est adoptée n'accordera pas de permis de départ à tout bâtiment ayant des bestiaux à bord, pour l'exportation, avant qu'on lui produise un certificat, signé par l'inspecteur, comportant que les mesures prescrites par le dit acte et les présents règlements ont été adoptées et mises à exécution.

8o. Toute personne refusant de se conformer aux présents règlements, ou éludant ces règlements, ou empêchant un inspecteur ou officier de remplir les devoirs qui lui sont assignés, sera coupable d'infraction à l'acte "à l'effet d'empêcher les maladies contagieuses atteignant les bestiaux," et sera puni conformément aux dispositions du dit acte.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé – le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

ROBERT LEMOINE,
Greffier du Sénat.

AVIS DIVERS.

LA COMPAGNIE DU CHEMIN DE FER LE GRAND TRONC DU CANADA.

AVIS.—Le Parlement du Canada ayant adopté l'acte suivant: "Un acte à l'effet d'autoriser l'acquisition par le gouvernement fédéral d'une certaine partie du Grand-Tronc de chemin de fer, dans le but de l'annexer au chemin de fer Intercolonial"

"Considérant qu'il est opportun de pourvoir à l'acquisition, par le gouvernement fédéral, de cette partie du Grand-Tronc de chemin de fer ci-dessous mentionnée, afin qu'elle puisse être annexée au chemin de fer Intercolonial: A ces causes, Sa Majesté, par et de l'avis et du consentement du Sénat et de la Chambre des Communes du Canada, décrète ce qui suit:—

"1. Le gouvernement du Canada pourra conclure des arrangements avec la compagnie du Grand Tronc de chemin de fer du Canada pour faire l'acquisition de cette partie du Grand-Tronc de chemin de fer située entre la Rivière-du-Loup et Hadlow, avec tels tenants et aboutissants, et telles dépendances (à l'exception de certains rails qui y seront alors en usage), qui seront jugés opportuns, et pour avoir droit de circulation entre la jonction de la Chaudière et la Pointe-Lévis, et à l'égard d'autres obligations et services par et entre l'une et l'autre parties, à des conditions équitables qui seront arrêtées par les deux parties; et Sa Majesté pourra acquérir ces propriétés et droits, et la compagnie pourra les vendre et transporter à Sa Majesté pour le Canada, conformément à tel arrangement. Mais le présent acte ne sera pas exécutoire avant ni à moins d'avoir été soumis à une assemblée générale spéciale de la compagnie, et accepté par une majorité des deux tiers des personnes présentes ou représentées par fondés de pouvoirs, et ayant droit de voter; et le certificat par écrit, du président de cette assemblée sera reçu comme preuve *primâ facie* de son acceptation par l'assemblée, ce certificat devant être déposé au bureau du Secrétaire d'Etat du Canada; et des copies attestées par le dit Secrétaire d'Etat seront reçues et considérées, devant toutes les cours de droit ou d'équité, comme une preuve *primâ facie* suffisante de leur contenu.

"2. Le paiement du prix d'achat, qui ne devra pas dépasser un million cinq cent mille piastres, ne sera fait que pour couvrir les dépenses à cet effet, se rattachant au Grand-Tronc de chemin de fer, que le gouvernement jugera de l'intérêt public de faire.

"3. Il sera alloué un intérêt de six pour cent par

année sur toute partie du prix d'achat restant impayée pendant trente jours après échéance en vertu de l'arrangement.

"4. Il sera alloué un intérêt de six pour cent par année sur la valeur de ceux des rails qui ne seront pas achetés comme faisant partie du chemin, et qui ne seront pas enlevés et livrés par le gouvernement à la compagnie conformément à l'arrangement, tant qu'ils resteront sur la voie après l'époque convenue ; et la valeur de ces rails sera calculée à la valeur marchande qu'ils auront alors.

"5. La partie du dit chemin de fer ainsi achetée pour le Canada deviendra partie intégrante du chemin Intercolonial, et sera assujétie à toutes les prescriptions et dispositions de la loi qui s'y rapportent.

"6. Une somme n'excédant pas trois cent soixante-quinze mille piastres pourra être employée pour couvrir les frais de réparation de la ligne de chemin de fer ainsi achetée, et pour la munir de lisses d'acier, ainsi qu'une autre somme n'excédant pas deux cent cinquante mille piastres pour couvrir les frais d'exploitation durant l'année qui se terminera le trentième jour de juin mil huit cent quatre-vingt ; et ces sommes seront payées à même les deniers affectés à cette fin par le Parlement durant la présente session, et il en sera rendu compte comme de deniers dépensés en vertu des actes concernant la construction et l'exploitation du chemin de fer Intercolonial, respectivement."

En conséquence, une assemblée générale annuelle de la compagnie du chemin de fer Grand-Trone du Canada, est par les présentes convoquée et sera tenue à l'hotel de la rue Cannon, dans la cité de Londres, Angleterre, à une heure p.m., lundi, le trentième jour de juin prochain, à laquelle assemblée, l'acte susdit sera soumis à l'approbation de la compagnie, en vertu et en conformité des dispositions du dit acte.

Et aussi pour conclure telles et autres affaires se rattachant à la dite vente et au dit transfert, que les directeurs pourront soumettre à l'assemblée.

"5. The part of the said railway so purchased for the Dominion shall become part of the Intercolonial railway, and be subject to all enactments and provisions of law applying thereto.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre de l'Agriculture, et en vertu des dispositions de l'acte passé dans la session du parlement du Canada, tenue dans la 42e année du règne de Sa Majesté, chapitre 23, et intitulé : "Un acte à l'effet d'empêcher les maladies contagieuses atteignant les bestiaux,"

Il a plu à Son Excellence, par et de l'avis du Conseil Privé du Canada, d'adopter les réglements suivants pour empêcher que des bestiaux malades soient

transportés d'un endroit à un autre sur le territoire canadien, ou expédiés de ports canadiens :

1o. Une inspection des bestiaux sera faite à tout endroit ou port du Canada, auquel tels bestiaux seront transportés, conformément aux instructions qui pourront être prescrites de temps à autre par le ministre de l'Agriculture.

2o. Les bestiaux qui pourront être exposés à des maladies contagieuses, ou qui seront atteints de maladies contagieuses, seront détenus ou abattus, conformément aux dispositions du dit acte, suivant les instructions du ministre de l'Agriculture.

3o. Les officiers nommés pour mettre en vigueur la loi et les présents règlements auront libre accès à tout bâtiment, navire, vaisseau, char, voiture, ou autre véhicule, ou à tout endroit auquel des bestiaux pourront être trouvés, afin d'en faire l'inspection, et, en conformité des instructions du ministre de l'Agriculture, ils traiteront les bestiaux exposés à être atteints ou atteints de maladie, et les articles y ayant rapport, de la façon prévue par le dit acte, imposant les amendes prescrites par cet acte contre toute personne enfreignant toute disposition d'icelui ou des règlements faits en vertu de cet acte.

4o. Les dits inspecteurs ou officiers pourront, s'ils le jugent nécessaire, ordonner qu'on nettoie ou purifie tout endroit, bâtiment, véhicule ou autre article, qui aura servi à recevoir ou à transporter, ou qui sera sur le point de recevoir et de transporter des bestiaux, et ordonner que l'on prenne les mesures préventives qui pourront être jugées désirables.

5o. Les propriétaires ou commerçants qui expédient des bestiaux à un lieu d'embarquement au Canada, pour l'exportation, devront donner avis à l'inspecteur nommé pour tel port, par télégraphe ou par lettre, au moins douze heures avant l'arrivée des dits animaux qui doivent être exportés, et durant l'inspection, ils devront avec les hommes à leur service, faciliter la tâche de l'inspecteur, et placer les bestiaux selon les ordres qui leur seront donnés par le dit inspecteur. Dans le cas où le propriétaire refuse ou néglige de donner l'aide nécessaire, l'inspecteur pourra employer des hommes, au frais de l'expéditeur, et la dépense ainsi occasionnée devra être payée à l'inspecteur, avant que ce dernier lui donne un certificat que ses bestiaux ne sont pas malades.

6o. Pour empêcher le danger de contagion ou d'infection résultant de l'encombrement ou d'une trop forte cargaison de bestiaux à bord des bâtiments dans aucun port du Canada, l'inspecteur ne permettra pas que les bestiaux ou animaux destinés à l'exportation, soient mis à bord d'un bâtiment dans un port, avant de s'être assuré qu'il y a suffisamment d'espace et qu'on a pris les mesures nécessaires pour le transport du nombre d'animaux ou bestiaux qui doivent être expédiés à bord de tel bâtiment, et qu'on n'expédie pas un nombre d'animaux plus considérable que celui que ce bâtiment peut transporter sûrement, et l'inspecteur n'accordera pas un certificat de salubrité à tel bâtiment, avant que l'on ait pris les mesures précitées à sa satisfaction.

7o. Le percepteur de douanes de tout port, où cette inspection est adoptée n'accordera pas de permis de départ à tout bâtiment ayant des bestiaux à bord, pour l'exportation, avant qu'on lui produise un certificat, signé par l'inspecteur, comportant que les mesures prescrites par le dit acte et les présents règlements ont été adoptées et mises à exécution.

8o. Toute personne refusant de se conformer aux présents règlements, ou éludant ces règlements, ou empêchant un inspecteur ou officier de remplir les devoirs qui lui sont assignés, sera coupable d'infraction à l'acte "à l'effet d'empêcher les maladies contagieuses atteignant les bestiaux," et sera puni conformément aux dispositions du dit acte.

AVIS.—Le Parlement du Canada ayant adopté l'acte suivant: "Un acte à l'effet d'autoriser l'acquisition par le gouvernement fédéral d'une certaine partie du Grand-Tronc de chemin de fer, dans le but de l'annexer au chemin de fer Intercolonial."

"Considérant qu'il est opportun de pourvoir à l'acquisition, par le gouvernement fédéral, de cette partie du Grand-Tronc de chemin de fer ci-dessous mentionnée, afin qu'elle puisse être annexée au chemin de fer Intercolonial: A ces causes, Sa Majesté, par et de l'avis et du consentement du Sénat et de la Chambre des Communes du Canada, décrète ce qui suit:—

"1. Le gouvernement du Canada pourra conclure des arrangements avec la compagnie du Grand Tronc de chemin de fer du Canada pour faire l'acquisition de cette partie du Grand-Tronc de chemin de fer située entre la Rivière-du-Loup et Hadlow, avec tels tenants et aboutissants, et telles dépendances (à l'exception de certains rails qui y seront alors en usage), qui seront jugés opportuns, et pour avoir droit de circulation entre la jonction de la Chaudière et la Pointe-Lévis, et à l'égard d'autres obligations et services par et entre l'une et l'autre parties, à des conditions équitables qui seront arrêtées par les deux parties; et Sa Majesté pourra acquérir ces propriétés et droits, et la compagnie pourra les vendre et transporter à Sa Majesté pour le Canada, conformément à tel arrangement. Mais le présent acte ne sera pas exécutoire avant ni à moins d'avoir été soumis à une assemblée générale spéciale de la compagnie, et accepté par une majorité des deux tiers des personnes présentes ou représentées par fondés de pouvoirs, et ayant droit de voter; et le certificat par écrit, du président de cette assemblée sera reçu comme preuve *primâ facie* de son acceptation par l'assemblée, ce certificat devant être déposé au bureau du Secrétaire d'Etat du Canada; et des copies attestées par le dit Secrétaire d'Etat seront reçues et considérées, devant toutes les cours de droit ou d'équité, comme une preuve *primâ facie* suffisante de leur contenu.

"2. Le paiement du prix d'achat, qui ne devra pas dépasser un million cinq cent mille piastres, ne sera fait que pour couvrir les dépenses à cet effet, se rattachant au Grand-Tronc de chemin de fer, que le gouvernement jugera de l'intérêt public de faire.

"3. Il sera alloué un intérêt de six pour cent par année sur toute partie du prix d'achat restant impayée pendant trente jours après échéance en vertu de l'arrangement.

"4. Il sera alloué un intérêt de six pour cent par année sur la valeur de ceux des rails qui ne seront pas achetés comme faisant partie du chemin, et qui ne seront pas enlevés et livrés par le gouvernement à la compagnie conformément à l'arrangement, tant qu'ils resteront sur la voie après l'époque convenue; et la valeur de ces rails sera calculée à la valeur marchande qu'ils auront alors.

"5. La partie du dit chemin de fer ainsi achetée pour le Canada deviendra partie intégrante du chemin Intercolonial, et sera assujétie à toutes les prescriptions et dispositions de la loi qui s'y rapportent.

"6. Une somme n'excédant pas trois cent soixante-quinze mille piastres pourra être employée pour couvrir les frais de réparation de la ligne de chemin de fer ainsi achetée, et pour la munir de lisses d'acier, ainsi qu'une autre somme n'excédant pas deux cent cinquante mille piastres pour couvrir les frais d'exploitation durant l'année qui se terminera le trentième jour de juin mil huit cent quatre-vingt et ces sommes seront payées à même les deniers affectés à cette fin par le Parlement durant la présente session, et il en sera rendu compte comme de deniers dépensés en vertu des actes concernant la construction et l'exploitation du chemin de fer Intercolonial, respectivement."

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

THE GRAND TRUNK RAILWAY COMPANY OF CANADA.

NOTICE.—The Parliament of the Dominion of Canada having passed the following Act:

"An Act for the acquisition by the Dominion of a certain portion of the Grand Trunk Railway to be made part of the Intercolonial Railway.

"Whereas it is expedient to provide for the acquisition by the Dominion of that portion of the Grand Trunk Railway hereinafter mentioned to the end that it may be a part of the Intercolonial Railway.

"Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

"1. The Government of Canada may enter into arrangements with the Grand Trunk Railway Company of Canada for the purchase by the Dominion of that part of the Grand Trunk Railway between Rivière du Loup and Hadlow, with such metes and bounds and such appurtenances (except certain of the rails then in use thereon) as may be deemed expedient, and for running powers between the Chaudière Junction and Point Levis and other obligations and services by either party to the other on equitable terms to be agreed upon by the parties; and Her Majesty may acquire the said property and rights, and the Company may sell and convey the same to Her Majesty for the Dominion of Canada according to such agreement. But this Act shall not take effect unless and until submitted to a special general meeting of the Company and accepted by a majority consisting of two thirds of the votes of the persons present or represented by proxy entitled to vote; and the certificate in writing of the Chairman of such meeting shall be taken as *primâ facie* proof of its acceptance by the meeting, such certificate to be filed in the office of the Secretary of State of the Dominion of Canada; and copies certified by the said Secretary of State shall be taken and considered in all Courts of Law and Equity as sufficient *primâ facie* evidence of the contents thereof.

"2. Payment of the purchase money, which shall not exceed one million five hundred thousand dollars, shall only be made to cover expenditure for such purposes in connection with the Grand Trunk Railway, as the Government shall consider conducive to the public advantage.

"3. Interest at six per cent per annum shall be allowed on any purchase money remaining unpaid for thirty days after payment of the same has become due under the agreement.

"4. Interest at six per cent per annum shall be allowed upon the value of such of the rails not purchased as part of the line as may not be taken up and delivered by the Government to the Company according to agreement, so long as the same remain upon the line after the period agreed upon, the value of such rails to be computed at their then marketable value.

"5. The part of the said railway so purchased for the Dominion shall become part of the Intercolonial railway, and be subject to all enactments and provisions of law applying thereto.

"6. A sum not exceeding three hundred and seventy-five thousand dollars may be expended to defray the expenses of the repairing the line of railway so purchased and relaying it with steel rails, and a further sum not exceeding two hundred and fifty-five thousand dollars, to defray the expense of operating it during the year ending the thirtieth June, 1880, and such sums shall be paid out of the moneys appropriated for that purpose by Parliament during the present session and shall be accounted for as moneys expended under the Acts respecting the construction and operating of the Intercolonial Railway respectively":—

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre de l'Agriculture, et en vertu des dispositions de l'acte passé dans la session du parlement du Canada, tenue dans la 42e année du règne de Sa Majesté, chapitre 23, et intitulé : " Un acte à l'effet d'empêcher les maladies contagieuses atteignant les bestiaux,"

Il a plu à Son Excellence, par et de l'avis du Conseil Privé du Canada, d'adopter les règlements suivants pour empêcher que des bestiaux malades soient transportés d'un endroit à un autre sur le territoire canadien, ou expédiés de ports canadiens :

1o. Une inspection des bestiaux sera faite à tout endroit ou port du Canada, auquel tels bestiaux seront transportés, conformément aux instructions qui pourront être prescrites de temps à autre par le ministre de l'Agriculture.

2o. Les bestiaux qui pourront être exposés à des maladies contagieuses, ou qui seront atteints de maladies contagieuses, seront détenus ou abattus, conformément aux dispositions du dit acte, suivant les instructions du ministre de l'Agriculture.

3o. Les officiers nommés pour mettre en vigueur la loi et les présents règlements auront libre accès à tout bâtiment, navire, vaisseau, char, voiture, ou autre véhicule, ou à tout endroit auquel des bestiaux pourront être trouvés, afin d'en faire l'inspection, et, en conformité des instructions du ministre de l'Agriculture, ils traiteront les bestiaux exposés à être atteints ou atteints de maladie, et les articles y ayant rapport, de la façon prévue par le dit acte, imposant les amendes prescrites par cet acte contre toute personne enfreignant toute disposition d'icelui ou des règlements faits en vertu de cet acte.

4o. Les dits inspecteurs ou officiers pourront, s'ils le jugent nécessaire, ordonner qu'on nettoie ou purifie tout endroit, bâtiment, véhicule ou autre article, qui aura servi à recevoir ou à transporter, ou qui sera sur le point de recevoir et de transporter des bestiaux, et ordonner que l'on prenne les mesures préventives qui pourront être jugées désirables.

5o. Les propriétaires ou commerçants qui expédient des bestiaux à un lieu d'embarquement au Canada, pour l'exportation, devront donner avis à l'inspecteur nommé pour tel port, par télégraphe ou par lettre, au moins douze heures avant l'arrivée des dits animaux qui doivent être exportés, et durant l'inspection, ils devront avec les hommes à leur service, faciliter la tâche de l'inspecteur, et placer les bestiaux selon les ordres qui leur seront donnés par le dit inspecteur. Dans le cas où le propriétaire refuse ou néglige de donner l'aide nécessaire, l'inspecteur pourra employer des hommes, au frais de l'expéditeur, et la dépense ainsi occasionnée devra être payée à l'inspecteur, avant que ce dernier lui donne un certificat que ses bestiaux ne sont pas malades.

6o. Pour empêcher le danger de contagion ou d'infection résultant de l'encombrement ou d'une trop forte cargaison de bestiaux à bord des bâtiments dans aucun port du Canada, l'inspecteur ne permettra pas que les bestiaux ou animaux destinés à l'exportation, soient mis à bord d'un bâtiment dans un port, avant de s'être assuré qu'il y a suffisamment d'espace et qu'on a pris les mesures nécessaires pour le transport du nombre d'animaux ou bestiaux qui doivent être expédiés à bord de tel bâtiment, et qu'on n'expédie pas un nombre d'animaux plus considérable que celui que ce bâtiment peut transporter sûrement, et l'inspecteur n'accordera pas un certificat de salubrité à tel bâtiment, avant que l'on ait pris les mesures précitées à sa satisfaction.

7o. Le percepteur de douanes de tout port, où cette inspection est adoptée n'accordera pas de permis de départ à tout bâtiment ayant des bestiaux à bord, pour l'exportation, avant qu'on lui produise un certificat, signé par l'inspecteur, comportant que les mesures prescrites par le dit acte et les présents règlements ont été adoptées et mises à exécution.

8o. Toute personne refusant de se conformer aux présents règlements, ou éludant ces règlements, ou empêchant un inspecteur ou officier de remplir les devoirs qui lui sont assignés, sera coupable d'infraction à l'acte "à l'effet d'empêcher les maladies contagieuses atteignant les bestiaux," et sera puni conformément aux dispositions du dit acte.

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé – le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

"Considérant qu'il est opportun de pourvoir à l'acquisition, par le gouvernement fédéral, de cette partie du Grand-Tronc de chemin de fer ci-dessous mentionnée, afin qu'elle puisse être annexée au chemin de fer Intercolonial : A ces causes, Sa Majesté, par et de l'avis et du consentement du Sénat et de la Chambre des Communes du Canada, décrète ce qui suit :—

"1. Le gouvernement du Canada pourra conclure des arrangements avec la compagnie du Grand Tronc de chemin de fer du Canada pour faire l'acquisition de cette partie du Grand-Tronc de chemin de fer située entre la Rivière-du-Loup et Hadlow, avec tels tenants et aboutissants, et telles dépendances (à l'exception de certains rails qui y seront alors en usage), qui seront jugés opportuns, et pour avoir droit de circulation entre la jonction de la Chaudière et la Pointe-Lévis, et à l'égard d'autres obligations et services par et entre l'une et l'autre parties, à des conditions équitables qui seront arrêtées par les deux parties ; et Sa Majesté pourra acquérir ces propriétés et droits, et la compagnie pourra les vendre et transporter à Sa Majesté pour le Canada, conformément à tel arrangement. Mais le présent acte ne sera pas exécutoire avant ni à moins d'avoir été soumis à une assemblée générale spéciale de la compagnie, et accepté par une majorité des deux tiers des personnes présentes ou représentées par fondés de pouvoirs, et ayant droit de voter ; et le certificat par écrit, du président de cette assemblée sera reçu comme preuve *primâ facie* de son acceptation par l'assemblée, ce certificat devant être déposé au bureau du Secrétaire d'Etat du Canada ; et des copies attestées par le dit Secrétaire d'Etat seront reçues et considérées, devant toutes les cours de droit ou d'équité, comme une preuve *primâ facie* suffisante de leur contenu.

"2. Le paiement du prix d'achat, qui ne devra pas dépasser un million cinq cent mille piastres, ne sera fait que pour couvrir les dépenses à cet effet, se rattachant au Grand-Tronc de chemin de fer, que le gouvernement jugera de l'intérêt public de faire.

"3. Il sera alloué un intérêt de six pour cent par année sur toute partie du prix d'achat restant impayée pendant trente jours après échéance en vertu de l'arrangement.

"4. Il sera alloué un intérêt de six pour cent par année sur la valeur de ceux des rails qui ne seront pas achetés comme faisant partie du chemin, et qui ne seront pas enlevés et livrés par le gouvernement à la compagnie conformément à l'arrangement, tant qu'ils resteront sur la voie après l'époque convenue ; et la valeur de ces rails sera calculée à la valeur marchande qu'ils auront alors.

"5. La partie du dit chemin de fer ainsi achetée pour le Canada deviendra partie intégrante du chemin Intercolonial, et sera assujétie à toutes les prescriptions et dispositions de la loi qui s'y rapportent.

"6. Une somme n'excédant pas trois cent soixante-quinze mille piastres pourra être employée pour couvrir les frais de réparation de la ligne de chemin de fer ainsi achetée, et pour la munir de lisses d'acier, ainsi qu'une autre somme n'excédant pas deux cent cinquante mille piastres pour couvrir les frais d'exploitation durant l'année qui se terminera le trentième jour de juin mil huit cent quatre-vingt et ces sommes seront payées à même les deniers affectés à cette fin par le Parlement durant la présente session, et il en sera rendu compte comme de deniers dépensés en vertu des actes concernant la construction et l'exploitation du chemin de fer Intercolonial, respectivement."

1. Upon the importation of swine for the purpose of slaughtering, the importer shall enter the same for warehouse upon the usual form of such entries, stating upon its face the number, live weight and value of the herd, and the rate and amount of duty as prescribed by the tariff in force at the time of making such entry. Such importer shall then execute a bond to the Queen, with two sufficient sureties to the satisfaction of the Collector of Customs at the port where such carcasses are imported or warehoused, in double the amount of such duty, the condition of such bond shall be that upon due exportation within one year of the products of the swine so imported, slaughtered and cured in the form of pork, bacon, hams, shoulders and lard, or payment of the duty secured by the said bond, then the said bond shall be and become null and void, otherwise shall remain in full force and virtue.

2. After the reception of the swine into the bonding warehouse or slaughter house, it shall not be lawful to remove any of them alive therefrom, nor shall any part of the produce of such swine be removed therefrom for any purpose, without a permit from the Collector or proper officer of Customs, as in the case of all other bonded goods.

3. The bond given by the importer as before specified shall be cancelled upon payment of the current rate of duty imposed upon swine imported into Canada, or upon exportation of seventy per cent of the actual live weight of the swine as originally entered, in the form of pork, bacon, hams, shoulders and lard; and if a less quantity than seventy per cent is exported, then duty shall be paid upon the quantity deficient, at the rate imposed upon the live animal in proportion to value.

4. Swine imported in the carcass to be cured and packed in bond may be entered in the usual way for warehouse, and be placed in the premises established as a warehouse of this class for the special purpose of curing and packing. The weight and value of such carcasses shall be stated upon the face of the entry for warehouse, and the importer shall execute a bond to the Queen with two sufficient sureties to the satisfaction of the Collector of Customs at the Port where such carcasses are imported or warehoused, in double the amount of duty accruing thereupon to be calculated according to the highest rate of duty imposed by the tariff upon any part or parts of the said carcasses, conditioned for the due exportation of the same or payment of duty within one year from date of first entry.

5. The meats being the produce of such carcasses, shall be calculated for exportation or duty, as the case may be, after allowing in respect of meat in pickle a reduction of five per cent. from the original weight, or weight for first entry, and these percentages may be deducted by compensation entries from the warehouse books at the time of each ex-warehouse entry, in proper proportions, and if any less quantity is exported, than the original weight, less the allowance above specified, the duty shall be collected upon such deficiency at the rate of duty required at the time by law upon meats of the kinds exported.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

"Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

"1. The Government of Canada may enter into arrangements with the Grand Trunk Railway Company of Canada for the purchase by the Dominion of that part of the Grand Trunk Railway between Rivière du Loup and Hadlow, with such metes and bounds and such appurtenances (except certain of the rails then in use thereon) as may be deemed expedient, and for running powers between the Chaudière Junction and Point Levis and other obligations and services by either party to the other on equitable terms to be agreed upon by the parties; and Her Majesty may acquire the said property and rights, and the Company may sell and convey the same to Her Majesty for the Dominion of Canada according to such agreement. But this Act shall not take effect unless and until submitted to a special general meeting of the Company and accepted by a majority consisting of two thirds of the votes of the persons present or represented by proxy entitled to vote; and the certificate in writing of the Chairman of such meeting shall be taken as *primâ facie* proof of its acceptance by the meeting, such certificate to be filed in the office of the Secretary of State of the Dominion of Canada; and copies certified by the said Secretary of State shall be taken and considered in all Courts of Law and Equity as sufficient *primâ facie* evidence of the contents thereof.

"2. Payment of the purchase money, which shall not exceed one million five hundred thousand dollars, shall only be made to cover expenditure for such purposes in connection with the Grand Trunk Railway, as the Government shall consider conducive to the public advantage.

"3. Interest at six per cent per annum shall be allowed on any purchase money remaining unpaid for thirty days after payment of the same has become due under the agreement.

"4. Interest at six per cent per annum shall be allowed upon the value of such of the rails not purchased as part of the line as may not be taken up and delivered by the Government to the Company according to agreement, so long as the same remain upon the line after the period agreed upon, the value of such rails to be computed at their then marketable value.

"5. The part of the said railway so purchased for the Dominion shall become part of the Intercolonial railway, and be subject to all enactments and provisions of law applying thereto.

"6. A sum not exceeding three hundred and seventy-five thousand dollars may be expended to defray the expenses of the repairing the line of railway so purchased and relaying it with steel rails, and a further sum not exceeding two hundred and fifty-five thousand dollars, to defray the expense of operating it during the year ending the thirtieth June, 1880, and such sums shall be paid out of the moneys appropriated for that purpose by Parliament during the present session and shall be accounted for as moneys expended under the Acts respecting the construction and operating of the Intercolonial Railway respectively":—

Therefore a special general meeting of the Grand Trunk Railway Company of Canada is hereby called and will be held at the Cannon Street Hotel, in the City of London, England, at one o'clock P. M., on Monday the thirtieth day of June next, at which meeting the above mentioned Act will be submitted for acceptance by the Company pursuant to the provisions of said Act, and in accordance therewith.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre des douanes, et en vertu de l'autorité conférée par la 125e section, clause 1, de l'acte 40 Victoria, chap. 10, intitulé : " Un acte pour amender et consolider les actes concernant les douanes," il a plu à Son Excellence le Gouverneur-Général de faire et prescrire les " règlements " suivants concernant le raffinage du sucre et des mélasses en entrepôt.

1. Que le percepteur ou autre officier des douanes, à tout port d'entrepôt dans le Canada, pourra livrer, sans paiement de droit, au propriétaire de toute raffinerie de sucre, étant aussi l'importateur ou le propriétaire de tout sucre entreposé, mélasse, ou autres matières desquelles le sucre raffiné peut être produit, dont il aura été fait une entrée régulière, toute quantité de tel sucre, mélasse ou autre matière, dans le but de le raffiner dans les limites du Canada, à tel endroit et sur tels lieux qui pourront être particulièrement désignés par tel propriétaire qui en est l'importateur ou qui en a la propriété.

2. Que toute telle raffinerie de sucre et les terrains y appartenant, conformément à la description qui en sera faite, comme il est dit ci-haut, sera, pour les fins de raffinage de sucre en vertu de l'acte sus-mentionné, considérée comme un entrepôt du gouvernement, et qu'aucune quantité du sucre, de la mélasse, ou autres matières, ainsi apportés dans la dite raffinerie ou sur les dits terrains, ne pourra en être enlevée sans une entrée régulière à l'entrepôt et sans le paiement de tous les droits exigibles sur ces articles, s'ils ont été entrés pour la consommation indigène, ou sans l'entrée voulue s'ils doivent être exportés en entrepôt ; aucun sucre raffiné ou autre matière produite par le sucre, la mélasse, etc., ne pourra être enlevé de la dite raffinerie et des dits terrains, sans qu'il en soit fait une entrée régulière comme susdit, soit pour la consommation, ou pour l'exportation, et sans le paiement de tous les droits de douane légalement dus sur le sucre, la mélasse ou autres matières, desquelles le sucre raffiné aura été fabriqué, selon le cas.

3. Que l'importateur ou le propriétaire de tout sucre, mélasse, ou autres matières susdites, avant d'avoir le droit, dans le but de raffiner les susdits articles, d'en obtenir la livraison, à leur sortie du bateau, lors de leur importation dans le Canada, pour les transporter immédiatement à la raffinerie de sucre et aux terrains susdits, ou pour les tirer d'aucun entrepôt de la Reine, où ils pourront être entreposés, devra fournir deux cautions suffisantes, à la satisfaction du percepteur des douanes, au port où tel sucre, mélasse ou autre matière sont importés ou entreposés, sous peine d'une amende double du montant de droits exigibles pour ces articles, à la condition que le montant entier des droits ainsi payables sur les quantités de sucre, mélasse ou autres matières ainsi livrés à leur arrivée ou tirés de l'entrepôt comme susdit, dans le but d'être ainsi raffinés en entrepôt, sera, dans les six mois ultérieurs à la date du cautionnement ainsi fourni, payé au dit percepteur des douanes pour l'usage de Sa Majesté dans le Canada, et que le dit importateur ou propriétaire devra, avant d'obtenir possession des dits articles, fournir au percepteur des douanes, pour l'usage de Sa Majesté, une garantie générale comprenant une somme pénale de $10,000 et deux cautions acceptées de $5,000 chacune, pourvu qu'à aucune date la quantité de sucre brut ou raffiné dans la dite raffinerie ou entrepôt ne soit pas moindre que la quantité pour laquelle la garantie ou garanties pour le paiement des droits ci-dessus mentionnée ne sera pas encore payée.

4. Et pour mieux assurer l'observance des susdits règlements, les percepteurs de douanes, l'évaluateur, ou le gardien de l'entrepôt ou autre officier reconnu des douanes, au port où les articles seront ainsi entreposés, ou au port le plus rapproché de la dite raffinerie de sucre, auront, à toute heure du jour, libre accès à la dite raffinerie et dépendances, dans le but de vérifier la quantité de sucre, mélasse ou autre matière susdite, et toute dépense raisonnable relative à telle inspection devra être défrayée par l'importateur, ou le propriétaire du sucre, de la mélasse ou autre matière subissant le raffinage dans l'entrepôt.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GENÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre des Douanes, et en vertu de l'autorité conférée par la 59e section de l'acte 40 Victoria, chap. 10, intitulé : " Un acte pour amender et refondre les actes concernant les douanes," il a plu à Son Excellence le Gouverneur-Général en conseil de faire et prescrire les règlements suivants pour abattre et préparer les cochons importés en entrepôt :

1. Quand des cochons sont importés pour l'abattoir, l'importateur devra en faire faire l'entrée pour l'entrepôt, suivant la formule ordinaire de telles entrées, laquelle devra indiquer le nombre, la pesanteur et la valeur du troupeau ainsi que le taux et le montant de droits, tels que prescrits par le tarif en vigueur à l'époque où l'entrée a été faite. L'importateur devra donner alors une garantie à la Reine, avec deux cautions suffisantes, à la satisfaction du percepteur des douanes au port où tels bestiaux sont importés ou entreposés, double du montant des droits, à la

condition que sur l'exportation dans la période d'une année des produits des cochons ainsi importés, abattus et préparés sous forme de porc, jambon, épaules et lard, ou sur le paiement du droit garanti par le dit cautionnement, le dit cautionnement deviendra nul ; autrement il restera en pleine force.

2. Les cochons rendus à l'entrepôt ou à l'abattoir, il ne sera pas loisible de les en faire sortir vivants, et aucune partie ne pourra en être transférée, sans un permis du percepteur ou de l'officier compétent des douanes, de même que pour tous les articles en entrepôt.

3. La garantie fournie par l'importateur telle que ci-dessus mentionnée, sera annulée sur paiement du taux courant des droits imposés sur les cochons importés au Canada, ou sur l'exportation de soixante-dix pour cent de la pesanteur des cochons vivants, telle qu'inscrite en premier lieu, sous forme de porc, lard, jambon, épaules, et si une quantité moindre que soixante-dix pour cent est exportée, le droit sera alors payé sur la quantité manquant au taux imposé sur le bétail vivant proportionnellement à la valeur.

4. Les cochons abattus importés pour être préparés et empaquetés en entrepôt pourront être entreposés de la manière ordinaire, et déposés dans les entrepôts de ce genre qui servent à la préparation et à l'empaquetage. La pesanteur et la valeur de ces bestiaux seront indiquées sur la formule d'entrée à l'entrepôt, et l'importateur devra fournir une garantie à la Reine, avec deux cautions suffisantes, à la satisfaction du percepteur des douanes au port où tels cochons sont importés ou entreposés, double du montant du droit à prélever, lequel devra être calculé suivant le taux le plus élevé de droit imposé par le tarif sur toute partie ou parties des dits cochons, à la condition qu'ils soient exportés ou que le droit soit payé dans l'année qui suivra la date de la première entrée.

5. Les viandes provenant de tels cochons ainsi abattus seront estimées pour l'exportation ou les droits à payer, selon le cas, une réduction de cinq pour cent étant faite pour la viande en saumure, sur la pesanteur originelle ou la pesanteur inscrite dans la première entrée, et ces proportions pourront être déduites, pour forme d'entrées compensantes, des livres d'entrepôt, à la date de chaque telle entrée pour la sortie de l'entrepôt, et si une quantité exportée est moindre que la pesanteur originelle, la réduction ci-dessus prescrite sera moindre, le droit devant être prélevé sur la différence au taux de droit exigible alors par la loi sur les viandes de l'espèce exportée.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation ; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu ; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

LA COMPAGNIE DU CHEMIN DE FER LE GRAND TRONC DU CANADA.

AVIS.—Le Parlement du Canada ayant adopté l'acte suivant: "Un acte à l'effet d'autoriser l'acquisition par le gouvernement fédéral d'une certaine partie du Grand-Tronc de chemin de fer, dans le but de l'annexer au chemin de fer Intercolonial."

"Considérant qu'il est opportun de pourvoir à l'acquisition, par le gouvernement fédéral, de cette partie du Grand-Tronc de chemin de fer ci-dessous mentionnée, afin qu'elle puisse être annexée au chemin de fer Intercolonial: A ces causes, Sa Majesté, par et de l'avis et du consentement du Sénat et de la Chambre des Communes du Canada, décrète ce qui suit:—

"1. Le gouvernement du Canada pourra conclure des arrangements avec la compagnie du Grand Tronc de chemin de fer du Canada pour faire l'acquisition de cette partie du Grand-Tronc de chemin de fer située entre la Rivière-du-Loup et Hadlow, avec tels tenants et aboutissants, et telles dépendances (à l'exception de certains rails qui y seront alors en usage), qui seront jugés opportuns, et pour avoir droit de circulation entre la jonction de la Chaudière et la Pointe-Lévis, et à l'égard d'autres obligations et services par et entre l'une et l'autre parties, à des conditions équitables qui seront arrêtées par les deux parties; et Sa Majesté pourra acquérir ces propriétés et droits, et la compagnie pourra les vendre et transporter à Sa Majesté pour le Canada, conformément à tel arrangement. Mais le présent acte ne sera pas exécutoire avant ni à moins d'avoir été soumis à une assemblée générale spéciale de la compagnie, et accepté par une majorité des deux tiers des personnes présentes ou représentées par fondés de pouvoirs, et ayant droit de voter; et le certificat par écrit, du président de cette assemblée sera reçu comme preuve *primâ facie* de son acceptation par l'assemblée, ce certificat devant être déposé au bureau du Secrétaire d'Etat du Canada; et des copies attestées par le dit Secrétaire d'Etat seront reçues et considérées, devant toutes les cours de droit ou d'équité, comme une preuve *primâ facie* suffisante de leur contenu.

"2. Le paiement du prix d'achat, qui ne devra pas dépasser un million cinq cent mille piastres, ne sera fait que pour couvrir les dépenses à cet effet, se rattachant au Grand-Tronc de chemin de fer, que le gouvernement jugera de l'intérêt public de faire.

"3. Il sera alloué un intérêt de six pour cent par année sur toute partie du prix d'achat restant impayée pendant trente jours après échéance en vertu de l'arrangement.

"4. Il sera alloué un intérêt de six pour cent par année sur la valeur de ceux des rails qui ne seront pas achetés comme faisant partie du chemin, et qui ne seront pas enlevés et livrés par le gouvernement à la compagnie conformément à l'arrangement, tant qu'ils resteront sur la voie après l'époque convenue; et la valeur de ces rails sera calculée à la valeur marchande qu'ils auront alors.

"5. La partie du dit chemin de fer ainsi achetée pour le Canada deviendra partie intégrante du chemin Intercolonial, et sera assujétie à toutes les prescriptions et dispositions de la loi qui s'y rapportent.

"6. In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

NOTICE.—The Parliament of the Dominion of Canada having passed the following Act:

"An Act for the acquisition by the Dominion of a certain portion of the Grand Trunk Railway to be made part of the Intercolonial Railway.

"Whereas it is expedient to provide for the acquisition by the Dominion of that portion of the Grand Trunk Railway hereinafter mentioned to the end that it may be a part of the Intercolonial Railway.

"Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

"1. The Government of Canada may enter into arrangements with the Grand Trunk Railway Company of Canada for the purchase by the Dominion of that part of the Grand Trunk Railway between Rivière du Loup and Hadlow, with such metes and bounds and such appurtenances (except certain of the rails then in use thereon) as may be deemed expedient, and for running powers between the Chaudière Junction and Point Levis and other obligations and services by either party to the other on equitable terms to be agreed upon by the parties; and Her Majesty may acquire the said property and rights, and the Company may sell and convey the same to Her Majesty for the Dominion of Canada according to such agreement. "3. Interest at six per cent per annum shall be allowed on any purchase money remaining unpaid for thirty days after payment of the same has become due under the agreement.

"4. Interest at six per cent per annum shall be allowed upon the value of such of the rails not purchased as part of the line as may not be taken up and delivered by the Government to the Company according to agreement, so long as the same remain upon the line after the period agreed upon, the value of such rails to be computed at their then marketable value.

"5. The part of the said railway so purchased for the Dominion shall become part of the Intercolonial railway, and be subject to all enactments and provisions of law applying thereto.

"6. A sum not exceeding three hundred and seventy-five thousand dollars may be expended to defray the expenses of the repairing the line of railway so purchased and relaying it with steel rails, and a further sum not exceeding two hundred and fifty-five thousand dollars, to defray the expense of operating it during the year ending the thirtieth June, 1880, and such sums shall be paid out of the moneys appropriated for that purpose by Parliament during the present session and shall be accounted for as moneys expended under the Acts respecting the construction and operating of the Intercolonial Railway respectively":—

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre des douanes, et en vertu de l'autorité conférée par la 125e section, clause 1, de l'acte 40 Victoria, chap. 10, intitulé : " Un acte pour amender et consolider les actes concernant les douanes," il a plu à Son Excellence le Gouverneur-Général de faire et prescrire les " règlements " suivants concernant le raffinage du sucre et des mélasses en entrepôt.

1. Que le percepteur ou autre officier des douanes, à tout port d'entrepôt dans le Canada, pourra livrer, sans paiement de droit, au propriétaire de toute raffinerie de sucre, étant aussi l'importateur ou le propriétaire de tout sucre entreposé, mélasse, ou autres matières desquelles le sucre raffiné peut être produit, dont il aura été fait une entrée régulière, toute quantité de tel sucre, mélasse ou autre matière, dans le but de le raffiner dans les limites du Canada, à tel endroit et sur tels lieux qui pourront être particulièrement désignés par tel propriétaire qui en est l'importateur ou qui en a la propriété.

2. Que toute telle raffinerie de sucre et les terrains y appartenant, conformément à la description qui en sera faite, comme il est dit ci-haut, sera, pour les fins de raffinage de sucre en vertu de l'acte sus-mentionné, considérée comme un entrepôt du gouvernement, et qu'aucune quantité du sucre, de la mélasse, ou autres matières, ainsi apportés dans la dite raffinerie ou sur les dits terrains, ne pourra en être enlevée sans une entrée régulière à l'entrepôt et sans le paiement de tous les droits exigibles sur ces articles, s'ils ont été entrés pour la consommation indigène, ou sans l'entrée voulue s'ils doivent être exportés en entrepôt ; aucun sucre raffiné ou autre matière produite par le sucre, la mélasse, etc., ne pourra être enlevé de la dite raffinerie et des dits terrains, sans qu'il en soit fait une entrée régulière comme susdit, soit pour la consommation, ou pour l'exportation, et sans le paiement de tous les droits de douane légalement dus sur le sucre, la mélasse ou autres matières, desquelles le sucre raffiné aura été fabriqué, selon le cas.

3. Que l'importateur ou le propriétaire de tout sucre, mélasse, ou autres matières susdites, avant d'avoir le droit, dans le but de raffiner les susdits articles, d'en obtenir la livraison, à leur sortie du bateau, lors de leur importation dans le Canada, pour les transporter immédiatement à la raffinerie de sucre et aux terrains susdits, ou pour les tirer d'aucun entrepôt de la Reine, où ils pourront être entreposés, devra fournir deux cautions suffisantes, à la satisfaction du percepteur des douanes, au port où tel sucre, mélasse ou autre matière sont importés ou entreposés, sous peine d'une amende double du montant de droits exigibles pour ces articles, à la condition que le montant entier des droits ainsi payables sur les quantités de sucre, mélasse ou autres matières ainsi livrés à leur arrivée ou tirés de l'entrepôt comme susdit, dans le but d'être ainsi raffinés en entrepôt, sera, dans les six mois ultérieurs à la date du cautionnement ainsi fourni, payé au dit percepteur des douanes pour l'usage de Sa Majesté dans le Canada, et que le dit importateur ou propriétaire devra, avant d'obtenir possession des dits articles, fournir au percepteur des douanes, pour l'usage de Sa Majesté, une garantie générale comprenant une somme pénale de $10,000 et deux cautions acceptées de $5,000 chacune, pourvu qu'à aucune date la quantité de sucre brut ou raffiné dans la dite raffinerie ou entrepôt ne soit pas moindre que la quantité pour laquelle la garantie ou garanties pour le paiement des droits ci-dessus mentionnée ne sera pas encore payée.

4. Et pour mieux assurer l'observance des susdits règlements, les percepteurs de douanes, l'évaluateur, ou le gardien de l'entrepôt ou autre officier reconnu des douanes, au port où les articles seront ainsi entreposés, ou au port le plus rapproché de la dite raffi-

nerie de sucre, auront, à toute heure du jour, libre accès à la dite raffinerie et dépendances, dans le but de vérifier la quantité de sucre, mélasse ou autre matière susdite, et toute dépense raisonnable relative à telle inspection devra être défrayée par l'importateur, ou le propriétaire du sucre, de la mélasse ou autre matière subissant le raffinage dans l'entrepôt.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GENÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre des Douanes, et en vertu de l'autorité conférée par la 59e section de l'acte 40 Victoria, chap. 10, intitulé : " Un acte pour amender et refondre les actes concernant les douanes," il a plu à Son Excellence le Gouverneur-Général en conseil de faire et prescrire les règlements suivants pour abattre et préparer les cochons importés en entrepôt :

1. Quand des cochons sont importés pour l'abattoir, l'importateur devra en faire faire l'entrée pour l'entrepôt, suivant la formule ordinaire de telles entrées, laquelle devra indiquer le nombre, la pesanteur et la valeur du troupeau ainsi que le taux et le montant de droits, tels que prescrits par le tarif en vigueur à l'époque où l'entrée a été faite. L'importateur devra donner alors une garantie à la Reine, avec deux cautions suffisantes, à la satisfaction du percepteur des douanes au port où tels bestiaux sont importés ou entreposés, double du montant des droits, à la condition que sur l'exportation dans la période d'une année des produits des cochons ainsi importés, abattus et préparés sous forme de porc, jambon, épaules et lard, ou sur le paiement du droit garanti par le dit cautionnement, le dit cautionnement deviendra nul ; autrement il restera en pleine force.

2. Les cochons rendus à l'entrepôt ou à l'abattoir, il ne sera pas loisible de les en faire sortir vivants, et aucune partie ne pourra en être transférée, sans un permis du percepteur ou de l'officier compétent des douanes; de même que pour tous les articles en entrepôt.

3. La garantie fournie par l'importateur telle que ci-dessus mentionnée, sera annulée sur paiement du taux courant des droits imposés sur les cochons importés au Canada, ou sur l'exportation de soixante-dix pour cent de la pesanteur des cochons vivants, telle qu'inscrite en premier lieu, sous forme de porc, lard, jambon, épaules, et si une quantité moindre que soixante-dix pour cent est exportée, le droit sera alors payé sur la quantité manquant au taux imposé sur le bétail vivant proportionnellement à la valeur.

4. Les cochons abattus importés pour être préparés et empaquetés en entrepôt pourront être entreposés de la manière ordinaire, et déposés dans les entrepôts de ce genre qui servent à la préparation et à l'empaquetage. La pesanteur et la valeur de ces bestiaux seront indiquées sur la formule d'entrée à l'entrepôt, et l'importateur devra fournir une garantie à la Reine, avec deux cautions suffisantes, à la satisfaction du percepteur des douanes au port où tels cochons sont importés ou entreposés, double du montant du droit à prélever, lequel devra être calculé suivant le taux le plus élevé de droit imposé par le tarif sur toute partie ou parties des dits cochons, à la condition qu'ils soient exportés ou que le droit soit payé dans l'année qui suivra la date de la première entrée.

5. Les viandes provenant de tels cochons ainsi abattus seront estimées pour l'exportation ou les droits à payer, selon le cas, une réduction de cinq pour cent étant faite pour la viande en saumure, sur la pesanteur originelle ou la pesanteur inscrite dans la première entrée, et ces proportions pourront être déduites, pour forme d'entrées compensantes, des livres d'entrepôt, à la date de chaque telle entrée pour la sortie de l'entrepôt, et si une quantité exportée est moindre que la pesanteur originelle, la réduction ci-dessus prescrite sera moindre, le droit devant être prélevé sur la différence au taux de droit exigible alors par la loi sur les viandes de l'espèce exportée.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

"Considérant qu'il est opportun de pourvoir à l'acquisition, par le gouvernement fédéral, de cette partie du Grand-Tronc de chemin de fer ci-dessous mentionnée, afin qu'elle puisse être annexée au chemin de fer Intercolonial: A ces causes, Sa Majesté, par et de l'avis et du consentement du Sénat et de la Chambre des Communes du Canada, décrète ce qui suit:—

"1. Le gouvernement du Canada pourra conclure des arrangements avec la compagnie du Grand Tronc de chemin de fer du Canada pour faire l'acquisition de cette partie du Grand-Tronc de chemin de fer située entre la Rivière-du-Loup et Hadlow, avec tels tenants et aboutissants, et telles dépendances (à l'exception de certains rails qui y seront alors en usage), qui seront jugés opportuns, et pour avoir droit de circulation entre la jonction de la Chaudière et la Pointe-Lévis, et à l'égard d'autres obligations et services par et entre l'une et l'autre parties, à des conditions équitables qui seront arrêtées par les deux parties; et Sa Majesté pourra acquérir ces propriétés et droits, et la compagnie pourra les vendre et transporter à Sa Majesté pour le Canada, conformément à tel arrangement. Mais le présent acte ne sera pas exécutoire avant ni à moins d'avoir été soumis à une assemblée générale spéciale de la compagnie, et accepté par une majorité des deux tiers des personnes présentes ou représentées par fondés de pouvoirs, et ayant droit de voter; et le certificat par écrit, du président de cette assemblée sera reçu comme preuve *primâ facie* de son acceptation par l'assemblée, ce certificat devant être déposé au bureau du Secrétaire d Etat du Canada; et des copies attestées par le dit Secrétaire d'Etat seront reçues et considérées, devant toutes les cours de droit ou d'équité, comme une preuve *primâ facie* suffisante de leur contenu.

"2. Le paiement du prix d'achat, qui ne devra pas dépasser un million cinq cent mille piastres, ne sera fait que pour couvrir les dépenses à cet effet, se rattachant au Grand-Tronc de chemin de fer, que le gouvernement jugera de l'intérêt public de faire.

"3. Il sera alloué un intérêt de six pour cent par année sur toute partie du prix d'achat restant impayée pendant trente jours après échéance en vertu de l'arrangement.

"4. Il sera alloué un intérêt de six pour cent par année sur la valeur de ceux des rails qui ne seront pas achetés comme faisant partie du chemin, et qui ne seront pas enlevés et livrés par le gouvernement à la compagnie conformément à l'arrangement, tant qu'ils resteront sur la voie après l'époque convenue; et la valeur de ces rails sera calculée à la valeur marchande qu'ils auront alors.

"5. La partie du dit chemin de fer ainsi achetée pour le Canada deviendra partie intégrante du chemin Intercolonial, et sera assujétie à toutes les prescriptions et dispositions de la loi qui s'y rapportent.

"6. Une somme n'excédant pas trois cent soixante-quinze mille piastres pourra être employée pour couvrir les frais de réparation de la ligne de chemin de fer ainsi achetée, et pour la munir de lisses d'acier, ainsi qu'une autre somme n'excédant pas deux cent cinquante mille piastres pour couvrir les frais d'exploitation durant l'année qui se terminera le trentième jour de juin mil huit cent quatre-vingt et ces sommes seront payées à même les deniers affectés à cette fin par le Parlement durant la présente session, et il en sera rendu compte comme de deniers dépensés en vertu des actes concernant la construction et l'exploitation du chemin de fer Intercolonial, respectivement."

En conséquence, une assemblée générale annuelle de la compagnie du chemin de fer Grand-Tronc du Canada, est par les présentes convoquée et sera tenue à l'hotel de la rue Cannon, dans la cité de Londres, Angleterre, à une heure p.m., lundi, le trentième jour de juin prochain, à laquelle assemblée, l'acte susdit sera soumis à l'approbation de la compagnie, en vertu et en conformité des dispositions du dit acte.

Et aussi pour conclure telles et autres affaires se rattachant à la dite vente et au dit transfert, que les directeurs pourront soumettre à l'assemblée.
